> Bill Burgess, Marion County Clerk 503.588.5041 or 1.800.655.5388 http://www.co.marion.or.us/co/elections

Dear Marion County Voter,

We look forward to receiving your voted ballot. If you have not received your ballot by October 27, please call us at 503-588-5041.

I encourage every person, who is qualified, to register and vote. Please spread the word. You are qualified to register at 16 and vote at 18. After incarceration, all citizens are allowed to vote in Oregon.

Postage is prepaid if you mail back your ballot. Please mail by November 5th so that your ballot will likely be received by the deadline. New this year - Postmark by

Election Day now counts, but only if the post office delivers within 7 days after Election Day, by November 15. Be aware of the last pickup time posted on the USPS box if mailing on Election Day. If the last pickup time has passed, do not mail, use an official ballot drop site or deliver to the Clerk's Office by 8 PM.

If you wait until after November 5th to return your ballot, please use an official ballot drop site instead of the mail to assure we receive your ballot by the deadline. See the list of drop sites on pages 5 through 7 and the flier in your ballot packet.

Check your registration status at www.oregonvotes.gov and update if necessary.

Please be sure we have both your current residential address (and mailing address, if different). This determines which of the 126 unique ballot styles to send to you. You can check and, if necessary, update this information online at <u>www.oregonvotes.gov</u>. Prospective voters with an Oregon Driver License or ID card can also register online by October 18 for this November Election. Alternately, return the registration form in this voter pamphlet to register or update (see page 63).

We verify each signature. If notified by mail of a missing or non-matching signature on your returned ballot envelope, please respond to the letter by mail or come into the Clerk's Office by November 29 to resolve the issue. If resolved before the deadline, the ballot will be counted.

Please sign up today at <u>www.co.marion.or.us/co</u> to track your ballot with text, email or phone alerts. This allows you to know where your ballot is in the process and allows us to contact you quickly if there is a signature issue. We need to match each signature before we can open the envelope to count the ballot.

The United States Postal Service is offering a new service, Informed Delivery, where you receive an email with an image of your mail pieces to be delivered that day. With this, you will know when your ballot hits your mailbox. To sign up for this service, go to **www.informeddelivery.usps.com** (see pages 60-61).

Do you know of someone who, because of reading impairment or disability, needs voting assistance? Please contact us. We offer several options to help people vote privately and independently. Some are listed on page 9. We also offer large print and tactile ballots. This voter pamphlet is available in voice and text on our website. Independent Living Resources, 503-232-7411, will mail this voter pamphlet on CD or cassette tape upon request.

Thank you for helping make democracy work by being informed and voting. You are welcome to observe our election process. Call or visit for details.

- October 18 * Last day to register to vote.
- October 19 * Ballots mailed.
- November 5 * Recommended last day to mail ballot for USPS delivery by Election Day.
- November 8 * Last day to return ballots into an official dropbox anywhere in Oregon before 8 PM.
 - November 29 * Last day to resolve a missing or non-matching signature in time for ballot to be counted.

Sincerely,

Bill Burgess Marion County Clerk

In 2021, the Oregon Legislature passed the Voter Language Access Bill (HB 3021) requiring the Secretary of State to translate portions of state and county voters' pamphlets into Oregon's most spoken languages. The law seeks to remove barriers to voting for those who are not fully proficient in English. The bill's requirements are being implemented for the first time this election.

To help in this effort, the Translation Advisory Council was created. The Council is made up of volunteer community members who represent the ethnic, linguistic, and cultural diversity of Oregon voters. Council members make sure translations are accurate and retain the original tone and meaning in a culturally appropriate manner.

Selected portions of this county voters' pamphlet are available in Simplified Chinese, Korean, Marshallese, Russian, Spanish, and Vietnamese. These translations can be found online at **sos.oregon.gov/elections/Pages/vp-marion.aspx**

Can I Vote in Oregon?

Am I qualified to register to vote in Oregon?

You are qualified to register to vote in Oregon if you can answer yes to the following questions:

- Are you a resident of Oregon?
- Are you a US citizen?
- Are you at least 16 years of age?

If you are not yet **18** years of age, you will not receive a ballot until an election occurs on or after your 18th birthday.

How do I register to vote in Oregon?

To register to vote you can complete a registration card or use the online registration process to provide your county elections official your full legal name, home address, any separate mailing address, date of birth, signature, and valid identification.

The online voter registration process is available at <u>www.oregonvotes.gov.</u>

A Registration Card is available in the back of this voter pamphlet, as well as in any county elections office, some post offices, the Secretary of State's Office, and some state agencies such as the DMV.

What identification do I provide?

You must provide your valid Oregon Driver's License number, Permit or ID number, or a Social Security number. A suspended Driver's License is valid for registration purposes. A revoked Driver's License is not valid.

If you do not have a valid Oregon ID or Social Security number you can find a list of acceptable alternative identification online at <u>www.oregonvotes.gov</u>.

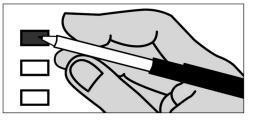

What is the deadline to register to vote for this election?

To vote in the November 8, 2022, General Election, your completed voter registration card must be:

- postmarked by Tuesday, October 18th; or
- delivered to a county elections office or voter registration agency (e.g. DMV) by Tuesday, October 18th.

If you register to vote online, your registration must be submitted by 11:59 PM on Tuesday, October 18th.

Alternate Format Ballot

The Alternate Format Ballot **(AFB)** is a voting tool that is available to voters with disabilities to vote privately and independently if they have access to a <u>computer</u> with a web browser and a printer.

Call 503.588.5041 or 1.800.655.5388 or TTY/TDD 1.800.735.2900 for more information.

Accessible Computer Stations

To accommodate voters with disabilities that do not have access to the required technology to vote the AFB, we have an Accessible Computer Station (ACS).

<u>Please</u> bring the ballot packet you received through the mail with you when using the ACS at the county site.

The ACS is available at:

Marion County Clerk's Office, 555 Court St NE, Suite 2130, Salem. Conveniently accessible to bus service as we are located on the same block as the Downtown Transit Center (Courthouse Square) in Salem.

To avoid delays, please call in advance: 503.588.5041.

Large-Print Ballots

Any voter can request a ballot with larger print if needed. Call 503.588.5041, 1.800.655.5388 or TTY/TDD 1.800.735.2900 to get your request put in place for this and future ballots.

Voting Assistance

Any voter can request assistance from the County Clerk's Office for help with marking a ballot. Call 503.588.5041, 1.800.655.5388 or TTY/TDD 1.800.735.2900 to request assistance.

Marion County Voter Pamphlet

This voter pamphlet is available in a downloadable audio format. Go to our website, **www.co.marion.or.us/co/elections** to download the files. You may also contact Independent Living Resources to obtain the Audio voter pamphlet on CD or tape. Call 1.503.232.7411 to request the voter pamphlet in this media version.

If you have questions about registration or voting, contact the Clerk's Office: 555 Court St NE, Suite 2130, Salem Phone 503.588.5041 or 1.800.655.5388 (TTY/TDD line at 1.800.735.2900) Fax 503.588.5383 • E-mail: <u>elections@co.marion.or.us</u> Website: <u>www.co.marion.or.us/co/elections</u>

Voting Instructions

Review the Ballot Packet

It should contain at least the following items:

- Printed ballot
- A pre-addressed return envelope
- Secrecy sleeve
- Insert for Ballot Drop Sites

If any items are missing, contact Marion County Clerk - Elections.

Important Ballot Information:

If a ballot has been delivered to your address and it is addressed to <u>someone who does not live at</u> <u>your address</u>:

1. Mark through the address like this:

2. Return to your mailbox, post office or letter carrier.

Notify Marion County Clerk's Office <u>Before</u> Voting The Ballot Delivered To You If:

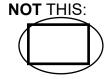

- Your name is different than that on the label; or
- Your residence address has changed; or
- You have added, deleted or changed a mailing address.

To make sure your vote counts:

- Use a black or blue ink pen.
- Completely fill in the box to the left of your choice.
- To vote on a measure, complete the box next to either the "Yes" or "No",

LIKE THIS:

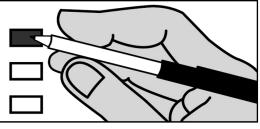

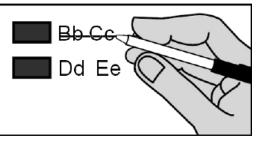

To Vote:

Use a black or blue ink pen to completely fill in the box to the left of your choice.

To Correct a Mistake:

Draw a line through the entire measure response or candidate's name. You then have the option of making another choice.

To Vote a Write-In:

To vote for a candidate not printed on the ballot, fill in the box provided to the left of "Write-In:", and print the first and last name of your choice on the line.

Important to Remember: Your Return Envelope must be Received by 8 PM Election Night or postmarked by November 8th or it will not be Counted.

SAMPLE BALLOT • November 8, 2022 • General Election

This sample ballot is a composite of all contests and measures appearing on ballots in Marion County.

Not all voters will vote on every office or measure.

If you have more than one candidate filed for an office on your ballot, you may notice that the names do not appear in alphabetical order as might be expected. A "random alphabet" is drawn by the Secretary of State for every election which determines the order in which the names of candidates will appear on the ballot.

The alphabet for the November 8, 2022, Primary Election is as follows: Y F O G Z C M V R K S P Q E B W N A U I X J L T H D

Remember: Ballots will be mailed beginning October 19th.

You no longer have to find a stamp.

With prepaid postage, you no longer have to search for a stamp to mail back your voted ballot.

All ballots to Oregon voters now include a prepaid postage return envelope.

How does it work?

If you return your voted ballot by mail, the Post Office will charge the State of Oregon for each ballot returned to an Elections Official.

Only those ballots sent back through the mail will have postage charged to the State.

What about Drop sites?

Using one of Marion County's 25 drop sites is faster and will reach us before the deadline.

No postage is charged to either the state or the county if your ballot is returned in a drop site.

You can find a list of drop sites on pages 5-7.

Postmarks NOW count!

IF your ballot is postmarked on election day or before and...... Your ballot arrives in our office within 7 days after election day and...... You have signed the oath on the ballot and...... Your signature matches the signature that is on your election file in our records.....

Your Ballot Will Be Counted!!

Return your ballot.

- By mail (only if Postmarked on or before November 8, 2022)
- At any Official Ballot Drop Site (see list at pages 5-7)
- At the County Clerk's/Elections Office: 555 Court St NE, Suite 2130 (2nd Floor)

Occupation: Volunteer: Northwest Land Conservation Trust; Salem Parks-building trails and maintaining parks; Mission Street Conservancymaintaining Bush Park's gardens; South Central Association of Neighbors; Salem Leadership Foundation; Salem Harvest

Occupational Background: Project Manager with: Oregon Department of Forestry (FERNS-E-notification); Oregon Department of Transportation (Newberg-Dundee Bypass); David Evans and Associates; ICF International; Jones and Stokes; USDA Forest Service on six National Forests, fighting fires and preparing timber sales with four years managing 350,000 acres on Umatilla NF; Published NW-recreation maps; Author-*Mountain Biking Oregon.* Volunteer EMT; Past president and board member: Salem Audubon Society, Society of American Foresters

Educational Background:

BS in Resource Conservation, University of Montana; Graduate studies in forestry, economics, and systems science at Universities of Minnesota, Oregon State, Washington, and Portland State

Prior Governmental Experience:

Salem Parks and Recreation Advisory Board; Past president and board member SCAN Neighborhood Association

I want to be your commissioner:

- To **restore comprehensive reproductive health care**, helping avoid unwanted pregnancies. My opponent, former Political Director for Oregon Right to Life, thinks government should control a woman's pregnancy.
- Because as a fire-fighting-forester, I know what we need to do reduce the number and damage of wildfires.
- Because we need a compassionate and comprehensive approach to our homeless crisis. Chasing the homeless from place to place isn't a solution. Enable the volunteers willing to help.
- Because climate change contributes to our catastrophic fires, deadly heat waves and droughts, yet the county isn't addressing it. We need to demonstrate how to thrive sustainably.
- Because fiscal responsibility diminishes when all commissioners think alike and no one questions priorities or expenditures. Let's be more transparent by holding meetings in the evening and around the county.
- Because our county can improve emergency response and rural services by investing in community solar (power during blackouts and revenue) and Wi-Fi.

