> Bill Burgess, Marion County Clerk 503.588.5041 or 1.800.655.5388 http://www.co.marion.or.us/co/elections

A Message from the Clerk . . .

Dear Marion County Voter,

We look forward to receiving your voted ballot. You have until April 26 if you wish to change your party affiliation in order to vote in the Primary of your choice. Check your registration status at **www.oregonvotes.gov** and update if necessary.

If you have not received your ballot by May 6, please call us at 503-588-5041.

Postage is prepaid if you mail back your ballot. Please mail by May 13 to assure your ballot will likely be received in time to count. New this year – Postmark by Election Day now counts, but only if we receive your ballot within one week of Election Day. Be aware of the last pickup time posted on the USPS mailbox on Election Day. If it is after pickup time, do not use USPS, use an official ballot drop site or deliver to the Clerk's Office by 8PM.

If you wait until after May 13 to return your ballot, please use an official ballot drop site instead of the mail to insure we receive your ballot in time to count. See the list of drop sites on pages 4 - 6.

Please be sure we have both your current residential and mailing addresses. This helps determine which of the 375 ballot styles to send. You can check and, if necessary, update this information online at **www.oregonvotes.gov**. Prospective voters with an Oregon Driver License or ID card can also register online by April 26 for this May Election. Alternately, use the registration form on page 39.

Please sign up today at <u>www.co.marion.or.us/co</u> to track your ballot with text, email or voice alerts. This allows you to know where your ballot is in the process and allows us to contact you quickly if there is a signature issue.

This Oregon Primary Election has two purposes. All voters decide on candidates for nonpartisan offices and on local measures. Voters registered as Republican or Democrat will also pick people to represent their party in the November General Election. You have until April 26 if you wish to change your party registration for this May election.

Know of someone who, because of reading impairment or disability, needs voting assistance? Please contact us. We offer several options to help people vote privately and independently. Some are listed on page 8. We also offer large print and tactile ballots. This voter pamphlet is available in voice and text on our website. Independent Living Resources, 503-232-7411, will mail this voter pamphlet on CD or tape on request.

Thank you for helping make democracy work by being informed and voting. You are welcome to come and observe our election process.

- April 26 * Last day to register to vote.
 - * Last day to change party
- May 13 * Recommended last day to mail ballot to assure USPS delivery or postmarked by Election Day
- May 17 * Last day to return ballot at drop box site (before 8 PM).
 - * Last day to receive a qualifying postmark if mailing. Must deposit before the posted last postal pickup time. If too late, use any official ballot drop site in Oregon before 8pm.
- June 7 * Last day to resolve envelope signature issues.

Sincerely, Bill Burgess Marion County Clerk

Website: http://www.co.marion.or.us/CO/elections

Can I Vote in Oregon?

Am I qualified to register to vote in Oregon?

You are qualified to register to vote in Oregon if you can answer yes to the following questions:

- Are you a resident of Oregon?
- Are you a US citizen?
- Are you at least 16 years of age?

If you are not yet **18** years of age, you will not receive a ballot until an election occurs on or after your 18th birthday.

How do I register to vote in Oregon?

To register to vote you can complete a registration card or use the online registration process to provide your county elections official your full legal name, home address, any separate mailing address, date of birth, signature, and valid identification.

The online voter registration process is available at <u>www.oregonvotes.gov.</u>

A Registration Card is available in the back of this voter pamphlet, as well as in any county elections office, some post offices, the Secretary of State's Office, and some state agencies such as the DMV.

What identification do I provide?

You must provide your valid Oregon Driver's License, Permit or ID number. A suspended Driver's License is valid, a revoked Driver's License is not valid.

If you do not have a valid Oregon ID or Social Security number you can find a list of acceptable alternative identification online at <u>www.oregonvotes.gov</u>.

What is the deadline to register to vote for this election?

To vote in the May 17, 2022, Primary Election, your completed voter registration card must be:

- postmarked by Tuesday, April 26th; or
- delivered to a county elections office or voter registration agency (e.g. DMV) by Tuesday, April 26th.

If you register to vote online, your registration must be submitted by 11:59 PM on Tuesday, April 26th.

Alternate Format Ballot

The Alternate Format Ballot **(AFB)** is a voting tool that is available to voters with disabilities to vote privately and independently if they have access to a <u>computer</u> with a web browser and a printer.

Call 503.588.5041 or 1.800.655.5388 or TTY/TDD 1.800.735.2900 for more information.

Accessible Computer Stations

To accommodate voters with disabilities that do not have access to the required technology to vote the AFB, we have an Accessible Computer Station (ACS).

<u>Please</u> bring the ballot packet you received through the mail with you when using the ACS at the county site.

The ACS is available at:

Marion County Clerk's Office, 555 Court St NE, Suite 2130, Salem. Conveniently accessible to bus service as we are located on the same block as the Downtown Transit Center (Courthouse Square) in Salem.

To avoid delays, please call in advance: 503.588.5041.

Large-Print Ballots

Any voter can request a ballot with larger print if needed. Call 503.588.5041, 1.800.655.5388 or TTY/TDD 1.800.735.2900 to get your request put in place for this and future ballots.

Voting Assistance

Any voter can request assistance from the County Clerk's Office for help with marking a ballot. Call 503.588.5041, 1.800.655.5388 or TTY/TDD 1.800.735.2900 to request assistance.

Marion County Voter Pamphlet

This voter pamphlet is available in a downloadable audio format. Go to our website, **www.co.marion.or.us/co/elections** to download the files. You may also contact Independent Living Resources to obtain the Audio voter pamphlet on CD or tape. Call 1.503.232.7411 to request the voter pamphlet in this media version.

If you have questions about registration or voting, contact the Clerk's Office: 555 Court St NE, Suite 2130, Salem Phone 503.588.5041 or 1.800.655.5388 (TTY/TDD line at 1.800.735.2900) Fax 503.588.5383 • E-mail: <u>elections@co.marion.or.us</u> Website: <u>www.co.marion.or.us/co/elections</u>

Voting Instructions

Review the Ballot Packet

It should contain at least the following items:

- Printed ballot
- A pre-addressed return envelope
- Secrecy sleeve
- Insert for Ballot Drop Sites

If any items are missing, contact Marion County Clerk - Elections.

Important Ballot Information:

If a ballot has been delivered to your address and it is addressed to <u>someone who does not live at</u> <u>your address</u>:

1. Mark through the address like this:

2. Return to your mailbox, post office or letter carrier.

Notify Marion County Clerk's Office <u>Before</u> Voting The Ballot Delivered To You If:

- Your name is different than that on the label; or
- Your residence address has changed; or
- You have added, deleted or changed a mailing address.

