Measure proposing amendments to the City of Jefferson Charter		
Question 20 words which plainly phrases the chief purpose of the measure.		
Shall amendments to the Charter for the City of Jefferson be adopted?		
Summary 175 words which concisely and impartially summarizes the measure and its major effect.		
Approving this measure would adopt amendments to the City's Charter. The City's Charter was last updated in 2010. If approved, the Charter amendments to Sections 3, 17, 18, and 20 would take effect January 1, 2019. The proposed amendments address annexation by clarifying that annexation proposals shall be put to a popular vote of the electorate unless state law specifically directs to the contrary. The amendments also address the role of the Mayor by deleting the Mayor's authority to create a tie vote on questions before the Council and revising the requirement that the Mayor countersign all City checks. Lastly, the amendments clarify the procedure the Council uses to select the Council President. The City Council's intent in proposing these amendments is to modernize these Charter provisions and ensure the Charter conforms to state law. Adoption of the proposed City Charter amendments requires a vote of the people. A complete copy of the proposed City Charter amendments is available for review at City of Jefferson City Hall, 150 North 2nd Street.