Keeping our Communities Safe

- Expanded jail capacity, ensuring 50 new jail beds will be open by July 2023.
- Approved expanded public nuisance ordinance to fight drug houses in Marion County
- Expanded the Law Enforcement Assisted Diversion Program to help folks struggling with addiction while ensuring accountability
- Approved Oregon's first Traffic Safety Corridor in North Marion County on McKay/Yergen/Ehlen Roads

2020 Labor Day Wildfire Recovery

- As County Chair, successfully led Marion County through the Beachie Creek Wildfire response, providing shelter to over 1,000 county residents and 1,400 animals
- Approved \$2.7 million in property tax rebates for residents who lost their homes during the fire
- Cut red tape and expedited the building permit process so fire victims could rebuild their homes
- Organized the Marion County Housing Initiative to promote new housing and ease escalating rents and home prices

Finding Solutions for Homelessness

"Colm Willis has been a leader for our community in tackling our homeless crisis here in Salem. He has kept us focused on treating our homeless neighbors with compassion while also holding individuals accountable when they commit crimes on our streets. We would not have made the progress that we have without his leadership."

Transparency and Advocacy.

I have lived in Gervais for over 25 years and have been an active member of our community. From being a participant in my church, to just being a friendly neighbor and helping those in need, I have dedicated a large portion of my life to this community. Being a mayor these past two years has taught me many lessons, and I have had the great honor and privilege of representing this community. I love it so much. During my time I have encouraged civic engagement in Gervais, and I have promoted transparency and open communication with all my constituents. So, in that spirit I would like to share my three ideas that I believe would make our community stronger and better.

- I am passionate about keeping the cost of living low and that starts by lowering city taxes and cutting out unnecessary spending. Giving our community a chance to afford better for our children.
- I want to continue the promotion of community involvement in our government. YOUR voice is the most important in our city government.
- I want to continue creating and bolstering community resources based around the needs of our citizens.

Occupation: Aviation Maintenance-Lead Operational Support Engineering Specialist

Occupational Background: Proudly served our nation as a United States Marine for 12 years as a helicopter mechanic and supporting humanitarian efforts worldwide. After being honorably discharged in 2000, I

have worked for the same aviation company over 22 years holding multiple management and leadership positions throughout my blessed career.

Educational Background: Graduated from North Salem High School; Certified Federal Aviation Airframe & Powerplant License holder, and a graduate of both Marine Corps Non-Commissioned Officer and Staff Non-Commissioned Officer Schools.

Prior Governmental Experience: (none provided)

My family has the privilege of living in Gervais for over 15 years now with three of our children proudly graduating from Gervais High School. The warm, friendly, and wonderful small town feel of our community is what makes it great. The people are the reason I volunteer as much as I can for community or city events that focus on all residents.

I am running for Mayor to promote a positive, no-nonsense approach to our cities politics. Encouraging nonbiased cooperation with our residents, local schools, police department, fire department and businesses to help make Gervais a safe, familyoriented community that works together, breaking down barriers and building a better future for all.

Shrinking budgets, higher cost of living, the pandemic, and all the negative outside influences humanity was bombarded with over the past few years has been exceptionally difficult for us, our families, and our community to experience. However, I believe all of Gervais coming together, using effective and open communication, focusing on equality, civil rights, and emergency preparedness with a commonsense approach to progress, stability and growth is how we can and will move forward as one.

Seattle Community College with a focus on cutlery. I completed culinary school in 1982.

Prior Governmental Experience: I was on the city council from 1994 to 2020. I chaired the Fourth of July Committee & hold a pyrotechnic license for the celebration. As a council member, I attended budget committee meetings & goal setting sessions.

My name is Michael (Miguel) Gregory. I've resided in the area a lot since 1974. I've had the honor of serving on the city council for twenty-four consecutive years. As a council member, I do my best to look out for the good citizens of Gervais. I believe that our funding should be planned for the biggest benefit of the community & that we need to do our very best to reduce wasteful spending. Family values should be our forefront. We have a property management business, providing clean & affordable housing for our local residents. I am both blessed & grateful to have been wed to my biggest supporter for twenty-eight years. I have one daughter & four grandsons. I enjoy the outdoor life, as well as family activities such as bowling & cooking. I have a small business catering in which I enjoy cooking, socializing, & making events successful. I look forward to serving this community to the best of my ability. I appreciate your vote of confidence.

Educational Background: Bachelor of Arts, Pacific Coast Baptist Bible College

Prior Government Experience: Jefferson City Council (2017present)

Hobbies: Hiking, walking, photography, and writing

History: My family moved here twelve years ago with our youngest child graduating from JHS. We have worked and volunteered and have fallen in love with the people of Jefferson.

Public Safety - Our staff and volunteers who serve with police, fire, and ambulance services have been challenged by Covid as much as anyone. We need to do what we can to make sure they have the personnel and equipment to do what we've tasked them to do.

High Speed Internet - The internet has become a necessity in education, security, business, and government. It is vital that our citizens have affordable access to reliable internet services for their learning, safety, and up-to-date knowledge.

Citizen Involvement - I feel privileged to have spent time with those who have made this city what it is. The City of Jefferson is truly a city of volunteers. The people of Jefferson accomplish great things and have wonderful ideas to make improvements for our city. Our local government would be wise to listen.

Pride in our city - The City of Jefferson is proud of its heritage, and rightfully so. This is evident in our museums and other historic sites, as well as our businesses. I want to do my best to make sure that the City of Jefferson is a great place to call home. I'd like to continue with you for another term as city councilor in reaching toward an even brighter future.

I would appreciate your vote for Jefferson City Council

- Mid-Willamette Area Commission on Transportation (vicechair since 2008) Personnel Policies Committee
- Budget Committee (since 2002)
- Mid-Willamette Homeless Alliance and ORS 190 Board Chair (since 2020)
- Boards of Directors: Mid-Willamette Valley Council of Governments (2018-2019 Chair), SEDCÓR
- League of Oregon Cities policy committees transportation and community development, Women's Caucus
- Oregon Mayors Association resource committee

Keizer landed on our feet after the series of challenges and difficulties we faced during the last two years. And we are moving forward as a community.

After a national search, we hired Adam Brown as our city manager. He and the city staff, along with the Keizer City Council team, have been tackling the work to continue to improve efficiency, service, safety, and opportunities for and with the people of our city.

Upcoming projects such as the turf fields at Keizer Rapids Park will be a collaboration of people throughout our city to build, and will benefit people of all ages with outdoor sports and recreation space. Innovative planning by our staff and Planning Commission created the River-Cherry Overlay District that makes redevelopment easier with results that make Keizer even more livable.

In addition, the Council members and I remain very involved in our regional organizations so we can make a positive difference in the Mid-Willamette Valley. Whether it is business, transportation, housing and homelessness, parks and recreation, we are stronger together.

I would be honored to continue serving you as the Mayor of the city of Keizer, a city that lives out Pride, Spirit and Volunteerism every day.

Thank you!

A 20 year Keizer resident, I've spent my career in the hospitality industry, where the guest is our number one priority. This dedication to service is the heart I'll bring as your next City Councilor. We need to ensure <u>all</u> residents have the opportunity to participate in the business and future of our city, and I will work to make that happen. Soraida

Soraida's Priorities:

- Investing in services to keep our children, residents and businesses safe
- Addressing issues impacting our city's livability through compassion and accountability
- Ensuring our city's infrastructure is reliable and ready for natural disasters

"I've known Soraida for a number of years. She's worked tirelessly on a number of projects, mostly for the underserved at risk children, her organizational skills and follow-through are the standard for leadership."

Dick Withnell, Community Leader & Philanthropist

"I've watched Soraida serve our most vulnerable children and families in the child welfare system as a CASA volunteer over the last 2 1/2 years. Occupational Background:

Licensed Funeral Director/Embalmer; Insurance Agent; Funeral Preplanning Specialist

Educational Background:

Pendleton High School, San Francisco College of Mortuary Science.

Pior Governmental Experience: Keizer City Council, Nov. 2018 - present

We are blessed to live here in Keizer! One of the ways I give back is by serving on the City Council. I would like to continue this service by seeking your vote in November for an additional term.

Serving on the Council kindles awareness of the many volunteers we have in our community and the great work they do to make improvements for Keizer. It humbles me to be part of such an amazing team effort. I love reminiscing about the work the council has accomplished the last four years especially considering all the challenges placed before us including fires, covid, ice storms and more.

This year Keizer celebrates 40 years as a City. When we look around at other cities, in Oregon and around the country, we should all be proud we can say our mix of volunteerism and cooperation has created a place worthy of passing on to future generations. Keizer's professional staff work very hard to keep our city services safe and functioning. We are fortunate to have them.

I am grateful for the endorsement of our past mayor Lore Christopher; our current mayor Cathy Clark; city councilors Kyle Juran, Laura Reid, Elizabeth Smith, Shaney Starr; and the Keizer Chamber of Commerce along with many other residents of Keizer.

Your continued support is greatly appreciated as we strive to work for our entire community.

Justin Roney

Occupation: Small Business Owner; Willamette Law Student

Occupational Background: Entrepreneur; Small Business Advocate

Educational Background: B.A., Business, Pacific University; J.D. Anticipated 2023, Willamette University

Prior Governmental Experience: None

Family: Married to Alicia Roney with 2 kids

BUILDING ON MT. ANGEL'S SUCCESS

Raising a family takes work; it also takes support from the community. That support comes from having a city with a strong base of business involvement and local jobs, fellowship with neighbors, safe streets and parks, and affordable housing opportunities.

After noticing a need for more workforce daycare, my wife and I opened a licensed daycare facility which has been well-received in the community. It has brought to my attention the need for more support for small business and working families. As a Mt. Angel resident, I'm ready to give back to this community which has offered so much to my family.

I'm asking for your vote to make the "Bavarian Charm" we love in Mt. Angel a better place.

PRESENT - HONEST - OPEN TO LISTEN

As our next Mt. Angel City Councilor, my commitment is to be present in our city, deliver honest assessments of what is happening in local government, and be open to hearing opinions and concerns from neighbors.

Next year, I'll complete my J.D. from Willamette University. My knowledge of business and the law will bring a more robust level of leadership and decision-making to some of the most important questions facing our city.

FOCUSED LEADERSHIP

I plan to make an impact by:

- Reducing city speed limit to make our streets safer;
- Increasing community revival/clean-up days:
- Supporting public safety and preventing homelessness; and
- Exploring options for more affordable and workforce housing.

Mount Angel's potential is endless. As a strong small business advocate, I know we can continue to move the Council forward towards a bright future.

If you have questions, please call me on my personal cell at 661-565-5433.

"I would appreciate the opportunity to serve you as City Councilor!"