To make sure your vote counts:

- Use a black or blue ink pen.
- Completely fill in the box to the left of your choice.
- To vote on a measure, complete the box next to either the "Yes" or "No",

LIKE THIS:

To Vote:

Use a black or blue ink pen to completely fill in the box to the left of your choice.

To Correct a Mistake:

Draw a line through the entire measure response or candidate's name. You then have the option of making another choice.

To Vote a Write-In:

To vote for a candidate not printed on the ballot, fill in the box provided to the left of "Write-In:", and print the first and last name of your choice on the line.

Important to Remember: Your Return Envelope must be Received by 8 PM Election Night or postmarked by May 17th or will not be Counted.

SAMPLE BALLOT • May 17, 2022 • Primary Election

This sample ballot is a composite of all contests and measures appearing on ballots in Marion County.

Not all voters will vote on every office or measure.

If you have more than one candidate filed for an office on your ballot, you may notice that the names do not appear in alphabetical order as might be expected. A "random alphabet" is drawn by the Secretary of State for every election which determines the order in which the names of candidates will appear on the ballot.

The alphabet for the May 17, 2022, Primary Election is as follows: O R A Q J S L H P Z I W M C N G K T E Y F D V B U X

Remember: Ballots will be mailed beginning April 27th.

County Measures

City of Sublimity

24-460

Fluoride in City of Sublimity drinking water

Question: Should City of Sublimity continue adding fluoride to the City's water supply?

City of Donald

24-461

Authorizes Funding of Police Services

Question: Shall the City impose up to \$254,000 each year for five years for police operating purposes beginning in 2023? This measure may cause property taxes to increase more than three percent.

County Measures

City of Aurora

24-462

Bonds for City Water, Wastewater, Stormwater Systems; Multi-Use Building

Question: Shall the City issue general obligation bonds not to exceed \$7,100,000 for water, wastewater, stormwater, City Hall and community center? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

County Measures

Gervais School Distrct No.1

24-463

Authorizes General Obligation Bonds to Improve and Update School Facilities

Question: Shall Gervais School District No. 1 issue \$31,000,000 general obligation bonds for school capital construction, improvement and repair costs? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

The Full Measures, Explanatory Statements, and any Arguments in Support or Opposition begin on page 27.

Sign up for updates about your Ballot from the Marion County Clerk

The Marion County Clerk is offering a program to voters in Marion County that allows them to track the status of their ballot through automated notifications.

Participating voters will have the option of receiving text, email, or voice alerts at several points on their ballot's journey.

If you have any questions about this service, please call the Marion County Clerk's Office at 503-588-5041.

How does it work?

If you return your voted ballot by mail, the Post Office will charge the State of Oregon for each ballot returned to an Elections Official.

Only those ballots sent back through the mail will have postage charged to the State.

What about Drop sites?

Using one of Marion County's 21 drop sites is faster and will reach us before the deadline.

No postage is charged to either the state or the county if your ballot is returned in a drop site.

You can find a list of drop sites on pages 4-6.

Postmarks NOW count!

IF your ballot is postmarked on election day or before and...... Your ballot arrives in our office within 7 days after election day and...... You have signed the oath on the ballot and...... Your signature matches the signature that is on your election file in our records.....

Your Ballot Will Be Counted!!

Return your ballot.

- By mail (only if Postmarked on or before May 17, 2022)
- At any Official Ballot Drop Site (see list at pages 4-6)
- At the County Clerk's/Elections Office: 555 Court St NE, Suite 2130 (2nd Floor)

Closed Primary Elections in Oregon

Major political parties in Oregon hold primary elections to choose candidates to represent them in general elections. Oregon law allows major political parties to decide whether to hold open or closed primary elections. In a closed party primary, only voters registered with the party holding the primary election can participate in its primary election.

For the May 17, 2022, Primary Election, the major parties will be holding a closed Primary. If you wish to vote for the Democratic Party candidates or the Republican Party candidates in the May Primary you must register with one of those parties by the voter registration and party change deadline, April 26, 2022. Voters registered non-affiliated or with a minor party will receive a ballot with non-partisan offices and any applicable ballot measures.

Partisan offices on the ballot in Marion County in the May 17, 2022, Primary Election (where only members of the Democratic or Republican party can vote on their major party candidates), include the following:

- US Senate
- US Representative of Congress
- Governor
- State Senate
- State Representative
- Marion County Commissioner

There is no cost or membership fees to be part of a political party. You can change your party selection any time by updating your registration at <u>oregonvotes.gov/myvote</u> or by filling out a new Oregon Voter Registration Card. There is a Voter Registration Card in the back of this Voter Pamphlet. However, **if you want to receive a ballot for a major party's primary election you must make changes to party selection no later than the Voter Registration and Party Change Deadline, 21 days before Primary Election Day or by April 26th this year.**

If you have questions or would like more information about closed primary elections and other elections processes:

Visit the Oregon Secretary of State's website at <u>oregonvotes.gov</u> or call 1.866.673.VOTE or 503-986-1518 Fax 503-373-7414 TTY 800-735-2900 <u>elections.sos@sos.oregon.gov</u>

Please Note:

City, County, and District Candidates may participate in the Marion County Voter Pamphlet by paying a fee and completing required and optional information.

Not all candidates choose to participate in the voter pamphlet. Candidate statements appear by district and position and then in the random alphabet order that will appear on the ballot.

Those filing for Precinct Committeeperson are not eligible to file in the voter pamphlet.

For additional candidate contact information visit our website:

http://www.co.marion.or.us/CO/elections

Marion County Commissioner Position 2

Willis Republican

Colm

Occupation: Marion County Commissioner, Position 2

Occupational Background: Small Business Owner; Small Business Attorney

Educational Background: Boston

College; Willamette University College of Law, Civil Rights Award, Valedictorian

Prior Governmental Experience: Staff Member, U.S. Senate Joint Economic Committee; Oregon Right to Life Political Director

Keeping our Communities Safe

- As County Chair, successfully led Marion County through the Beachie Creek Wildfire response and recovery, providing relief to over 1,000 county residents and 1,400 animals
- Stood with law enforcement, and called for rioters to be prosecuted when anti-police riots came to Salem

Promoting Economic Freedom

- Cut property taxes for county residents by \$2.7 million dollars
- Repealed burdensome regulations to make it easier for Marion County businesses to grow and expand

Standing up for Marion County

- Fought back when the governor forced churches, schools, and restaurants to close
- Refused to fire employees based on their personal medical decisions when the governor mandated vaccines

Endorsed by Sheriff Joe Kast

"Commissioner Willis has supported the Sheriff's Office every day and continues to look for ways to provide more support to keep the citizens safe.

