Caption 10 words which reasonably identifies the subject of the measure.

Supplemental Five-Year Local Option Levy for Fire District Staffing

Question 20 words which plainly phrases the chief purpose of the measure.

Shall Woodburn Fire District levy \$0.55 per \$1,000 of assessed value for five years beginning in 2026 for firefighter staffing?
This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Woodburn Fire District proposes a supplemental local option levy of \$0.55 per \$1,000 of assessed value per year for five years, beginning July 1, 2026 (fiscal year 2026-27) through June 30, 2031 (fiscal year 2030-31). This levy would be in addition to the current levy of \$0.35 per \$1,000 of assessed value, which remains in effect through fiscal year 2028-29. If approved both levies would be collected from July 2026 through June 2029.

Revenue from this measure would maintain current firefighter staffing levels and public safety services. It would retain eight (8) firefighter positions currently funded by a federal Staffing for Adequate Fire and Emergency Response (SAFER) Grant, which expires in February 2028. The levy would provide continued funding for these positions after the grant ends to maintain fire suppression and emergency medical services, including advanced life support.