Prior Governmental Experience: None

Mount Angel provides a quality of life that only a small, tight-knit, community can. It is where my wife and I chose to build and raise our family. I believe in this town and want to protect it and those qualities we all enjoy.

I believe Mount Angel needs proactive, strategic investments into infrastructure and services. The extensive background I bring with publicly funded project management can help achieve these goals. Goals that will be reached with foresight and commonsense budget approaches, not wasteful spending and large bond requests. Water quality, sidewalks, streets, and our local parks are all areas I will strive to improve while ensuring public works and police have the resources to do their work efficiently.

I want Mount Angel to remain clean and inviting to new local business while ensuring new business and development align with the values of the community. Municipal codes and zoning regulations must be reviewed and kept up to date to accomplish this and protect the community. The city should take opportunities to work with agencies and landowners, and consider alternate contracting methods, to ensure maximum value on public projects. The council should be a proactive voice for the needs of the community, work to strengthen our town's identity beyond Oktoberfest, and provide opportunities to residents and local businesses year-round.

Community Involvement:

I was born and raised in this lovely community. Living in Mount Angel all of my life I have seen what wonderful people this town is made up of. My goals as city councilor are to listen and bring fresh ideas to keep improving our community. I believe my career as a small business owner will give me the experience I need to help relate and improve the needs our businesses may need in this community. Being conservative on money spent while still listening to improvements and ideas needed to help enhance our community is something I strive to do. Continuous improvement in our city is something I hold close to me and I will ensure it happens in my time if reelected as city counselor.

Educational Background: University of Oregon, B.A., Mathematics

Prior Governmental Experience: South Gateway Neighborhood

Association, past board member

Community Service: Salem-Keizer Schools Parent Volunteer; MOMS Club of South Salem, past board member

Caring, Capable & Community Based

A longtime resident of Ward 4, Dynee knows the importance of advocating for neighborhood interests. Raising two children here, she values safe neighborhoods, safe routes to schools and safe places to play. An accomplished professional who's run her own business, she knows the value of innovative, independent thinking and accountability.

Dynee's priorities are:

Homelessness and Affordable Housing

- Support increased coordination of social services and safe managed shelters.
- · Encourage more affordable housing and a variety of housing choices.
- Continue Community Sanitation Team to help keep Salem clean.

Safer, Livable Community

- · Attend to neighborhood concerns about unsafe traffic conditions.
- Improve bikeways, sidewalks and crosswalks.
- · Increase policing capabilities and add new Fire Station in Southeast Salem.
- Add Branch Library in Ward 4.
- Keep increasing tree canopy.

Practical, Accountable Government

- · Pursue evidence based solutions and adopt Performance Auditing.
- Focus on expanding businesses we have and making it easier to start new ones.
- Select doable, practical strategies to implement Climate Action Plan.

Listen, Then Do

Dynee gets her priorities from neighbors in Ward 4, not from narrow special interests:

"I am passionate about being a voice for Ward 4 neighbors. I will listen to them, help bridge divides, and advocate for their desire for a safe, livable community with a vibrant economy, now and in the future."

City of Silverton Mayor

Jason Freilinger

Occupation: Financial Services Officer, Maps Credit Union

Occupational Background: 30 years, Marketing & Sales Management; 7 years, Owner of Odd Fellows Games & Electronics/ RadioShack

Educational Background: Portland State University, BS Marketing; Silverton High School

Prior Governmental Experience: 10 Years, Silverton City Council; 1 year, Silverton Planning Commission

I am running for Mayor because of my commitment and passion for Silverton. In addition to being committed to family, my life's aspiration was not only to live in Silverton but to also serve this amazing community. I am honored to have served on City Council for the last 10 years.

Those of us privileged to live in Silverton today are the stewards of Silverton's future. As a community, we need to build a vision of Silverton's future and put the plans in place to make it happen. When we make plans and decisions as an all-inclusive community, we build a better city for all that we can be proud of.

While on council we have planned and saved to make good things happen like McClaine Street, The Civic Center, a water treatment plant, and more. I will be proactive in following through on the plans the community and council have already made.

We are at a pivotal time as the city has been saving money to improve and expand our parks. Now is the time to build more trails and amenities we all can enjoy.

The downtown is the heart of our community. The city has put funding in place for us to make much-needed investments in the downtown. My vision for downtown is one that preserves our history while having safe sidewalks and encouraging more outdoor community activities.

I will be a mayor that constantly seeks input from all in the community. I will be a mayor of action that will strive to build consensus and follow through on making what the community wants, happen.

I ask for your vote for Mayor.

Prior Governmental Experience: recently elected PCP

My name is Makai Brusa. I'm a native Oregonian. I'm a husband and a father. I never thought I would be running for a position of office, I'm not a politician just a concerned resident who wants to serve the community by bringing a fresh and positive new voice to the city council. I've been running a non-profit organization, Project POOCH, within OYA for the last 9 years. People who know me will tell you that I'm an excellent team player, great communicator with the ability to bring people together to work towards common goals. I'm running for Silverton City Council to make sure that all residents have a larger-scale voice in city matters and to ensure that the Council supports the needs of our residents and businesses. I'm not afraid to ask tough questions and yet, I'm responsive to the concerns and criticisms of others. My work and life experiences proves my track recorded to dedication and hard work. I'm looking to preserve our quaint town and protect our residents from bureaucratic overreach. I believe the purpose of City Council is to serve the community as a whole, and I will be diligent with my elected position to represent the citizens of Silverton. Thank you for your vote of confidence.

Educational Background: Silverton High graduate; BS Portland State University; M.Ed. Southern Oregon

Prior Governmental Experience: Silverton Budget Committee 2017 - present; SFSD Long Range Facility Planning Committee 2019-2022

I grew up in Silverton and happily moved back to raise my family. I believe in community engagement; I have spent years volunteering in our schools. Now, as my youngest graduates from SHS, I am seeking this opportunity to volunteer for our city.

My goals for serving include --

- Preserve and develop infrastructure: In my time on the city budget, I learned the necessity for thoughtful planning and prudent fiscal decisions. Our water, sewer, streets, parks, and police department require thoughtful attention as our town grows.
- **Plan for future growth:** We need to connect our neighborhoods with cohesive sidewalks, bike lanes, and walking paths. Additionally, city government plays a key role in supporting our downtown core. Silverton businesses deserve support to preserve and strengthen our vitality.
- Hold respectful and civil discussions: As a council and as a community, we must be open to differing opinions. Silverton needs councilors that can compromise and work as a team.
- Informed decision making: I value community feedback, research, and education.

In my vision for Silverton, we are a community where everyone has the opportunity to thrive, where all people can live safely and affordably. I love that Silverton is always a community that comes together in need and celebration. Our town loves a good parade, fun festivals, great live music, and when disaster strikes; neighbors help neighbors, every single time, all across town. I want to carry that sense of community, compassion, and openness into my time on the council. I will always listen to community members and my fellow councilors when making decisions for our town.

I ask for your vote to serve the city of Silverton.

Educational Background: Master of Education from Oregon State University; Bachelor of Science from

Prior Governmental Experience: None

I moved to Silverton in 1989 when hired as a first-year teacher at Butte Creek Elementary School. I immediately recognized something special and unique about this town, fast forward 33 years. I raised my two children, continued my career as a teacher, and taught hundreds of students. I still believe Silverton is a unique and special place to live.

As the "Voice of the Foxes" (no one can replace Elmo), I see past students remain in this town and raise their families. People stay in this town because of what it has to offer; being a part of the Silverton City Council allows me the opportunity to make the next generation experience the same opportunities.

I have served as the Silver Falls Education Association President, Department Coordinator and facilitated the Educator Effectiveness Grant. Each responsibility required leadership and teamwork. I am also on the Board of Directors for the Everyday Warrior non-profit organization, who financially supports CrossFit individuals battling cancer.

My vision for Silverton is to continue to support programs and citybased decisions that help our community, benefit local businesses, and promotes quality livability in a small-town setting. I support programs and decisions that strengthen young families, keep businesses open, and support seniors.

If elected, I would work hard to make sure my contribution to the City Council is valuable, informed, and directed towards the future of Silverton. I am a critical thinker who looks at balancing measures and anticipates the unintended consequences when making decisions.

I feel the City Council sets the tone for our community. When the City Council can handle differing opinions in a respectful manner and focus on the common good, everyone wins.

Gregg Harris

Occupation: Owner of Silver Falls Terrariums, Silverton, Oregon

Occupational Background: Owner of Roosevelt's Terrariums, Portland, Oregon

Educational Background: University of Dayton; Wright State University, Junior

Prior Governmental Experience: None

I am running for the City Council of Silverton in order to serve my community in this last season of my life. I hope to bring common sense to the operation of our city government in order to solve our small town challenges by mobilizing the strengths of our small town advantages.

I am a moderately conservative man, the owner of a small terrarium shop here in Silverton and an active participant in my local church. I believe in the idea that ordinary citizens with life experience can best represent their their community as a guard against the narrow agendas of special interest groups. As the Vice President of the Silverton Mural Society I am intently aware of how much work it takes to get things done, and then what it takes to maintain it.

We have a lot of good things going for us here in Silverton. We have a rich historical legacy we can be proud of (I happen to own and live in the June D. Drake House). But because of what has been done so well in the past, rapid growth is bound to happen more quickly in the near future. We will be overwhelmed by that rapid growth if we do not chart a clear, common sense course to deal with it before it happens.

I would like to help guide and pace that growth for the good of our entire community, and not just for the developers and corporations that are already knocking on our door. As a city we can hold on to the best of our past while still embracing the benefits of healthy growth in the future. But in the present we must make the hard decisions that accomplish both. Thank you for your vote.

I moved to Silverton in 2009, after making a wrong turn while looking for a rental house in Woodburn. We found a house in Silverton instead and my family and I have been here ever since. Best wrong turn I have ever made. I was honored and humbled to be asked to run for this seat by folks in our community that I hold deep respect for. I love our little town and love that my children have grown up here with the same kids they started daycare with at 2 years old. Those kids and all the kids coming behind them, will always be a main focus of my decision making as a City Council Member. I want those kids to grow up in the community that I have come to know and love, where we help each other as neighbors, regardless of ideology or political leanings. I will always look out for the underdog. It's just part of who I am, and I believe that folks who are trying but slipping through the cracks, should be watched out for. I have no agenda other than to help and no intention or desire to become a career politician. As my kids finish their school careers in Silverton, I can't think of a better way to pay back the town that has given us so much, than devoting the next four years to serving the community my family and I love. I thank you for your time and your vote and look forward to meeting you.

City of Stayton Mayor

Ten years on Stayton City Council; Charter Review Committee; Five years on Stayton Parks Board

Some candidates for office offer slogans, I offer sincerity. I'm running for mayor because our community's unique character as a safe and family-centric town is on the verge of being lost to big city issues that come from urban creep and our ever-dwindling loss of self-governance (home rule). Over the last 10 years, I have served Stayton as both an elected and appointed city councilor.

Occupation: Program Manager, State

Occupational Background: Fleet Manager, EAN Holdings, LLC

Prior Governmental Experience:

Educational Background: B.A. University of New Mexico

During my tenure on the council, I have watched Stayton struggle and succeed. I have witnessed the community come apart at the seams and just as quickly coalesce for the greater good. It's one of the defining characteristics that make Stayton a community worth investing in. It's the reason so many families have deep roots here. It's the motivating factor for my desire to be your next mayor.

