Five Year Local Option Tax for Parks and Pool Operations

Question 20 words which plainly phrases the chief purpose of the measure.

Shall City of Stayton impose \$1.10 per \$1,000 of assessed value for recreational operations for five years beginning July 2026? This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The City of Stayton is seeking a five-year local option tax of \$1.10 per \$1,000 of assessed value, beginning fiscal year 2026-2027, to continue funding support of city parks and the Stayton Family Memorial Pool.

The proposed tax would replace the five-year local option tax of \$0.50 per \$1,000 of assessed value which passed in 2021, and ends June 30, 2026.

If adopted, the levy will enable maintaining current levels of service and operations for the City's eleven parks and natural areas as well as the City's public pool. The levy will also help fund upcoming planned park and pool improvements.

Without the funding from this levy, the City will face immediate financial decisions that would include: cutting back operational hours or closing the pool; deferring necessary pool maintenance; reducing upkeep of city parks; canceling planned park system improvements; and park closures. With the funding provided by this proposed levy, the City plans to invest in its parks and the pool to continue providing a wide variety of recreational opportunities to City residents.

The proposed rate will raise approximately \$909,729 in 2026-27, \$937,021 in 2027-28, \$965,131 in 2028-29, \$994,085 in 2029-30, and \$1,023,908 in 2030-31 for a total of \$4,829,874.