Joe Kast, Marion County Sheriff

Supported by Marion County Farmers

"Agriculture is very important in Marion County. The farming community here employs thousands of workers. Commissioner Willis has fought for us every time out-of-touch Portland politicians tried to harm our community. He is someone we can depend on." Tom Fessler, Woodburn Nursery and Azaleas

Endorsed by Oregon Right to Life

"Commissioner Willis has always been a champion for the most vulnerable people in our community. He is someone I know we can depend on to stand up for Life in Marion County."

- Lois Anderson.
 - Executive Director of Oregon Right to Life

With your help, I'll continue to work every day to make our county government worthy of your trust. I would be honored to have your vote.

- Colm Willis

Neighborhood Association Board: Served for more than a decade.

> Occupational Background: Oregon Department of Forestry: Managed contracts for developing FERNS-E-Notification (you may be using this program) and upgrading ODF's accounting systems.

Home-Gardener: Grew and donated more than 300lbs of produce

Oregon Department of Transportation: As Major Projects Environmental Manager, guided many of the state's largest transportation projects through the planning and environmental phases including the Newberg-Dundee Bypass, I-5 Widening/ Salem, Salem River Crossing, and Kruseway/Hwy 217/I-5 Interchange.

David Evans and Associates, ICF International: Forest and Environmental Consultants preparing environmental reports and inventorying timber.

USDA Forest Service: Worked on Willamette and five other National Forests where I fought fires and prepared timber sales; my last four years managing 350,000 acres of the Umatilla National Forest.

University of Minnesota, Oregon State University, University of Washington, Portland State University: Graduate studies in Forestry, Economics, and Systems Science

Prior Governmental Experience: Salem Parks and Recreation Advisory Board

Why I want to be your commissioner

The homeless crisis is growing and the current programs are not adequate to meet the need. Chasing the homeless from place to place is not a solution.

Climate change is contributing to our catastrophic fires, deadly heat waves, droughts, and floods, yet it is rarely mentioned at Commission meetings. We need to prepare.

The people of Marion County want to address these issues; thousands are willing to volunteer and contribute to help those in need, and to build sustainable, prosperous, equitable communities.

I can help our county by serving as your commissioner.

Marion County Justice of the Peace

Justin Kidd

Occupation: I am the current (incumbent) Justice of the Peace

Occupational Background: Senior Assistant Attorney General, Oregon Department of Justice 2019-2021; Assistant Attorney General, Oregon Department of Justice 2009-2019; Coro Fellow in Public Affairs 2003-2004

Educational Background: University of California, Berkeley School of Law, Juris Doctorate; Carnegie Mellon University, Pittsburgh PA, Masters in Public Management; University of Denver, Denver CO, Bachelor's Degree

Prior Governmental Experience: Incumbent Justice of the Peace for Marion County; Senior Assistant Attorney General, Oregon Department of Justice 2019-2021; Assistant Attorney General, Oregon Department of Justice 2009-2019.

I am the presiding judge at the Marion County Justice Court, where I hear small claims cases, landlord-tenant cases, and cases involving alleged violations of traffic laws. I particularly enjoy being "The People's Judge" and I try to use my courtroom to help the people before me solve their problems.

My court hears more than 20,000 cases per year. My goal is to handle cases speedily, cost-effectively, and impartially. Access to justice is deeply important to me, so I am open to ideas on removing barriers that keep justice out of reach. I also perform marriages in English and Spanish.

Oh, No! My signature was NOT accepted!! What do I do?

Marion County Clerk verifies the signature on every ballot with the voter signature on file for each voter.

If it cannot be determined that the signature on the ballot matches the signature on file for a voter, the voter is sent a letter and given 21 calendar days from the date of the election to update their signature.

If you get a letter questioning your signature, you MUST respond. If you do not respond, your ballot will not be counted, your voter registration will be inactivated, and you will not receive a ballot for the next election.

(This information furnished by Justin Kidd and is printed exactly as submitted)

Precinct Committeeperson

What is a Precinct Committeeperson?

If you are a member of the Democratic or Republican party, you will receive a ballot with "Precinct Committeepersons" on it.

- These are people who represent their political party in each precinct on a countywide "Central Committee".
- Precinct Committeepeople help set the party agenda and party platform.
- They act as directors of the local party Central Committee, attend meetings of the committee, help candidates run for office, and conduct the business of the party.
- Central Committees elect people to represent the county at the state level, and those members select the representatives to the national committees.
- Precinct Committeepeople also help select replacements for vacated state and county offices (Oregon House or Senate offices and Marion County Commissioners).

Voting for Precinct Committeepersons (PCPs):

To qualify as a Precinct Committeeperson (PCP), one must have lived in the county and have been registered in their political party for at least 180 days prior to the Primary Election. A person can represent the precinct in which they live, an adjacent precinct (within the same county) or another precinct within the same House District (within the same county). They serve a two-year term.

A Committeeperson is elected in each precinct for every 250 voters (or major part thereof) that are registered in the precinct as of September 11th (251 days prior to the Primary Election). There is a list showing the positions available as well as a list of current position holders from both parties on our website's "Precinct Committee Persons List and Information" page: https://www.co.marion.or.us/CO/elections/Pages/PCPInfo.aspx

Your ballot will indicate how many offices are available in your precinct. For instance, it would say "Vote for Six" if there are six offices available for your precinct. If you are not registered as a Democrat or Republican, Precinct Committeepersons will not appear on your ballot.

- You **do not have to vote** for any PCPs (yes, the rest of your votes still count if you leave something blank).
- You do not have to complete each available position if you do not want to.
- Where a candidate has filed, mark your selection as you would for any other race.
- If you want to write in a name that is not on the ballot, mark the box next to "Write-in", then neatly write the person's name of your choice on the line provided.
- To be elected, a "write-in" candidate must:
 - A. receive at least 3 (three) votes from members of their party in that precinct
 - B. and have filed an SEL 105D before 8:00 P.M. on Election Night
 - C. or someone else must have filed an SEL 105N before 8:00 P.M. on Election Night listing their name as a candidate name to count
- Only write-in candidates who have their name filed with the elections office by 8:00 P.M. on Election Night will have their names listed on the official results.