As mayor, my commitment to the community is forward facing representation. I will strive to be as accessible as possible and represent the city's interest when collaborating with other government agencies and the community at large. When presiding over council meetings, I'll ensure the council listens to Stayton **residents** first and foremost, adheres to formal rules of order and understands the agenda topics prior to the meetings. I won't shy away from the expectations of the role of mayor.

Over the last decade, I have tried to be fair and objective in my councilor role. I made a concerted effort to understand the issues and the impacts my vote would have on the community before making decisions. If you found value in my leadership and have faith I can continue to lead as mayor, I'd be honored to have your support. Thank you for your consideration.

Prior Governmental Experience: Stayton City Council and Budget Committee (2019-2022)

It has been an honor to serve our community the last four years. Thank you for all that supported me! I appreciate the hard work it takes to make our community a wonderful place. My goals and values remain the same with a little more focus.

My commitments:

Maintain and Improve Infrastructure: Creating safe streets for drivers, bicyclists, and pedestrians, and continuing efforts to revamp streets and sidewalks while finding creative ways to get funding to upgrade and maintain sewer/water systems.

Encourage Community Input and Engagement: Communication and working together is key. Comments, concerns and suggestions are always welcome- I work for you and want all residents to be heard. Also, there are several open positions on boards and commissions for residents looking for ways to be involved.

Strengthen Local Economy: Focus on marketing our great qualities to attract tourism. Work with existing and new businesses to keep our dollars local and build out our industrial zone to attract companies that can bring more local jobs to the area.

Public Safety: A challenging issue is how to be compassionate while maintaining public safety. Finding creative ways to combat crime is paramount and it is a priority to find solutions that keep our community safe.

I have a passion for helping others and I am not afraid to stand up for what is right. I am committed to creating a community of which future generations can be proud. It would be a privilege serve again.

David's Priorities:

Stayton is my home - it's where I was born, raised, and where I've started my family. I'm running to ensure Stayton is a thriving town where our values are celebrated, our kids are safe in the front yard, and our entrepreneurs can easily grow a business. I'm running to represent and defend our conservative small town way of life and encourage careful growth that maintains that identity. Together, we will build on what's best about our community and ensure Stayton is a place where our kids will want to raise their own families. Here's where I'd start:

- Common Sense Solutions to Homelessness
- Strengthen Public Safety
- Improve our Roads and Neighborhoods
- Encourage Home Ownership
- Increase Public Access and Participation in Local Government
- Openness to Local Business & Industry

Endorsed by Community Leaders We Trust:

"Stayton is my home and I want to see our small town thrive. It's more important than ever that we have men and women in our local government who will support and fight for our values and future. My priorities are public safety, improving the environment for businesses to thrive, infrastructure improvement, a parks and recreation system that is top tier for a community of our size, and a school system that will allow our children to be successful.

operator)

I am a Navy veteran and retired Navy Commander. I am a proven and successful leader that has the skill sets to be a member of the City Council.

Advocate for Stayton:

I was born in Stayton and grew up between Stayton and Salem. My maternal side of the family is the Stayton family. My commitment to this community has very deep roots.

As a member of the City Council I will be an advocate for the citizens of Stayton and for the greater good of our community. I believe in reasonable taxation that supports improvements to our city streets, improvements to our parks that make Stayton a more livable community, and a library and swimming pool that our community can enjoy.

Advocate for public safety:

I truly believe in supporting our law enforcement officers in our community. Safety and a low crime rate is paramount for a successful community. I will always make our law enforcement professionals and safety of the community a priority.

Quality schools:

My wife and daughter are both graduates of Stayton public schools. We have a fabulous school system in our city. I will give my full support to Stayton public schools and our teachers and administrators. They are the people at the deck plate level educating our children and preparing them for the future.

I humbly ask for your support and would be honored to receive your vote.

AA in Criminal Justice.

Prior Governmental Experience: Current Stayton City Councilor (2019-current), former AFSCME Labor Union Local 896 President and 2018 Stayton Budget Committee member.

The City of Stayton needs steadfast leadership, with a vested interest in this community's future. I have two young children and want them to be proud to live here. My wife and I continue to teach them the value of living in a small town, with our root beliefs in the Christian Faith. In 2012, I concluded my military service, and my wife and I knew there was nowhere else we wanted to raise our children, but Stayton.

Citizens of Stayton, I wish for the opportunity to continue this volunteer work. I and other budget committee members faced opposition this year, to funding police officers and I wish to ensure staffing levels are maintained or increased. Stayton also has a number of public works projects, which will require grant and other types of funding. As a current Councilor, I have continued to ensure we are on a trajectory to receive funding for local projects to improve the City's infrastructure. I want to continue improving the City's livability.

To do this, we need Stayton's citizens to continue attending Stayton City Council Meetings and providing their input to guide the Council. It is the only way for us to be successful in pursuing the right outcomes for Stayton through local control. Please vote for me and afford me the opportunity to continue serving Stayton as a City Councilor.

Steve Horning

Occupation: V.P., Business Relationship Officer with Peoples Bank

Occupational Background: My occupational background has always been in banking starting in 1977.

Educational Background: Many banking related courses over the last 44+ years; Bend High School

Prior Governmental Experience:

Turner Mayor; Turner City Council; Turner Budget Committee; Turner Urban Renewal Committee Chair

PLEASE TAKE A FEW MINUTES TO VOTE AND I HOPE YOU CONSIDER VOTING FOR ME. As your current city Mayor, I believe in supporting long-term goals to sustain the livability of Turner.

My wife Susan and I built our home in Turner in 2013 moving from Keizer where we had lived since 1986, raising our two daughters.

Volunteerism in our communities and civic organizations is something in which Susan and I truly believe. I want to share my experience and common-sense business knowledge with the City, the council and other organizations. Some of the current leadership roles in which I am involved include Salem Downtown Rotary Club member, Salem Chamber of Commerce member, SEDCOR Board member and First United Methodist Church Finance committee.

Turner business is growing. Great news is we have been in negotiations with Santiam Hospital to bring a clinic to Turner. They have purchased land and the process has begun. We are adding more public and family centered events including our 4th of July celebration and fireworks display, the Turner Taco Tour, Turner Celebration, Lamb festival and Parade, among other smaller events. Turner Lake Park is extremely popular during the summer and we continue to add amenities as time, money and staffing allow.

Thank you for your consideration.

The first word for The City of Turner this election season is Grateful. I am thankful to have served this lovely little City for the past eight years. Doing research as a Board Member of Yesterday in Turner Historical Society, I discovered that my Granddaughters were related to the McKinney Family who helped found this little jewel in Marion County. This gave me even more affection for the City of Turner. Positive input directed for careful growth, but with the heart of a small friendly community, continues to be one of my goals. Beautiful productive farmland almost surrounds us which we need to celebrate through our Turner Days and Turner Lamb Show. Sponsoring a float plus my Granddaughters showing lambs have been my contributions. I advocated to develop Turner Lake to be a retreat for our own citizens with an ongoing plan to make it run more smoothly. On the next few years agenda, I hope to help guide wise Urban Renewal in our downtown area. Turner Citizen safety is paramount by keeping our Police Department positions filled. Thank you for your vote so I may continue to help make Turner one of the most desired towns in Oregon.

City of Woodburn City Council - Ward 3 (III)

Robert Carney

Occupation: Engineer

Occupational Background: Portland General Electric - Electrical Engineer

Educational Background: BSEE and MBA

Prior Government Experience: Woodburn City Council

- One major responsibility of a City Councilor is to propose, evaluate and vote on Policy issues.
- Policy decisions frequently involve discovering the fine balance between a City's property tax policy, optimum urban growth and transportation needs. Residential properties are heavy consumers of City services -- Police, Water, Sewage etc... Industrial properties often pay greater property taxes while consuming less City services.
- Encouraging a discrete mix of Residential and Industrial development is the wise path and frequently results in longterm property tax base stability.
- When first elected to the Woodburn City Council I understood this phenomenon and began the effort to expand our Urban Growth Boundary to attract new Industrial growth in dormant areas, both inside and surrounding our City. We were successful and that success provided our next major challenge - encouraging the production of living units for new employees and upwardly mobile growth for current residents called-upon to staff these new facilities.
- We attacked this growth challenge by hiring additional Planning Staff, automating our permitting process and offering a welcoming face to new living unit developers.
- A major Corporation is building their facility on one segment of that new industrial zone - additional Industrial Corporations are examining the remaining sites.
- The first Corporation's promise of 1800 full-time, living wage jobs is now backed-up by over 1500 newly constructed living units, with another 2500 in the planned/ pre-construction phase, to accommodate our city's additional housing needs.
- To deal effectively with this growth we began by overhauling our Woodburn Development Ordinances and our Transportation System Plan to better handle this challenge. We continue to manage this ongoing effort; however, it must be done effectively for all citizens of Woodburn to thrive.
- Please return me to the Woodburn City Council to continue this important work.

Occupation: Attorney at Garcia Hayden Law

Occupational Background: Attorney at the Oregon Law Center 2020-2022; New Hope Immigration Services 2016-2020; U.S. Navy 2009-2016

Educational Background: Law Degree - UNT Dallas College of Law; Bachelor of Science in Criminal Justice - Brandman University.

Prior Government Experience: United States Navy - Master at Arms (Military Police) June 2009-September 2016; Board Member of the Woodburn Downtown Association.

Personal: I have been married to my husband Steven for 11 years. We have three boys, ages 10, 7, and 5.

I have spent most of my adult life trying to give back to my nation and community. After serving seven years in the United States Navy, I attended law school where I spent my free time working at a non-profit, providing legal services to low-income individuals. After passing the Oregon bar, I began working for the Oregon Law Center and recently opened my own law practice here in Woodburn where I have continued to focus on helping others.

As a former police officer and criminal justice major, I am committed to public safety. I will work diligently to ensure that we have a greater police presence in our community to reduce crime and promote safety. I want Woodburn to continue being a great place to work, live, and raise a family.

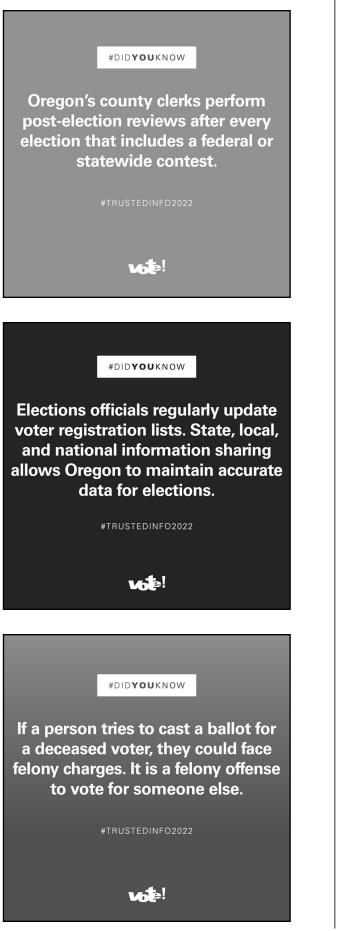

Woodburn is a beautifully diverse and vibrant city. I am proud to have married into my husband's family who has lived in Woodburn for nearly 50 years. I will work hard to responsibly maintain neighborhood livability as our city grows.

Please vote Azanet Hayden for City Council.

COMMUNITY, CAPABLE AND CULTURAL

Born in Portland, raised in Salem with a heart for Woodburn. I have been an engaged Woodburn community resident since 1997. I am a member of the Woodburn Foursquare Church, served as the Woodburn High School Resource Officer for almost 15 years and a supporter of local community organizations such as Kiwanis, Rotary, Woodburn Proud, Love Santa and the Woodburn Chamber.

