Statement Provide a statement of justification of term in office in 200 words or less.

Hello, my name is Lorie Walters and I have been your city councilor since February 2012. I serve as the Children and Family Programs Commissioner. Since becoming a councilor I have been involved with many activities, both in preparation and participation. I was the co-Director of the Summer Reading & Recreation Program for 8 years, which lasts 8 to 9 weeks each summer. I also assisted with the Corn Festival parade, Santa Visit, Christmas in the Park, and the annual Easter Egg Hunt. I consider it a privilege to represent you and take seriously that I represent all of the people.

The statements against me are simply not true. We did listen to all of those who attended our public meetings and the majority of those who I heard and talked to, wanted us to provide public safety as a priority. Mr. Clevenger is simply not an honest person and he is using this issue for political progress. He is attempting to reverse a vote you took just 18 months ago to elect me. I ask that you vote against this recall.