City of Salem Mayor

Chis Hoy

Occupation: President, Salem City Council; State Representative, House District 21

Occupational Background: 30 years Public Safety service

Educational Background: BA Political Science, Willamette University

Prior Governmental Experience: Vice-Chair, Mid-Willamette Valley Homeless Alliance; Chair, Salem Housing Authority; Member, Marion County Local Public Safety Coordinating Council; Member, Congestion Relief Task Force.

"Smart growth and listening to diverse opinions will make Salem's vision of a thriving, welcoming community a reality." – Chris Hoy

THE LEADERSHIP AND SERVICE WE NEED

Chris Hoy has a track record of leadership and service. There are critical challenges facing Salem and Chris has the experience to lead as we work together to address housing, homelessness, transportation, climate, and other important issues. No other candidate for mayor has more knowledge and experience to lead Salem through this critical time than Chris.

Confronted Homelessness Crisis

As a city councilor, Chris is a leader in finding real solutions to Salem's homeless crisis including making "Housing First" a priority, establishing micro-shelters and "Safe Park" options, coordination with local partners, and much more. As a state representative, Chris was chief sponsor of HB 4037 which allows use of state property for micro-shelters.

Attacked Affordable Housing Shortage

Chris has consistently advocated for affordable housing solutions including removing barriers to multi-family housing, adding mixed-use zones for housing near transit services, and encouraging a variety of affordable options for middle housing.

Protected the Environment

Chris vigorously advocated for improvements to Salem's water treatment facility to add a modern ozone treatment process to ensure clean, safe drinking water for the community and has worked to increase Salem's tree canopy.

Committed to Equity

Chris has uncompromisingly supported diverse, inclusive policies that ensure benefits of growth are enjoyed by all community members. He supported resolutions condemning racism and promoted equity in community engagement activities.

Bachelor of Science in Political Science, University of Miami Ohio

Prior Governmental Experience: City of Salem, Budget Committee (Chair); City of Salem, Planning Commission (President); City of Salem, Climate Action Task Force; City of Salem, Parks & Recreation Advisory Board

Service, Leadership, Integrity

Homelessness

Too many of our community members are being left behind. From my time leading education and rehabilitation programs for incarcerated populations, I know a second chance is possible if people are given the right tools. As mayor, I will ensure that our homeless populations receive individualized care to help them overcome the challenges they face and reach long-term stability.

Affordable Housing

As Salem has grown and changed, it has become less and less affordable to live here. Housing costs have outpaced wages for years, and our community is feeling it. I will use my experience as President of the Planning Commission to identify projects and expedite projects that provide a variety of affordable housing options for Salem.

Public Safety

A myriad of factors has created a less safe environment in our city that we must address. We must take action to ensure our first responders have the resources they need to keep our community safe. As mayor, I will ensure our public safety agencies are transparent, accountable, and well-equipped to meet the needs of Salem.

Transportation

Traffic congestion is a daily problem from Salemites that stems from the City's lack of investment in our transportation infrastructure. It's bad for our workforce, our environment, and our economy. I will prioritize critical investments in our roads, bridges, parking infrastructure, bike and walkways to make Salem safe and convenient for all.

City of Salem City Council - Ward 2

Linda Nishioka

Occupation: Retired, Department Director at Willamette Ear, Nose & Throat Occupational Background: Dental

hygienist, Dental hygiene instructor, Oral surgery assistant

Educational Background: B.S. Dental Hygiene, Oregon Health Sciences University

Prior Governmental Experience: Salem Downtown Advisory Board; Salem Riverfront Park Committee; Salem Streetscape Committee

Community Service: Board, Salem Main Street Association; Past board president, Friends of Straub Environmental Learning Center

I'm running to represent Ward 2 because I believe my experience and background can help make Salem a more livable, healthy, and affordable city. You can count on me to work for:

Vibrant, attractive, walkable downtown. I've helped create art and cultural events downtown. I'll strive to protect trees and add lighting, plants and landscaping to our streetscape and develop pedestrian only thoroughfares.

Responsible development. I support development that encourages more affordable housing and I support business development that serves long-term community well-being. Business partners and I developed an apartment building with smaller affordable units in historic downtown.

Ending Homelessness. While we're expanding shelter and transitional housing options, we also need to expand coordinated support services and increase affordable housing through more multi-family and middle housing options.

An environmentally responsible city. I'll apply my experience as a master recycler and Green Award recipient, and my work providing outdoor learning experiences for kids, to implement our Climate Action Plan. I'll support less reliance on cars through more public transit stops and connected pedestrian and bike paths.

A city that takes care of itself. That means maintaining sidewalks and parks; protecting trees; increased debris cleanup, recreational areas for healthy physical activity; and greater access to mental health services

A city welcoming to all. I support diversity, inclusion and equity as core city values.

Dynee Medlock

Occupation: Lead Network Specialist, MacAtoZ LLC

Occupational Background: Small Business Owner, Full Stack Web Developer

Educational Background: University of Oregon, B.A., Mathematics

Prior Governmental Experience: South Gateway Neighborhood Association, past board member

Community Service: Salem-Keizer Schools Parent Volunteer; MOMS Club of South Salem, past board member

Dynee Medlock is Caring & Capable

Dynee Medlock is a longtime resident of Ward 4, innovative thinker, and loving mother. She values safe neighborhoods, routes to school, and places to play. While serving on the neighborhood association board, she learned the importance of participating in City affairs and advocating for neighborhood interests. Dynee's priorities are:

Homelessness and Affordable Housing

- Support efforts to coordinate social services, safe managed camping, and transitional housing within reason
- Encourage more affordable housing and allow a variety of other housing choices that do not create hardships for existing homeowners

Traffic Safety

- · Listen to residents who warn of unsafe conditions
- Work to build traffic calming measures and implement safety solutions, including improvements to bikeways and crosswalks

Climate Action

- Focus Salem's Climate Action Plan on practical, affordable strategies that reduce greenhouse gas emissions
- Strive to increase the tree canopy that helps improve community resiliency and beautifies Salem
- Ensure Salem is a better place for future generations
- "I am passionate about being a voice for my neighbors in Ward 4.

I will advocate for the interest of the residents and to protect the environment we love. I would appreciate your vote." - Dynee Medlock

McKay High School

Prior Governmental Experience: None

Working to End the Homeless Crisis:

- Homeless is a deeply complex issue.
- I will work to create a stronger partnership with local non-profits, businesses, and the state to accelerate the development and funding for needed navigation centers.

Deanna

Occupation: Principal Broker;

Occupational Background:

Educational Background:

Licensed Real Estate Broker for

Chemeketa Community College;

Gwyn

Mom

29 years

- Mental health services and addiction treatment resources expanded with easier accessibility.
- Job training services are needed to prepare individuals to reenter the workforce.