Why is this important? Because it has provided me the opportunity to know the heart of our community, the people, the business, and leadership. This has provided me insight into areas we need to strengthen as a community, such as:

- Infrastructure: To assess our current infrastructure (roads and highways, emergency services, community resources and business development) and develop a plan to not only maintain what we currently have, but establish a longrange plan to improve and sustain it.
- 2. Business Development and Community Services; enhance growth to the eastside of our community.
- Emergency Services and Community Policing Ensure our emergency services and first responders are staffed and equipped to meet the needs of our growing community.

If elected Mayor, I will work hard to build collaborative partnerships to address the challenges and opportunities this community faces. An old Spanish saying states, "In Unity There Is Power". Let us unite to accomplish the changes needed in our community. I would be honored to earn your trust and Vote. Respectfully, Rick Puente

Occupation: Retired

Occupational Background: Nonprofit Volunteer; 35 years in social services and educational field

Educational Background: Portland State University - Social Service Certificate

Prior Government Experience: None

As your next City Mayor, I will

- · Find real solutions that will address our displaced neighbors.
- Work closely with our local police and address public safety,
 Work with local government agencies to find solutions for
- affordable housing.
- Restore and renew the confidence in our local government.

As a longtime resident of Woodburn, I have seen many changes. Woodburn is seeing an influx of city issues including displaced/ homeless populace, mental health crisis, property crimes and lack of affordable housing. We need to have a long term, sound plan that will effectively resolve and meet the needs of our cities most vulnerable citizens. Our community, city council and local government agencies need to work together to address these issues.

I have worked with nonprofit agencies and have seen first-hand how difficult it is for families to get back on track. There are many challenges in life; together we can make a difference, together we can find solutions that will help everyone.

Committed to Our Community and Ready to Serve

It has been my honor to serve as your representative on the Woodburn School District Board of Directors. I am proud to now run for City Council in Ward 4. As a sixteen-year resident of Woodburn, I remain committed to our community and continued service.

During my time on the Woodburn School District Board, my fellow board members and I:

- Improved building security
- Supported the School Resource Officers Program
- Increased access to mental health services
- Enhanced communication with families
- Provided virtual access to live and recorded meetings

As a first-generation daughter of an immigrant farm laborer, mother, business owner and mental health clinician, I offer a unique voice. My experience within the mental health field is vital for our communities' challenges with domestic violence, child abuse, and mental health issues. Whether policy development or advocacy work improving Woodburn's livability, I am here to serve the people of Woodburn.

My strong leadership abilities will create change for Woodburn residents by:

- Prioritizing public safety through supporting our law enforcement and fire departments
- · Improving and maintaining city streets and infrastructure
- Beautifying our 10+ city parks
- Increasing access to resources for Woodburn residents

As your City Council member, I will responsibly represent our growing community, work to keep crime low, and protect our neighborhoods. Thank you for your consideration.

As a life-long resident of Woodburn with family roots that date back nearly 100 years, it is my duty as well as honor to serve Woodburn as a City Councilor. I think about the legacy my parents and grandparents instilled in me- the attitude to help and promote others and to leave a place or situation in better states than how you originally found it...the Golden Rule. To provide to those in need and to protect and listen to those that may not know how to be heard. Working together is the only way to create hopeful and positive change, and I want to continue to be a part of this. My priorities include: continuing to foster unity of community with a small-town feel by encouraging citizens to get involved, promoting local businesses- encouraging owners of currently vacant buildings to do refurbishing for business occupancy, building and improving natural beauty and cultural aesthetics of the city by planting trees and installing permanent and meaningful art. Woodburn is growing and changing. We need leaders with an empathetic yet realistic long-term vision to develop better overall results for the city and to keep the culturally diverse and strong hometown feel that we can continue to be proud of.

Prior Governmental Experience: (none provided)

I am a proud lifelong resident and member of the Woodburn community. My wife and I were raised in this community and chose to raise our children here because of the town's diversity and small-town feel. I am a father of three young children and small business owner, which is why the future of our city is important to me. I want to work with our city leaders to help make decisions on future growth that will continue to create a Woodburn we can all be proud of. Our city has already seen increased growth over the last few years and continues to grow with new housing developments and businesses entering our community. Woodburn will face challenges with such growth and will require city leadership with balanced representation and fresh perspective to encompass our city's diversity. I am passionate about being part of the decisions our city council makes and confident that our choices will have a positive short term and long-lasting impact on our future generations as we continue to grow. I would be honored to represent the citizens of Woodburn as a member of our city council.

Measure No. 24-464 City of Sublimity

Prohibits psilocybin-related businesses within the City of Sublimity

Question: Shall the City of Sublimity prohibit all psilocybin-related businesses within the City?

Summary: State law permits persons licensed, controlled and regulated by the State to legally manufacture psilocybin products and provide psilocybin services to persons 21 years of age and older. Psilocybin is the psychedelic drug found in certain mushrooms. State law authorizes the governing bodies of cities and counties to adopt ordinances to be referred to the voters that prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within the area subject to the city or counties jurisdiction. The City of Sublimity is referring to the voters an ordinance prohibiting psilocybin product manufacturers and psilocybin service center operators within the City.

Approval of this measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within the area subject to the City of Sublimity's jurisdiction.

Explanatory Statement:

Approval of this measure would prohibit the establishment and operation of psilocybin-related businesses within the City of Sublimity.

In November 2020, Oregon voters approved Ballot Measure 109, known as the Oregon Psilocybin Service Act, and now codified in Oregon Revised Statutes (ORS) Chapter 475A. That act allows the manufacture, delivery, and administration of psilocybin at facilities licensed by the Oregon Health Authority (OHA).

OHA has initiated a rulemaking process to implement the State's psilocybin program but has not yet completed that process. The uncompleted rulemaking leaves uncertainty in how the manufacture, delivery, and administration of psilocybin at licensed psilocybin facilities will operate within the City of Sublimity.

ORS 475A.718 authorizes the City Council to refer an ordinance prohibiting psilocybin product manufacturers and psilocybin service centers within the City of Sublimity's jurisdiction and the City Council desires to refer this prohibition to the voters.

Measure No. 24-465 Marion County

PROHIBITS PSILOCYBIN MANUFACTURING AND SERVICE CENTERS IN UNINCORPORATED MARION COUNTY.

Question: Shall Psilocybin product manufacturing and service centers be prohibited in Marion County's unincorporated areas (outside of city limits)?

Summary: Psilocybin is a psychedelic drug found in certain mushrooms. State law (ORS Chapter 475A) allows the operation of Psilocybin product manufacturing and service centers. ORS 475A.718 also allows a county governing body to adopt an ordinance prohibiting Psilocybin manufacturing and service centers within the unincorporated area of the county.

The Marion County Board of Commissioners adopted an ordinance prohibiting Psilocybin manufacturing and service centers from operating within the unincorporated areas of Marion County. Pursuant to ORS 475A.718 this ordinance has been referred to the electors to determine whether Psilocybin manufacturing and service centers will be prohibited from operating within the unincorporated areas of Marion County.

Approval of this measure would prohibit (not allow) the establishment of Psilocybin manufacturing and service centers in unincorporated Marion County.

Measure No. 24-466 City of Detroit

Adopt a City Charter to replace the current City Charter

Question: Shall the City of Detroit adopt a new City Charter to replace its current City Charter?

Summary: The new Charter would change the qualifications for those eligible to serve in elective office, how nominations for the city council occurs, and remove the difference in status for primary and non-primary residents. Residents no longer would be either primary or non-primary with any qualified elector ligible to serve in an elective office, including the office of mayor.

Nomination petitions would be required with not fewer than fifteen elector's signatures rather than the current requirement of twenty. Charter language concerning procedures for public improvements, Section 33. Procedure is simplified in Section 35. Debt is proposed to be changed to be consistent with the League of Oregon Cities Model Charter for Oregon Cities, 2018 edition.

Other changes are proposed to correct misspellings and formatting issues in the existing Charter without changing intent. Other changes remove gender-exclusve references so the proposed Charter contains no gender-exclusive references.

Measure No. 24-466 City of Detroit

Explanatory Statement:

This measure would provide a new charter for Detroit. A charter is a city's foundational document that outlines the principles, structures and processes of the city's government. Oregon law allows city voters to organize their city government as the majority of voters consider best suited to meet the city's needs. The proposed charter would become operative January 1, 2023.

If adopted, the proposed charter would, among other things:

- Change the qualifications of officers so any person who is a qualified elector of the city within the meaning of the state constitution who has been registered to vote in the city of Detroit, Oregon during the twelve months immediately preceding the election may be nominated for an elective office. The current requirements that describe residency and proof of residency would be removed.
- Eliminate the additional residency requirements that define primary and non-primary residents making any qualified elector of the city eligible for an elective office.
- Eliminate the requirement that the mayor be a councilor who is a primary resident.
- Remove the limitation that prohibits more than two non-primary residents from serving on the seven member city council. Any qualified elector will be eligible to serve in each of the seven council positions.
- Clarify that a person appointed to fill a vacancy in an elective office of the city must be a qualified elector within the meaning of the state constitution and be registered to vote in the City of Detroit, Oregon, but is not required to meet the twelvemonth requirement of someone seeking to be elected to office.
- Reduce the number of signatures required to sign a nomination petition to nominate a person for elective office from the present requirement of twenty electors down to fifteen.
- Change public improvement language to be consistent with the League of Oregon Cities Model Charter and replace the term "remonstrate" with "objection".
- Remove language stating the liability of a city officer or employee who causes the city to exceed debt limits, and instead limit city indebtedness to not exceed debt limits imposed by state law.
- Remove gender-exclusive references found in the city's current charter.

Measure No. 24-466 City of Detroit

Statement continued from previous column:

If the proposed charter is not adopted, the city's present charter remains in place and none of the described charter changes would occur.

If the proposed charter is adopted, the financial impact would be minimal.

The referral follows a series of work sessions of the council appointed charter review committee which recommended the changes to council after a public meeting on July 9, 2022. Detroit's voters amended the city's charter last by emergency election in December, 2012.

Measure No. 24-467 City of Woodburn

Prohibits psilocybin-related businesses within the City of Woodburn.

Question: Shall the City of Woodburn prohibit psilocybin service centers and the manufacture of psilocybin in Woodburn?

Summary: State law allows for the manufacturing, transportation, delivery, sale and purchase of psilocybin, the psychedelic drug found in certain mushrooms.

State law provides that a local government may adopt an ordinance to be referred to the voters to prohibit the establishment of certain psilocybinrelated businesses. Approval of this measure would prohibit the establishment of psilocybin service centers and the manufacture of psilocybin products within the jurisdictional boundary of Woodburn.

Explanatory Statement:

Approval of this measure would prohibit the establishment and operation of psilocybin-related businesses within the City of Woodburn. Psilocybin is a naturally occurring psychedelic compound derived from certain mushrooms. Oregon voters legalized psilocybin through Ballot Measure 109 (2020), which directed the Oregon Health Authority to develop a psilocybin licensing and regulatory program for the state by January 2, 2023.

Under Ballot Measure 109, a city council may adopt an ordinance prohibiting the establishment of psilocybin-related businesses within its city, but the council must refer the ordinance to the voters at a statewide general election. The City of Woodburn City Council has adopted an ordinance prohibiting the establishment of psilocybin-related businesses within Woodburn and, as a result, has referred this measure to the voters.

A "Yes" vote means psilocybin-related businesses are prohibited within Woodburn. A "No" vote means that psilocybin-related businesses would not be prohibited within Woodburn.

