Question 20 words which plainly phrases the chief purpose of the measure.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The Woodburn City Council has placed this advisory question on the ballot to determine voter attitudes on the question of whether the City Council should take action to lower speed limits on eligible roadways in residential districts.

Oregon law authorizes cities to designate by ordinance a speed for a roadway under the jurisdiction of the city that is up to 10 miles per hour lower than the statutory speed, so long as the designated speed is not less than 20 miles per hour, and the roadway is located in a "residence district," is not an arterial highway, and is signed appropriately.

A yes vote means that you think the City Council should consider adopting an ordinance that would lower speed limits on eligible roadways in residential areas.

A no vote means that you think the City Council should maintain the speed limits currently designated for the roadways in residential areas.