Ensuring Public Safety:

- Law enforcement need the support of the public and the city.
- Salem needs more police officers to better protect our communities.
- I plan to work with our Police Chief and fellow City Councilors to ensure that the Salem Police Department has all the resources necessary.

Working to Make Housing Affordable:

- Affordable housing must be a priority for our Council.
- We need to create more housing options for current and future residents.
- Working with the Planning Commission to expedite projects involving entry level housing will be a top priority for me.

Balanced and Practical Environmental Policies

- It is our responsibility to be stewards of our environment.
- The city needs to respect the property rights of homeowners and businesses.
- Banning natural gas is not the solution; people need to be able to heat their homes in case of emergencies like the 2021 Ice Storm.

Growing Salem's Economy:

- Small businesses are the bedrock of our economy and provide thousands of jobs to hardworking families.
- As we finally transition out of the pandemic, continuing to support small businesses must be a priority.

Julie Hoy

Occupation: Artist, Small Business Owner

Occupational Background: Recording and Performing Artist; Composer; Speaker; Nonprofit Volunteer

Educational Background: Phil Mattson School of Music; Shoreline Community College

Prior Governmental Experience: None

"Julie Hoy is just the kind of leader we need on the Salem City Council. As a business owner and nonprofit volunteer, Julie has the balanced perspective and skillset needed to bring Salem together and represent Ward 6."

Chuck Bennett, Salem Mayor

As your next City Councilor, Julie will

- · Work to find real solutions for our homeless neighbors
- Prioritize effective public safety
- Work to find solutions to make housing more affordable
 Bostere confidence in our government by being willing
- Restore confidence in our government by being willing to listen and make tough decisions.

As a longtime resident of Ward 6, a business owner, a nonprofit volunteer, and a mom, I can't sit idly by while Salem struggles. From homelessness and mental health, to property crimes, to lack of affordable housing, we need our City Council to do more. I care about the residents of Ward 6 more than any party or ideology. I am running because I believe I have the experience needed to help find solutions that work for everyone.

I have worked in the nonprofit world, providing services to disadvantaged youth and families. I have signed the front and back of a paycheck and understand both perspectives. I want to bring your voice and experience to the council to help our city function better. As your councilor I promise I will listen and do the hard work to find common ground. I am asking for your vote to help move Salem forward with hope for a bright future.

Como su concejal, prometo que escucharé y haré el trabajo duro para encontrar puntos en común. Le pido su voto para ayudar a Salem adelante con esperanza para un futuro billiante.

BUILDING A CARING COMMUNITY AND GIVING US A VOICE

My career and training is focused on caring for others and helping them recover from physical and mental setbacks, to remain independent, and lead productive lives. I want a Salem that cares for all its citizens and supports our diverse, but historically underserved, Ward 6 with a <u>fair share</u> of City investments.

I will help build this community by:

- Encouraging more <u>affordable housing</u> with easier access to services and public transportation.
- · Providing free bus passes to students.
- Establishing <u>shelters and facilities</u> to get our houseless neighbors off the sidewalks and out of parks, including increasing shelters and services for youth and those with mental health challenges.
- Creating a <u>Mobile Crisis Response Unit</u>.
- Getting a <u>public transit hub</u> in Ward 6 and a connected system of sidewalks and bikeways.
- Ensuring <u>safe sidewalks</u> on busy streets like Center, so kids can walk to school safely, and people can walk to work and services.
- Opening a <u>branch library</u> in Ward 6 where kids can learn to read, and residents have a community center with internet access.
- Creating local jobs and <u>supporting small and minority</u> <u>businesses</u>, including a community solar project for jobs and low-cost clean power in Ward 6.
- <u>Embracing diversity</u>, and making <u>equity</u> a consideration in every Council decision.

Measure No. 24-460 City of Sublimity

Fluoride in City of Sublimity drinking water

Question: Should City of Sublimity continue adding fluoride to the City's water supply?

Summary: The City of Sublimity asks its registered voters whether the city should continue the practice of adding fluoride to its water supply. Fluoride is currently added to the City's water supply. A "yes" vote means you want the City to continue adding fluoride to its water supply. A "no" vote means you want the City to stop adding fluoride to its water supply. If the majority of the City's electors vote "yes", then fluoride will continue to be added to the City's electors vote "yes", then fluoride will continue to be added to the City's electors vote "no", then the City will stop the practice of adding fluoride to the City's water supply.

Measure No. 24-460 City of Sublimity

Explanatory Statement:

The City of Sublimity asks its registered voters whether the city should continue the practice of adding fluoride to its water supply. Fluoride is currently added to the City's water supply. A "yes" vote means you want the City to continue adding fluoride to its water supply. A "no" vote means you want the City to stop adding fluoride to its water supply. If the majority of the City's electors vote "yes", then fluoride will continue to be added to the City's water supply. If the majority of the City's electors vote "no", then the City will stop the practice of adding fluoride to the City's water supply.

This Information Submitted by: Katie Scott City Recorder City of Sublimity

NO ARGUMENTS WERE SUBMITTED IN SUPPORT OF THIS MEASURE

Measure No. 24-460 City of Sublimity

Argument in Opposition:

Water fluoridation has been an ongoing process in the US since the mid 1940s. Sublimity has been fluoridating its water since July 1955. According to Sublimity city records, the issue of adding fluoride to our water has not been revisited since then. Of the 74 water districts in Marion county, only 6 still add fluoride to their water. What do the other 68 districts know that we don't know?

Fluoride is a waste product of phosphate fertilizer production. It is added to our water supplies in the name of preventing tooth decay. But is it really necessary? Over 95% of toothpastes contain fluoride. A single strip of toothpaste covering the length of a child's brush contains between 0.75 to 1.5 mg of fluoride. This exceeds the amount of fluoride in most prescription fluoride supplements (0.25 to 1.0 mg). On top of this, most ground water contains some amount of fluoride.

More importantly, fluoride has been linked to reduced IQs in humans. According to the Fluoride Action Network (fluoridealert.org), as of January 2022, a total of 83 worldwide studies have investigated the relationship between fluoride and human intelligence. Of these investigations, 74 studies have found that elevated fluoride exposure is associated with reduced IQ in humans. In 1997, the FDA ordered toothpaste manufacturers to add a poison warning on all fluoride toothpastes sold in the US. The warning reads: Keep out of reach of children under 6 years of age.