Measure No. 24-468 City of Keizer

ESTABLISHES A LIBRARY SERVICES FEE WITHIN THE CITY OF KEIZER

Question: Shall City of Keizer establish a library services fee within the City limits?

Summary: Keizer City Council wishes to establish a Keizer Public Library. The current city budget cannot produce sufficient revenues for on-going and sustained operation of a library. Keizer City Council adopted an Ordinance to be referred to the voters to establish a library services fee at an initial amount of no more than \$2.50 per month for each residential or non-residential unit or premises in the City of Keizer. The fee could not be increased more than ten percent in a twelve-month period.

Approval of this measure would establish a library services fee within the Keizer City limits.

Explanatory Statement:

Approval of this measure would establish a library services fee within the City of Keizer.

Keizer City Council wishes to establish a Keizer Public Library. The current city budget cannot produce sufficient revenues for on-going and sustained operation of a library. The City Council of the City of Keizer has adopted Ordinance No. 2022-847 establishing a library services fee and referred the Ordinance to the voters.

The initial amount of the fee cannot be more than \$2.50 per month for each residential and nonresidential unit. The fee could not be increased more than ten percent in any 12 month period.

The Council must hold a public hearing prior to adopting any fee increase or decrease. The fees would be placed in a fund dedicated for library services.

A "Yes" vote means a library services fee is established. A "No" vote means that a library services fee will not be established within Keizer.

Measure No. 24-468 City of Keizer

Argument in Support:

YES for Keizer Public Library: Measure 24-468

It's time for Keizer to have a public library. Keizer Community Library and its volunteers have served our community well for the last 34 years. However, Keizer's diverse community needs essential services beyond current financial and volunteer resources.

To make this longtime dream a reality, Keizer residents are urged to vote **YES on Measure 24-468.** This will provide public funding for a Keizer Public Library. For only \$2.50 a month (billed every other month at \$5) on the Keizer City Services bill, community members will have access to a full-service public library in the city. This is a true bargain for Keizer residents. Find out more at www.yesforkeizerpubliclibrary.org.

Currently Keizer is the only city in Oregon with a population of more than 3,500 that does not provide vital services through a publicly funded library. Comparably sized cities spend between four to seven times more per person annually.

Here's what a YES vote will get us: • Professionally trained staff:

- Professionally trained staff: Full-time professional Library Director and Children's Librarian, expanded hours, and on-site reference and reader's advisory services.
- •Enhanced Programming: Literacy programs and events for adults, outreach to seniors, and expanded children's programs in English and Spanish.
- •Larger Collection: Annual book budget for materials specific to Keizer community needs and interests to build a book collection that reflects Keizer's diversity.
- Improved Technology: Improved internet and network capacity, increased printing capacity and reliability, and 24/7 on-line reference service.

We are proud to count the following Keizer leaders as honorary co-chairs of the YES for Keizer Public Library campaign:

Keizer Mayor Cathy Clark Oregon State Senator Kim Thatcher Community Leader Richard Walsh Community Leader Dick Withnell

This opportunity to create a public library has been a long time coming. Vote YES for a stronger Keizer. Vote YES for Keizer Public Library.

A first-class city like Keizer needs a first-class library! Please vote YES for the Keizer Public Library. -Dick Withnell

PROHIBITS PSILOCYBIN-RELATED BUSINESSES WITHIN THE CITY OF KEIZER

Question: Shall City of Keizer prohibit psilocybin service centers and the manufacture of psilocybin products within the Keizer's jurisdictional boundaries?

Summary: State law allows operation, manufacturing, distribution and possession of psilocybin and psilocin. State law provides that a City Council may adopt an Ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed activities.

Approval of this measure would prohibit the establishment of psilocybin service centers and manufacture of psilocybin products within Keizer's jurisdictional boundaries.

Explanatory Statement:

Approval of this measure would prohibit psilocybin service centers and the manufacture of psilocybin products within the City of Keizer. Psilocybin is a drug derived from certain mushrooms. Oregon voters legalized psilocybin through Ballot Measure 109 (2020) which directs the Oregon Health Authority (OHA) to develop a psilocybin licensing and regulatory program for the state by January 2, 2023.

Measure No. 24-470 City of Aumsville

Prohibits psilocybin-related businesses within Aumsville

Question: Shall Aumsville prohibit psilocybinrelated businesses from operating in the City?

Summary: State law allows for the manufacturing, transportation, delivery, sale, and purchase of psilocybin, the psychedelic drug found in certain mushrooms. State law provides that a local government may adopt an ordinance to be referred to the voters to prohibit the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers.

The Aumsville City Council adopted an ordinance to refer to the voters prohibiting psilocybin-related businesses from operating in Aumsville. Approval of this measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service centers within the Aumsville city limits.

Explanatory Statement:

Approval of this measure would establish a prohibition on psilocybin product manufacturers and psilocybin service centers within the City of Aumsville. Psilocybin is the psychedelic drug derived from certain mushrooms. Oregon voters legalized psilocybin through Ballot Measure 109 in 2020, which directs the Oregon Health Authority to develop a psilocybin licensing and regulatory program for the state by January 2, 2023.

Measure No. 24-471 City of Aumsville

Allows certain marijuana-related facilities within Aumsville

Question: Shall Aumsville allow medical marijuana dispensaries, marijuana retailers, marijuana processing sites, marijuana producers, marijuana processors, and marijuana wholesalers in the City?

Summary: State law allows for the operation of registered medical marijuana processors and dispensaries as well as for the operation of OLCC-licensed recreational marijuana producers, processors, wholesalers, and retailers.

State law also permits the voters of a city to adopt an ordinance that prohibits the establishment of any of these registered or licensed facilities within the city.

Aumsville voters adopted Ordinance 644 in November 2016 prohibiting such registered and licensed facilities within City limits. If approved, this measure would repeal and replace Ordinance 644 to allow registered medical marijuana dispensaries, marijuana retailers, medical marijuana processing sites, marijuana producers, marijuana processors, and marijuana wholesalers to operate within the City. Such facilities would still have to comply with other applicable laws, such as zoning code requirements.

Measure No. 24-471 City of Aumsville

Explanatory Statement:

Approval of this measure would allow registered medical marijuana dispensaries, marijuana retailers, medical marijuana processing sites, marijuana producers, marijuana processors, and marijuana wholesalers to operate in the City of Aumsville.

State law allows for the operation of registered medical marijuana processors and dispensaries as well as for the operation of OLCC-licensed recreational marijuana producers, processors, wholesalers, and retailers.

Aumsville voters approved a ban on medical marijuana processing sites, medical marijuana dispensaries, marijuana producers, marijuana processors, marijuana wholesalers, and marijuana retailers on November 8, 2016, which was enacted as Ordinance 644.

Under ORS 475C.457, a city council may repeal an ordinance that prohibits the establishment of certain types of marijuana-related businesses in the city, or the council may submit this repeal to the voters of the city. As such, the Aumsville City Council has referred this measure to the voters, which will effectively repeal Ordinance 644 and replace it with a new ordinance that will allow for the operation of registered medical marijuana dispensaries, marijuana retailers, medical marijuana processing sites, marijuana producers, marijuana processors, and marijuana wholesalers in the City.

If this measure passes, the City will be eligible to receive state marijuana tax revenues. If passed, this measure will go into effect 30 days after its approval by the voters.

Measure No. 24-472 City of Aumsville

Authorizing tax on recreational retail sales of marijuana items

Question: Shall Aumsville impose a tax on the sale of marijuana items sold by recreational retailers as permitted by state law?

Summary: Under a state law, cities may adopt ordinances imposing up to a three percent tax or fee on the sale of recreational marijuana items in the city by state-licensed marijuana retailers as long as the ordinance is referred to the voters for approval at the next statewide general election. This measure seeks the required voter approval for the City to impose a tax on the retail sale of all marijuana items sold by an OLCC-licensed marijuana retailer in the City in an amount equal to the maximum allowed by state law, which is currently equal to three percent.

If this measure is approved, the City would be authorized to impose a three percent tax on recreational marijuana sales in Aumsville and increase the amount of the tax if and when state law permits such increases.

Measure No. 24-472 City of Aumsvile

Explanatory Statement:

Approval of this measure would impose a three percent tax on the sale of marijuana items by a marijuana retailer within the City and permit increases in the amount of the tax if and when state law permits such increases.

Under Measure 91, adopted by Oregon voters in November 2014, codified in ORS chapter 475C and amended by the Legislature, the Oregon Liquor Control Commission (OLCC) must license the retail sale of recreational marijuana. ORS 475C.453 provides that a city council may adopt an ordinance imposing a tax or fee on marijuana items (which include marijuana concentrates, extracts, edibles, and other products intended for human consumption and use) sold in in the city by retailers licensed by OLCC, but the council must refer that ordinance to the voters at a statewide general election. The Aumsville City Council adopted an ordinance imposing a tax in an amount equal to the maximum permitted by state law on the sale of marijuana items by a retail licensee in the City, and, as a result, has referred this measure to the voters.

Under state law, if the City prohibits the establishment of medical marijuana processors, medical marijuana dispensaries, recreational marijuana producers, recreational marijuana processors, or recreational marijuana retailers, the city may not impose a tax or fee on the sale of recreational marijuana. The Aumsville City Council has also referred to voters for the November 8, 2022 election, a measure to allow these facilities in the City. The tax proposed by this measure will be collected only if the City does not have a prohibition in place on any of the marijuana facilities described above. In effect, if the voters do not approve the measure to allow these types of marijuana facilities in the City, this tax measure will not go into effect.

If approved, the tax would be paid by anyone buying recreational marijuana from a licensed retailer located in the City regardless of whether they are an Aumsville resident or not. The current tax rate would be equal to three percent of all retail sales and could be increased if and when state law permits such increases.

Measure No. 24-473 City of Silverton

Five-Year Operating Levy for Swimming Pool **Operations and Maintenance**

Question: Shall Silverton impose a tax of \$275,000 annually for five years for swimming pool operations and maintenance beginning in 2023-2024?

Summary: This measure renews current local option taxes.

The City maintains and operates a yearround swimming pool that requires ongoing maintenance for continued operation. Current tax revenues are not adequate to fund the required maintenance and operating costs. The operating and maintenance levy would collect taxes over five years totaling an estimated \$1,375,000. The amount would be levied annually in equal amounts of \$275,000. The taxes would be used to fund necessary major maintenance of the pool and to fund continued year-round operation.

Explanatory Statement:

The City of Silverton maintains and operates a year-round swimming pool that requires ongoing maintenance for continued operation. Current tax revenues are not adequate to fund the required maintenance and operating costs. The operating and maintenance levy would collect taxes over five years totaling \$1,375,000, which would be imposed annually in equal amounts of \$275,000. The taxes would be used to fund necessary maintenance of the pool and fund continued operation.

In 2003 the voters of Silverton authorized a 10 year bond for \$1.2 million to complete improvements to the pool, which was originally constructed in 1939. That bond resulted in a new bathhouse, improvements to the pool itself, and the installation of a zero-depth entry on one end. In 2013 the voters of Silverton authorized a five year levy for \$1,375,000 for the operation and maintenance of the pool which was a levy of \$0.45 per \$1,000 of assessed value. That measure was renewed in 2017 and expires June 30, 2023.

Statement continued on next column

Measure No. 24-473 City of Silverton

Statement continued...

This levy would allow for the continued operation and maintenance of the Silverton pool, currently under contract with the Silver Falls Family YMCA. Funding would allow for future replacement of the pool cover.

