Five Year Local Option Levy for Operations

MAR 16 2021

STEVE DRUCKENMILLER, Clerk

Question 20 words which plainly phrases the chief purpose of the measure.

Shall District be authorized to impose \$0.30 per \$1000.00 of assessed value for operations for five years beginning in 2021-2022. This measure renews current local option taxes.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The Mill City Rural Fire Protection District will use the tax revenue from this measure to continue the established position of Fire Chief for district operations. This five year option tax is a continuation of previous measures. If this measure passes, the local option tax would stay at \$0.30 per thousand of assessed value. With the paid chief's position Mill City Rural Fire Protection District has been able to drastically increase our firefighter training and provide a better service to our district patrons. The objective of the fire chief is to continue to save the taxpayers money by applying for grants to help update equipment, maintain the building and grounds, while still providing excellent emergency fire and medical services. The proposed rate will raise approximately \$236,339.00. \$44,516.00 in 2021-2022, \$45,851.00 in 2022-2023, \$47,227.00 in 2023-2024, \$48,643.00 in 2024-2025, \$50,103.00 in 2025-2026. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