I know this is a controversial issue. I am thankful that the Sublimity city council has agreed to allow this to be decide by the citizens. I just ask that you do your own research before the election, so you can make an informed decision.

The printing of this argument does not constitute an endorsement by Marion County, nor does the county warrant the accuracy or truth of any statements made in the argument. Marion County does not correct errors in spelling or grammar.

Measure No. 24-461 City of Donald

Authorizes Funding of Police Services

Question: Shall the City impose up to \$254,000 each year for five years for police operating purposes beginning in 2023? This measure may cause property taxes to increase more than three percent.

Summary: The taxes needed total \$1,065,414.44. The taxes will be used to contract with the Marion County Sheriff's office to provide a police officer and equipment to exclusively serve the City of Donald during prescribed hours. It is estimated that the proposed tax will result in a rate of \$2.07 per \$1000.00 of assessed value in the first year. The estimated tax cost for this measure is a ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate and may reflect the impact of early payment discounts, compression and the collection rate.

Measure No. 24-461 City of Donald

Explanatory Statement:

The City of Donald currently contracts with the Marion County Sheriff's Office to provide police services within the City of Donald. For the past five years, the cost of this police service has averaged \$42,100 per year, paid from the general revenues of the City. The City of Donald's current police coverage is subject to the schedule and demands of the Sheriff's Offices' other obligations to County residents and police clients. Approval of this measure will fund the purchase of a City police vehicle and training of a Marion County Sheriff's Deputy that will patrol and enforce the laws 40 hours per week on a schedule established by the City.

Information Submitted by: Eric Underwood City Manager City of Donald

NO ARGUMENTS IN SUPPORT OR OPPOSITION TO THIS MEASURE WERE SUBMITTED

Measure No. 24-462 City of Aurora

Bonds for City Water, Wastewater, Stormwater Systems; Multi-Use Building

Question: Shall the City issue general obligation bonds not to exceed \$7,100,000 for water, wastewater, stormwater, City Hall and community center? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: The City of Aurora seeks approval to issue general obligation bonds to finance capital costs of the City including:

-Improvements to water systems including capacity to better respond to fires throughout the community, pump station on the north side of Mill Creek, and emergency generators for wells.

-Improvements to wastewater and stormwater systems including replacing storage tank liners and chemical storage facilities.

-Construction and equipping of a multipurpose building for City Hall, community events, library, and emergency management hub and shelter during extreme weather conditions and natural disasters.

-Property purchase.

-Capitalized interest and costs of issuance.

The principal of the Bonds would not exceed \$7,100,000. Bonds would mature in 21 years or less from date of issuance and may be issued in one or more series. If approved, the average annual tax rate is estimated to be \$2.90 per \$1,000 of assessed value. Actual rates may vary based upon interest rates incurred and changes in assessed value.

Measure No. 24-462 City of Aurora

Explanatory Statement:

City of Aurora voters in 1997 approved a bond to construct the community's wastewater system. Built in part by residents, maintained by the City, and supported by taxpayers, the wastewater system has served residents for the past 20 years. In that time, the number of residents served by this system has doubled - as well as the addition of numerous local businesses.

With the 1997 bond scheduled to be fully repaid in 2024, the City Council has led a community engagement effort for the past several years to update City master plans to ensure systems can continue to meet community needs. A priority in these assessments has been ensuring system sustainability and avoiding a maintenance backlog as costs are expetced to get higher to maintain the systems.

The City of Aurora seeks approval to issue general obligation bonds to finance capital costs of the City including:

-Improvements to water systems including capacity to better respond to fires throughout the community, pump station on the north side of Mill Creek, and emergency generators for wells.

-Improvements to wastewater and stormwater systems including replacing storage tank liners and chemical storage facilities.

-Construction and equipping of a multipurpose building for City Hall, community events, library, and emergency management hub and shelter during extreme weather conditions and natural disasters.

-Property purchase.

-Capitalized interest and costs of issuance.

The principal of the Bonds would not exceed \$7,100,000. Bonds would mature in 21 years or less from date of issuance and may be issued in one or more series. If approved, the average annual tax rate is estimated to be \$2.90 per \$1,000 of assessed value. Actual rates may vary based upon interest rates incurred and changes in assessed value.

If the bond measure does not pass, the proposed improvement projects would be deferred or eliminated. The City Council may also bring a redrawn plan to voters at a future date.

Information Submitted by: Stuart Rodgers City Recorder City of Aurora

Measure No. 24-462 City of Aurora

Argument in Support:

Vote "YES" for the Future of Aurora #24-462

The City of Aurora is a story in the history of Oregon. It continues to evolve and grow while maintaining its historical roots. Its residents have continually invested in its foundation since its incorporation in 1893 based on a colony founded in 1856. We must maintain this thriving community by continuing to invest in its infrastructure. Much of our city's systems are past their lifespan and other systems need to advance with newer technology for the future.

The children in our community deserve to inherit a thriving city that has the resources to fulfill their needs and hopes. Pride in our community is to have a new city hall with a community area for our residents to commune together. Infrastructure will allow our homes and businesses to continue to be healthy and safe places for families to thrive. Community spirit in a well-maintained city will generate the pride and jobs needed for our children to build their lives here.

Our city water and sewer systems are over 20 years old and some of our water pipes are over 60 years old. When we invest in keeping these vital systems efficient and with current technology, we also lower the operating costs over maintaining old equipment and waiting for them to break down. The city has upgraded some of the distribution and collection system in the last 15 years. We need to do more to expand our needs for fire safety and growth.

The bond is a replacement bond designed to keep taxes close to the current rate. The estimated \$2.90/\$1,000 of assessed value will bring \$7,000,000 of investment to our city. This amount along with the state and federal grant money will take the City of Aurora a long way to keeping our city thriving and valued as a great place to live for many years to come.

The North Marion Community Library Association asks you to vote YES on Measure 24-462

Vote YES for a smart way to invest in our town

A YES vote on this bond will help fund critical projects, such as upgrading at-capacity water and sewer systems and building a much-needed community center.

The timing is also right for our wallets. Some of the property taxes we currently pay help fund public works projects. Voting YES on this bond would continue to provide funding from property taxes for Aurora projects, as this bond <u>replaces</u> the bond expiring in 2024.

Vote YES to help build the community center Aurora desperately needs

Replacing the declining city hall building with a new community center will create a welcoming place for residents and visitors to do business with the city, and also provide flexible community gathering spaces for meetings and events, a warming and cooling center during emergencies-- and a permanent home for our volunteer-led library.

