SPEAKER BIOS

Nicole S. Ramos graduated with a degree in Economics from Oregon State University and recently joined the Oregon Employment Department as a Workforce Analyst for the Mid-Valley region, which covers Linn, Marion, Polk, and Yamhill counties. If you need labor market information or economic data in this area, she can help you out.

Henry Fields is the Workforce Analyst for Lane and Douglas Counties with the Oregon Employment Department. In his role, he provides economic data and labor market information about the area to improve business decisions. Raised in Coos Bay, he earned a BA from the University of Oregon and a graduate degree in public administration from Indiana University.

Pat O'Connor has been an economist with the Oregon Employment Department for the past twenty years. He covers the mid-Willamette Valley, which includes Marion, Polk, Yamhill, Benton, and Linn counties. Pat was born and raised in Corvallis, Oregon. He didn't travel far to attend college; he is a proud alumnus of Oregon State University, where he earned his BS degree in Agricultural and Resource Economics. His hobbies include growing roses, golfing, and playing guitar. Pat lives in Corvallis with his wife, Stephanie, and daughter Nora, who is in seventh grade.
