

Meeting Summary for Commissioner Boardroom Reoccurring Meetings

Apr 10, 2025 11:45 AM Pacific Time (US and Canada) ID: 868 9140 8353

Quick recap

Marion discussed the upcoming meeting with the committee chair and the need for cloud recording for meeting minutes, while also sharing a personal experience of encountering a doppelganger. She also talked about the rulemaking process, stating that the groups recognize the need for change within the given timeframe and clarified that the Environmental Quality Commission (EQ) doesn't need consensus from the committee. Lastly, she mentioned the need to set up an executive session to discuss a construction proposal in detail.

Next steps

Brian to set up an executive session to discuss the sewer system construction proposal in detail.

Chris to continue working through the construction proposal for the sewer system.

DEQ to proceed with rulemaking process, considering input from the committee without necessarily achieving consensus.

Summary

Cloud Recording for Meeting Minutes

Marion discussed the upcoming meeting with the committee chair and the need for cloud recording for meeting minutes. She also shared a personal experience of encountering a doppelganger. Marion mentioned that they are working on a construction proposal and there was a discussion about setting up an executive session to discuss it in detail. She also talked about the rulemaking process, stating that the groups recognize the need for change within the given timeframe. Marion clarified that the Environmental Quality Commission (EQ) doesn't need consensus from the committee, and they will make the rule regardless.