Vote YES for a forever home for your community library

In 2010, a scrappy group of book lovers wanting a truly local library founded the North Marion Community Library in the basement of the Aurora Presbyterian Church. Today, more than 600 people hold library cards and library shelves hold more than 5,000 titles, with operations supported entirely through fundraisers and donations.

We ask Aurora voters to support this bond, which will help create a permanent library in the new community center. A library that offers the latest books as well as a place for story times, reading and learning groups, free wi-fi and computer time, author events, and much more.

As members of the North Marion Community Library Association and members of the Aurora community, we encourage you to join us in voting YES on Measure 24-462.

(This information furnished by Alison Ryan Hansen, North Marion Community Library Association)

Oregon Legislative Redistricting

Redistricting is the once-a-decade process that takes place following the U.S. Census. It is a process of redrawing United States House of Representatives (Congressional) and Oregon State Senate and State House of Representatives (Legislative) district boundaries to account for changes in population.

Oregon's state Legislative redistricting process is detailed in Article IV, section 6 of the Oregon Constitution. The Constitution gives the Oregon Legislature clear authority over the process, with the Secretary of State as a backstop if, for some reason, the Legislature is unable to complete its process.

On September 27, 2021, the Oregon Legislative Assembly completed the adoption of new congressional and legislative redistricting plans for Oregon with the passage of Senate Bill 881 A and Senate Bill 882. These plans were signed into law by Governor Brown and subsequently upheld by the courts. Elections using these new plans will take place in 2022 with those elected taking their seats in January of 2023.

Information about locating an interactive map for the new state legislative districts can be found on the Oregon Secretary of State's website -<u>https://sos.oregon.gov/redistricting.</u>

The Marion County website also has redistricting information with local and state district maps at <u>https://www.co.marion.or.us/CO/elections/Pages/</u><u>ElectionPubFormsMaps.aspx.</u> You can click on the Marion County Election Precinct Map at this site, type in your address, and the information specific to that address will appear.

All Marion County voters were mailed new voter notification cards because of the redistricting process. Some voters may now have a new precinct number and possibly different federal and state representative and senate districts to vote in. Your Primary election ballot will reflect any of the changes that were made to your voting address area by redistricting. Measure No. 24-463 Gervais School District No. 1

Authorizes General Obligation Bonds to Improve and Update School Facilities

Question: Shall Gervais School District No. 1 issue \$31,000,000 general obligation bonds for school capital construction, improvement and repair costs? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: The District has been awarded a \$4,000,000 State grant, which will be available only if the bonds are approved.

If approved, bond and grant would fund capital costs within the District, including:

Middle School

-Construct new multipurpose building for dining, performing arts, STEM, community use -Addition, remodel, improvements to existing building, parking, walkways

High School

-Construct new classrooms, restrooms, covered walkway, vestibule -Remodel, improvements to existing building including roof, career and technical education space

Elementary School -Remodel, improvements to existing building including covered play area, accessibility, roof

Athletic fields turf, concessions, lighting, bleachers

District wide improvements to security and safety, sites, restrooms, locker rooms, HVAC, demolition, furnishings, equipment, seismic safety

Refinance existing loan

Bond Issuance costs

Bonds would mature in 25 years or less from the date of issuance and may be issued in one or more series. If approved, the bond tax rate is estimated to be \$2.21 per \$1,000.00 of assessed value. Actual rates may vary based upon interest rates incurred and changes in assessed value.

Measure No. 24-463 Gervais School District No. 1

Explanatory Statement:

The Gervais School District No. 1 was awarded a \$4 million grant from the state of Oregon if the voters approve the \$31 million general obligation bond.

Gervais Elementary School was built in 1934 and has had minor additions and remodeling over the years. The same goes for Gervais High School, which was built in 1963. Gervais Middle School, consisting of two prefabricated modular buildings, was constructed as the district consolidated to provide a separate facility for 6th through 8th graders. It provided classrooms but no common areas.

The district recently formed a Pre-Bond Planning Committee of parents, staff, and community stakeholders to identify the essential projects to include in a new bond.

The initial project list was longer than the current list. The committee whittled it down from \$61 million to \$35 million (\$31 million from the proposed bond and \$4 million from the state grant).

Bond funds would be used at Gervais Elementary School for:

- new windows
- · roof replacement, repair
- new HVAC system
- outdoor play structure
- remodeled front entry for ADA access
- remodeled library
- new lighting in classrooms
- improved security systems throughout the campus

Bond funds would be used at Gervais Middle School for:

- · added cafeteria and kitchen
- add stage
- new science classrooms
- additional bathrooms
- secure fencing around the campus
- new main entrance
- enlarged existing classrooms
- library and STEM makerspace

Bond funds would be used at Gervais High School for:

- roof replacement
- two new classrooms
- · covered walkway to connect the wings
- remodeled gym space including the mezzanine, locker rooms and weight room
- remodeled bathrooms
- · remodeled front entry and office
- remodeled science, art and agricultural classrooms
- remodeled library space
- new indoor concession stand and student store
- new culinary arts classroom (shared with middle school)

Measure No. 24-463 Gervais School District No. 1

Explanatory Statement continued:

Bond funds would be used on athletic facilities for:

- new bleachers on main football/soccer field
- added bleachers to the visitor side
- new concession stand and bathrooms
- new field lighting
- new scoreboards
- upgraded press box

• the balance of the total expense for artificial turf on the football/soccer field (The district was recently awarded an \$800,000 turf grant, leaving about \$350,000 to be financed through bond dollars and sponsorships.)

As required by Oregon law, if the bond passes, a community oversight committee will be formed and charged with ensuring the monies spent align with the bond as described on the ballot measure. If approved, the bond tax rate is estimated to be \$2.21 per \$1,000 of asessed value. Actual rates may vary based upon interest rates incurred and changes in assessed value.

Information Submitted by: Dandy Stevens Superintendent Gervais School District No.1

NO ARGUMENTS WERE SUBMITTED IN OPPOSITION TO THIS MEASURE

Measure No. 24-463 Gervais School District No. 1

Argument in Support:

As educators in the Gervais School District, we are committed to serving your students and providing the very best educational experiences for all of them. The staff values the relationships and traditions only a small town and small school district can provide. Many educators have been in the district for several decades. You know us because we taught you, your children, and maybe even your grandchildren.

Today, we are humbly asking the community for a financial commitment in their schools. We must address the spaces and facilities that have served unchanged over the decades and are in dire need of upgrades. It is important to have spaces that foster learning rather than creating obstacles to learning. While our custodial/maintenance staff continues to do a phenomenal job, eventually everything reaches a point that is beyond simple repairs. We are at that point in the district. Our students deserve windows and roofs that hold out the rain and weather, heating systems that provide adequate airflow and comfort, spaces that foster 21st century learning and collaboration, and athletic facilities that they can be proud of. A comprehensive list of bond projects is on the district's website.