The levy would maintain the year-round use of the Silverton Pool for the following (but not limited to):

- Recreation for all Silverton residents and others in the area
- Training facility for the Silverton High School Swim . Team
- Training and competition facility for the year-round community swim program Swimming Lessons for area youth
- Exercise classes for all ages
- Lap swim use for all ages
- Handicap Access
- Physical Rehabilitation

How would this operating levy affect property taxes if

passed? The levy would result in an estimated annual collection of \$0.2845 per \$1,000 of assessed value, or approximately \$56.90 a year for a home with an assessed value of \$200,000, the same as the current levy. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression, and the collection rate.

What if the Measure fails?

If the measure fails, the City will be unable to continue year-round operations of the pool. At this time, there are no identified alternatives to fund operation of the pool beyond June of 2023.

Oregon Legislative Redistricting

Redistricting is the once-a-decade process that takes place following the U.S. Census. It is a process of redrawing United States House of Representatives (Congressional) and Oregon State Senate and State House of Representatives (Legislative) district boundaries to account for changes in population.

Oregon's state Legislative redistricting process is detailed in Article IV, section 6 of the Oregon Constitution. The Constitution gives the Oregon Legislature clear authority over the process, with the Secretary of State as a backstop if, for some reason, the Legislature is unable to complete its process.

On September 27, 2021, the Oregon Legislative Assembly completed the adoption of new congressional and legislative redistricting plans for Oregon with the passage of Senate Bill 881 A and Senate Bill 882. These plans were signed into law by Governor Brown and subsequently upheld by the courts. Elections using these new plans will take place in 2022 with those elected taking their seats in January of 2023.

Information about locating an interactive map for the new state legislative districts can be found on the Oregon Secretary of State's website -<u>https://sos.oregon.gov/redistricting.</u>

The Marion County website also has redistricting information with local and state district maps at <u>https://www.co.marion.or.us/CO/elections/Pages/</u><u>ElectionPubFormsMaps.aspx.</u> You can click on the Marion County Election Precinct Map at this site, type in your address, and the information specific to that address will appear.

All Marion County voters were mailed new voter notification cards because of the redistricting process. Some voters may now have a new precinct number and possibly different federal and state representative and senate districts to vote in. Your General Election ballot will reflect any of the changes that were made to your voting address area by redistricting.

Measure No. 24-474 City of Salem

City of Salem Community Capital Improvements General Obligation Bond Authorization

Question: Shall Salem issue up to \$300,000,000 in bonds for streets, fire equipment, parks, affordable housing, libraries, technology, and public safety?

Summary: The City of Salem seeks approval to issue general obligation bonds to finance capital costs of projects expected to include:

Fire equipment, including fire engines and ladder trucks; Affordable housing; Construction and repair of streets and sidewalks, sidewalk connections and the Pringle Creek Path; Repairs to some bridges; Replacement of playground equipment at certain parks; Construction of coverings in certain parks; Construction and repair of City facilities; Two fire stations, two branch libraries and affordable housing; Technology improvements including cybersecurity and financial reporting system; Capitalized interest and costs of bond issuance.

Bond principal would not exceed \$300,000,000. Bonds may be issued in multiple series; each maturing within 30 years from issuance. The measure is not expected to increase Salem's bond tax rate above the current rate of \$1.20/\$1,000 of assessed value thanks to payments for existing bonds decreasing in the future. This is the current approximate rate experienced by Salem taxpayers. Actual rates may vary based upon interest rates incurred and changes in assessed value.

Explanatory Statement:

The City of Salem is asking Salem voters to approve a \$300 million bond measure to fund projects to improve existing and build new streets, sidewalks, bike facilities, and parks; acquire fire engines and equipment; affordable housing; acquire sites for and construct two new fire stations; acquire sites for affordable housing and two branch libraries; construct earthquake safety improvements to the Civic Center and upgrade Peace Plaza; and upgrade information technology to provide cybersecurity for City infrastructure. If approved by voters, the bonds are not expected to increase current City of Salem bond tax rates. Bond proceeds would also pay for capitalized interest and costs of issuance.

City of Salem voters approved bonds from 2008 through 2017 for street improvements, a police station, and Salem Public Library seismic improvements. These funds allowed the City to build projects to serve residents. Since 2010, Salem's population has increased from 154,637 to 177,694 in 2021.

The City Council led a community engagement effort since December of 2021 to identify projects for the proposed bond measure. Project ideas came from outreach with neighborhood associations, advisory boards and commissions, civic interest groups, and public testimony.

Projects are expected to include construction of a portion of Marine Drive NW, upgrades to McGilchrist Street SE, Pringle Road SE, Fisher Road NE, and Davis Road SE, reconstruction of State Street, and construction of a Pringle Creek Trail Connection. Completion of the Union Street family-friendly bikeway. Four bridges that have weight restrictions due to their age and condition are proposed for repair/replacement. ADA Sidewalk improvements at multiple locations throughout the city. Approximately \$14.7 million would be dedicated to complete missing sections of sidewalks and sidewalk repair or replacement throughout the city. Funding is included for as many as seven pedestrian crossings.

Statement continued on next column

Measure No. 24-474 City of Salem

Statement continued ...

Parks projects are expected to include: playground equipment replacement in several parks; coverings would be constructed at Bush's Pasture, Geer, Orchard Heights, and McKay School Parks; restroom replacement at Bush's Pasture, Cascades Gateway, McKay School, Northgate, and Wallace Marine parks; new tennis and pickleball courts at Highland, Hoover, and River Road parks; additional sports fields at Geer, McKay, and Orchard Heights parks; construction of paved parking lots at Minto Brown Island park; replacing multi-use athletic courts at Hoover, Morningside and Sumpter parks, and; Bond principal would not exceed \$300,000,000. Bonds may be issued in multiple series; each maturing within 30 years from issuance. The measure is not expected to increase Salem's bond tax rate above the current rate of \$1.20/\$1,000 of assessed value thanks to payments for existing bonds decreasing in the future. For a home assessed at \$200,000, the estimated property tax for the bonds for fiscal year 2022-2023 would be approximately \$240 per year, or \$20.00 per month. Actual rates may vary based upon interest rates incurred and changes in assessed value.

Argument in Support:

City of Salem Infrastructure Bond Levy

350 Salem OR supports the bond levy. It will not increase the property tax rate. It will reduce Salem's air pollution and greenhouse gas emissions by providing more alternatives to vehicle use.

It will:

Provide over \$18 million for improving or adding sidewalks and safer road crossings.

Provide separated multi-use paths on Pringle Creek and along the new Marine Dr. NW

Provide for sidewalks and bike lanes or multi-use paths on

- Fisher Road NE
- Pringle Road SE and
- Davis Road S
- State Street

Provide \$4 million for improved bike paths and trails in city parks.

Provide a protected bike lane on Union St. NE

Improve parks and provide for more branch libraries, which will reduce the need to travel.

Vote YES on the Bond Levy

Argument in Support:

City of Salem Community Capital Improvements General Obligation Bond Authorization

Salem Area Chamber of Commerce Supports Measure 24-474 for Streets, Safety and Livability. At the Salem Chamber, we believe in helping businesses prosper so our entire community may thrive. We are committed to sustaining and enhancing Salem's quality of life and keeping our community and economic ecosystem vibrant. This fall, voters in Salem have a unique opportunity to invest \$300 million in significant community improvements across Salem - <u>without increasing the property tax rate</u> for property owners.

Measure 24-474 was crafted with significant input from the community, with an eye toward the future of our City. Making investments now in our streets and sidewalks, city parks, public spaces, and fire department will provide the necessary infrastructure for continued healthy growth and livability.

Tax dollars raised from Measure 24-474 will be directly invested in repairing and maintaining Salem's streets, bridges, and sidewalks.

With \$132 million dedicated to street maintenance and repairs and an additional \$25 million for sidewalk maintenance and pedestrian safety, Measure 24-474 protects our investments in city streets, bridges and sidewalks. Every part of the city will see work happening in their neighborhoods and commercial centers, and transportation throughout the city will be made safer and more efficient.

What's more, this Measure 24-474 will support local

businesses and local jobs. Based on our experience with previous infrastructure bond levies, the City estimates that over 80% of this work will go to local Salem-area contractors, supporting local businesses and employees.

Supporting these important investments with a YES vote will not increase property tax rates, but will allow for the City of Salem to continue to grow and thrive for years to come.

Vote YES on Measure 24-474 for the future of Salem.

Vote YES on 24-474 for Salem Libraries

Measure 24-474 is an exciting one-time opportunity to invest \$300 million into Salem's infrastructure and improve the livability of the city - all without increasing the property tax rate.

Public libraries provide comfortable, safe spaces for people to gather, learn and enjoy reading. Some of the funds from Measure 24-474 will be used to purchase sites for two future library branches, creating more opportunity for our neighbors to gather and access all of the services our public library offers.

We have the opportunity now to make these exciting investments in our community - in our roads and sidewalks, parks, fire services, affordable housing, and library system - all without increasing property tax rates. We cannot let this opportunity pass us by.

Argument in Support:

City of Salem Community Capital Improvements General Obligation Bond Authorization

Salem City Council Unanimously Supports Measure 24-474

Measure 24-474 will fund critical public infrastructure improvements without increasing property tax rates. We have a one-time opportunity to invest \$300 million to improve our streets, sidewalks, parks and public safety. We are able to make these investments without increasing property tax rates as several previous bond measures will come off the tax rolls in the coming years.

Most of the money raised from Measure 24-474 will be invested in repairing and maintaining Salem's streets, bridges and sidewalks. The measure protects our investments by authorizing \$157 million for street maintenance and repairs, sidewalk maintenance and pedestrian safety.

To support our local economy, we anticipate over 80% of this work will go to local contractors and support local jobs.

Other critical investments include:

- Replacing the City's fire trucks and life-saving equipment

 this is an urgent need as Salem has not purchased new
 fire engines since 2006.
- Taking care of our city parks by replacing old restrooms and adding new playgrounds, trails, covered areas, sports courts and dog parks.
- Upgrading our Civic Center to meet current earthquake standards to keep the community safe and ensure public accessibility.
- New cybersecurity systems that will protect personal data and makes it easier for our community to access services and programs online.
- \$14 million for new fire station sites, and \$7.5 million for property for affordable housing and two new branch libraries.

Measure 24-474 reflects the will of our community. Projects were recommended and prioritized by the community through extensive local engagement. The Bond Steering Committee also considered equity and climate impacts when developing the package.

A Yes vote on Measure 24-474 will allow Salem to plan ahead – for the next 10 years – and fund our most critical City needs without raising property tax rates.

Argument in Support:

City of Salem Community Capital Improvements General Obligation Bond Authorization

Vote YES on 24-474 for Fire Safety.

This fall, voters in Salem have an opportunity to make important, life-saving investments in the safety of our community.

Measure 24-474 addresses our City's most urgent and immediate needs by investing \$40 million into our fire services.

Salem's fire engines and ladder trucks are already 15 years old and have reached an average of 450,000 road miles on them. Despite excellent maintenance, our fire engines and other critical life-saving equipment are in urgent need of replacement.

The funding from Measure 24-474 would allow for the purchase of:

- 17 new fire engines
- 3 new aerial ladder trucks
- 6 rescue vehicles
- 2 medic units
- New rescue tools including "jaws of life" and defibrillators

In addition to the critical equipment replacement, funds would purchase sites for two future fire stations – one in NE Salem and the other in SE Salem – to allow us to better serve our growing population and decrease response times in key parts of our City.