We understand that every dollar in your household counts in this economic climate, but there may not be a better time to act. As we know, construction costs are not going to decrease over time. The district has secured several grants, including one for \$4 million, that may not be available again and can only be used if the bond passes. Gervais is one of the only districts in the Willamette Valley without bond dollars supporting improvements in our buildings and it is very apparent.

We ask that you consider helping us to instill community pride and a renewed enthusiasm in our schools.

Sincerely, Licensed staff of Gervais School District

(This information furnished by Michelle Chase, President Gervais Education Association)

Marion County Clerk - Elections

Physical Address: 555 Court St NE

Need Help or Information?

Make a mistake on your ballot? or Spilled coffee on your ballot?

We can help! Marion Co Clerk/Elections 503-588-5041

2nd Floor-Courthouse Square 555 Court St - Ste 2130, Salem

Vote by Mail How Convenient!

Trusted and Secure!

You can vote without leaving your home. Just place your voted ballot in the mail. Since postage is paid for return ballots by mail, you will not need to find a stamp. Please get your ballot in the mail early to insure that it is postmarked NO LATER than May 17th, election day. Better yet, drop your ballot in a ballot drop box before or on election day.

Ballot drop sites in the county are shown on pages 4-6 of this pamphlet. Curbside Drop Boxes are open beginning April 27th, 24 hours a day, until 8PM election day. Also, the Oregon Secretary of State's Oregon Drop Site Locator, <u>www.sos.oregon.gov</u>, will show ballot drop sites close to any location in Oregon. Just type in your address, or a nearby address.

If you need another ballot or have questions, we are open normal business hours, 8:30AM-5:00PM at 555 Court St, Ste 2130, in Salem. We can also serve you by phone and email. **503.588.5041 or** <u>elections@co.marion.or.us</u>

Be careful of the election voting information you rely on. The FBI, US Department of Homeland Security and the US Justice Department have warned that we will likely see an increase of false voting information, especially via social media. This threat may be further heightened due to our focus on the COVID-19 pandemic. Some want to discourage you from voting. Don't let them. Make your voice heard. If you question any voting information, please check our website, the Oregon Secretary of State website <u>www.oregonvotes.gov</u>, or call us at 503.588.5041.

If you have a signature issue, mismatch signature or unsigned ballot, you must complete and return the form we will send so that your ballot can be counted. Please return any correspondence as soon as you receive it. **We must have your reply by June 7**, so please mail early. If you cannot mail the form so that we get it on time, you can always bring it to our office on weekdays between the hours of 8:30AM and 5:00PM, 555 Court St - Suite 2130, in Salem.

Thank you for your flexibility as we again safely conduct a Marion County Election.

The Latest from USPS What is Informed Delivery?

Informed Delivery is a new consumer-facing feature offered by USPS® that provides users with digital previews of their household mail arriving soon.

Informed Delivery is free and makes mail more convenient by allowing users to view what is coming to their mailbox whenever and wherever - even while traveling, on a computer, tablet or mobile device.

To automate the sortation and delivery of mail, the United States Postal Service® (USPS) digitally images the front of letter-size mailpieces that run through automation equipment. USPS is now using those images to provide digital notifications to users in advance of the delivery of physical mail.

How does Informed Delivery® work? What will I see?

Informed Delivery allows users to interact with their incoming mail and packages in one convenient, online location. Users receive emails containing images of the exterior, address side of incoming lettersize mailpieces. These images are also accessible on the Informed Delivery dashboard at *informeddelivery.usps.com*. Some mailpieces (e.g., catalogues or magazines) may not be imaged by the automation equipment.

Users can also provide delivery instructions to USPS, manage their notifications, and schedule redelivery from the dashboard. Users can also receive USPS Tracking updates for incoming packages via separate email or text notifications. The dashboard displays mailpiece images for a seven-day period.

What does Informed Delivery® cost consumers?

The feature is provided at no additional cost for all Informed Delivery users.

Where is Informed Delivery® currently offered?

Informed Delivery is now available to eligible residential consumers in the majority of ZIP Codes™ across the country. You can use the ZIP Code lookup tool on *informeddelivery.usps.com* to see if Informed Delivery is offered in your area.

Who is able to use Informed Delivery® and are there limitations on participation?

The United States Postal Service® currently provides the feature for delivery points in eligible ZIP Code[™] locations for which mail can be sorted on automated equipment; and where there is a unique delivery ZIP Code, down to the apartment level. Interested consumers must also complete identity verification to confirm they live at the address. As an additional security measure, a mail-based verification letter is also sent to the account address to give the customer the opportunity to remove the account if desired.

Is Informed Delivery® available to businesses?

No. The feature is available to residential customers and eligible personal P.O. Box[™] addresses, but Informed Delivery is not currently available to business customers.

Signing Up

Go to *informeddelivery.usps.com* and follow the step by step directions. You may also download or print a step-by-step **Informed Delivery Sign Up Guide.**

How soon after requesting the feature will I begin receiving notifications?

Activation time for the feature may vary, but typically you will begin to receive notifications within three business days. Notifications containing mailpiece images will be sent on days when letter-size mail is being processed and delivered to the home. Notifications are not sent on days when there is no mail to be delivered, or on Sundays or federal holidays.

Privacy/Security Concerns

How can I be sure that notification emails are from USPS® and not spam?

All emails from the Postal Service® originate from their mail system and the contents are strictly images of the mailpieces associated with the customer's delivery address. Email messages will be sent from <u>USPSInformedDelivery@usps.gov</u> to the email associated with an Informed Delivery user's usps.com® account.

How secure is Informed Delivery®? Should I be concerned about my privacy?

The Postal Service® takes the privacy of customers' mail very seriously and takes measures to ensure that all personal information is protected. USPS® follows industry best practices to verify your identity, including the use of a mail-based verification letter.

•The scanned mail images are of the external markings, showing only the exterior, address side of letter-size mailpieces.

•Your mail is protected by the U.S. Postal Inspection Service®, whose sole mandate is to safeguard the entire Postal Service® system, including the employees who deliver and process the mail and millions of customers who use it.

•The Postal Service adheres to the privacy requirements of the Privacy Act established by the federal government which controls when and how the USPS shares personal information and limits the conditions in which that information can be disclosed externally to outside parties.