Your local firefighters work hard to serve our community and provide lifesaving services.

Measure No. 24-475 City of Jefferson

Temporarily prohibits psilocybin-related businesses within the City of Jefferson

Question: Shall the City of Jefferson temporarily prohibit psilocybin-related businesses within the City?

Summary: State law permits persons licensed, controlled and regulated by the State to legally manufacture psilocybin products and provide psilocybin services to persons 21 years of age and older. State law authorizes the governing bodies of cities and counties to adopt ordinances to be referred to the voters that prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within the area subject to the city or county jurisdiction.

The City of Jefferson is referring to the voters an ordinance that would place a temporary prohibition on psilocybin product manufacturers and psilocybin service center operators within the City. The temporary prohibition would expire on December 31, 2024. Approval of this measure would temporarily prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within the area subject to the City of Jefferson's jurisdiction.

Measure No. 24-475 City of Jefferson

Explanatory Statement:

Approval of this measure would temporarily prohibit the establishment and operation of psilocybin-related businesses within the City of Jefferson.

In November 2020, Oregon voters approved Ballot Measure 109, known as the Oregon Psilocybin Service Act, and now codified in Oregon Revised Statutes (ORS) Chapter 475A. That act allows the manufacture, delivery, and administration of psilocybin at facilities licensed by the Oregon Health Authority (OHA).

OHA has initiated a rulemaking process to implement the State's psilocybin progam, but has not yet completed that process. The uncompleted rulemaking leaves uncertainty in how the manufacture, delivery, and administration of psilocybin at licensed psilocybin facilities will operate within the City of Jefferson.

ORS 475A.718 authorizes the City Council to refer an ordinance prohibiting psilocybin product manufacturers and psilocybin service centers within the City of Jefferson's jurisdiction and the City Council desires to refer this temporary prohibition to the voters.

If approved, this measure would prohibit psilocybin product manufacturers and psilocybin service centers within the City of Jefferson through December 31, 2024.

Measure No. 24-476 City of Hubbard

PROHIBITS PSILOCYBIN BUSINESSES WITHIN HUBBARD. PROHIBITION SUNSETS AFTER TWO YEARS.

Question: Shall the City of Hubbard declare a temporary ban prohibiting psilocybin-related businesses and manufacture of psilocybin products within Hubbard?

Summary: State law allows for the manufacturing, transportation, delivery, sale, and purchase of psilocybin, the psychedelic drug found in certain mushrooms. State law provides that a local government may adopt an ordinance to be referred to the voters to prohibit the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers.

The Hubbard City Council adopted an ordinance prohibiting the establishment of psilocybin product manufacturers and psilocybin service center operators within the City for a period of two years, which was referred to the voters per state law.

The two-year prohibition is intended to provide additional time for the City to enact reasonable time, place, and manner restrictions on licensed facilities.

Approval of this measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within Hubbard city limits until December 31, 2024.

Measure No. 24-476 City of Hubbard

Explanatory Statement:

Approval of this measure would establish a two-year prohibition on psilocybin product manufacturers and psilocybin service centers within the City of Hubbard. Psilocybin is the psychedelic drug derived from certain mushrooms.

Oregon voters legalized psilocybin through Ballot Measure 109 in 2020, which directs the Oregon Health Authority (OHA) to develop a psilocybin licensing and regulatory program for the state by January 2, 2023. As a result, OHA intends to begin accepting applications for licenses for psilocybin product manufacturers and psilocybin service centers in January, 2023.

Ballot Measure 109 allows a local government to adopt an ordinance to be referred to the voters that prohibits the establishment of psilocybin-related businesses. The Hubbard City Council has adopted such an ordinance to prohibit the establishment of psilocybin product manufacturers and psilocybin service centers within the City of Hubbard until December 31, 2024.

Ballot Measure 109 also allows a local government to adopt reasonable time, place and manner restrictions on the operation of psilocybin facilities. Because these regulations typically result in amendments to the city's development code, the process to enact changes requires notice to the state as well as hearings before governing bodies. The temporary prohibition proposed by this Measure is intended to provide extra time to consider and enact such regulations before OHA issues licenses for psilocybin facilities in the City.

Measure No. 24-477 City of Gates

Temporarily prohibits psilocybin-related businesses within the City of Gates.

Question: Shall the City of Gates temporarily prohibit psilocybin-related businesses in the City of Gates?

Summary: State law allows operation manufacturer, distribution and possession of psilocybin and psilocin. State law provides that a city council may adopt an ordinance to be referred to the voters to put a two-year moratorium prohibiting the establishment of any of those registered or licensed psilocybin-related businesses.

Approval of this measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within the City of Gates jurisdictional boundaries.Prohibition sunsets after two years.

Explanatory Statement:

Approval of this measure would temporarily prohibit the establishment and operation of psilocybin-related businesses within the City of Gates.

A city council may adopt an ordinance prohibiting the establishment of psilocybin-related businesses within the city, but the council must refer the ordinance to the voters at a statewide general election.

The Gates City Council has adopted an ordinance temporarily prohibiting the establishment of psilocybinrelated businesses within the city and, as a result, has referred this measure to the voters.

If approved, this measure would prohibit psilocybinrelated businesses within the city until December 31, 2024.

Measure No. 24-478 City of Turner

PROHIBITS PSILOCYBIN-RELATED BUSINESSES WITHIN THE CITY OF TURNER

Question: Shall the City of Turner prohibit psilocybin service centers and the manufacture of psilocybin products within Turner's jurisdictional boundaries?

Summary: State law allows operation, manufacturing, distribution and possession of psilocybin and psilocin. State law provides that a City Council may adopt an Ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed activities.

Approval of this measure would prohibit the establishment of psilocybin service centers and manufacture of psilocybin products within Turner's jurisdictional boundaries.

Explanatory Statement:

Approval of this measure would prohibit psilocybin service centers and the manufacture of psilocybin products within the City of Turner. Psilocybin is a drug derived from certain mushrooms. Oregon voters legalized psilocybin through Ballot Measure 109 (2020) which directs the Oregon Health Authority (OHA) to develop a psilocybin licensing and regulatory program for the state by January 2, 2023.

Ballot Measure 109 (2020) allows a local government to adopt an Ordinance to be referred to the voters that prohibits the establishment of certain licensed psilocybin-related businesses. The City Council of the City of Turner has adopted Ordinance No. 22-102 declaring a ban on psilocybin service centers and the manufacture of psilocybin products within the jurisdictional boundaries of the City and referred the Ordinance to the voters.

A "Yes" vote means psilocybin-related businesses are prohibited within Turner. A "No" vote means that psilocybin-related businesses would not be prohibited within Turner.

Measure No. 24-479 City of St. Paul

Prohibits psilocybin-related businesses within St. Paul, Oregon

Question: Shall St. Paul prohibit psilocybin-related businesses within the city limits?

Summary: State law allows operation, manufacturing, distribution, and possession of psilocybin products. State law provides that a city council may adopt an ordinance to be referred to the voters to permanently prohibit the establishment of any of those registered or licensed activities. Approval of this measure would permanently prohibit the establishment of psilocybin product manufacturers and psilocybin service center operations within the area subject to the jurisdiction of the City of St.Paul, Oregon.

Explanatory Statement:

Approval of this measure would permanently prohibit the establishment and operation of psilocybin-related businesses within the City of St. Paul. A city council may adopt an ordinance prohibiting the establishment of psilocybin related businesses within its city, but the city council must refer the ordinance to the voters at a statewide general election. The St. Paul City Council has adopted an ordinance permanently prohibiting the establishment of psilocybin-related businesses and, as a result, has referred this measure to the voters. If approved, this measure would permanently prohibit psilocybin-related businesses within the City of St. Paul.

A " yes " vote would permanently establish a ban on state-licensed psilocybin product manufactures and psilocybin service centers within St. Paul city jurisdictional boundaries.

A " no " vote would allow state-licensed psilocybin product manufactures and psilocybin service centers within St. Paul city jurisdictional boundaries.

The Latest from USPS What is Informed Delivery?

Informed Delivery is a new consumer-facing feature offered by USPS® that provides users with digital previews of their household mail arriving soon.

Informed Delivery is free and makes mail more convenient by allowing users to view what is coming to their mailbox whenever and wherever - even while traveling, on a computer, tablet or mobile device.

To automate the sortation and delivery of mail, the United States Postal Service® (USPS) digitally images the front of letter-size mailpieces that run through automation equipment. USPS is now using those images to provide digital notifications to users in advance of the delivery of physical mail.

How does Informed Delivery® work? What will I see?

Informed Delivery allows users to interact with their incoming mail and packages in one convenient, online location. Users receive emails containing images of the exterior, address side of incoming lettersize mailpieces. These images are also accessible on the Informed Delivery dashboard at *informeddelivery.usps.com*. Some mailpieces (e.g., catalogues or magazines) may not be imaged by the automation equipment.

Users can also provide delivery instructions to USPS, manage their notifications, and schedule redelivery from the dashboard. Users can also receive USPS Tracking updates for incoming packages via separate email or text notifications. The dashboard displays mailpiece images for a seven-day period.

What does Informed Delivery® cost consumers?

The feature is provided at no additional cost for all Informed Delivery users.

Where is Informed Delivery® currently offered?

Informed Delivery is now available to eligible residential consumers in the majority of ZIP Codes™ across the country. You can use the ZIP Code lookup tool on *informeddelivery.usps.com* to see if Informed Delivery is offered in your area.

Who is able to use Informed Delivery® and are there limitations on participation?

The United States Postal Service® currently provides the feature for delivery points in eligible ZIP Code[™] locations for which mail can be sorted on automated equipment; and where there is a unique delivery ZIP Code, down to the apartment level. Interested consumers must also complete identity verification to confirm they live at the address. As an additional security measure, a mail-based verification letter is also sent to the account address to give the customer the opportunity to remove the account if desired.

Is Informed Delivery® available to businesses?

No. The feature is available to residential customers and eligible personal P.O. Box[™] addresses, but Informed Delivery is not currently available to business customers.

Signing Up

Go to *informeddelivery.usps.com* and follow the step by step directions. You may also download or print a step-by-step **Informed Delivery Sign Up Guide.**

How soon after requesting the feature will I begin receiving notifications?

Activation time for the feature may vary, but typically you will begin to receive notifications within three business days. Notifications containing mailpiece images will be sent on days when letter-size mail is being processed and delivered to the home. Notifications are not sent on days when there is no mail to be delivered, or on Sundays or federal holidays.

Privacy/Security Concerns

How can I be sure that notification emails are from USPS® and not spam?

All emails from the Postal Service® originate from their mail system and the contents are strictly images of the mailpieces associated with the customer's delivery address. Email messages will be sent from <u>USPSInformedDelivery@usps.gov</u> to the email associated with an Informed Delivery user's usps.com® account.

How secure is Informed Delivery®? Should I be concerned about my privacy?

The Postal Service® takes the privacy of customers' mail very seriously and takes measures to ensure that all personal information is protected. USPS® follows industry best practices to verify your identity, including the use of a mail-based verification letter.

•The scanned mail images are of the external markings, showing only the exterior, address side of letter-size mailpieces.

•Your mail is protected by the U.S. Postal Inspection Service®, whose sole mandate is to safeguard the entire Postal Service® system, including the employees who deliver and process the mail and millions of customers who use it.

•The Postal Service adheres to the privacy requirements of the Privacy Act established by the federal government which controls when and how the USPS shares personal information and limits the conditions in which that information can be disclosed externally to outside parties.
