Agenda Item	Notes
Call to order and Introductions Review & approve previous minutes from 5.4.23	(Change “not filled” to “filled” beds re: His Place Update) Cleo made motion, Carlos second. Minutes approved. Meeting minutes from 5/4/23 LADPC Meeting approved as written
Overview of recent conferences - <b>Josh</b>	<p>Josh:</p> <ul style="list-style-type: none"> <li>-OPAK conference had great information, a couple lively presentations, but mostly dry and geared toward medical professionals. It would be great to see more people attend in the future!</li> <li>-DUI conference also had great information and encompassed ALL aspects of driving under the influence, not just alcohol. Josh learned there are 16,489 different analogs behind fentanyl which allows cartels and drug groups to go under the radar. Bridgeway and others would benefit going.</li> <li>-Peer Apocalypse. Josh won't be sending his peers next year.</li> <li>-Oregon Recovers had great speakers. Marion county should get involved next time! Tim Murphy ended up not being able to speak due to time conflict. RFPs, which allow us to present/pitch an idea of what we want to present on, are due earlier than normal.</li> </ul> <p>Teri: OPAK was great. There is a big disconnect between opiates and pregnancy. Teri was able to connect with several new providers. It was cool to see that Marion County is ahead of the curve with the work we're doing. Teri plans to be at the DUI conference next time.            With so many back-to-back conferences, it was very difficult to attend them all.</p> <p>Diana is wondering if cannabis was touched on at DUI conference. Josh said a state trooper from Missouri flew in from and challenged the officers in the room to look at cannabis differently. They hope to bring that topic back next year.</p> <p>Teri loved Top Cop! He does virtual trainings as well if we're interested in that down the road.</p>

## Minutes

Program Updates - Carol	<p>On the verge of opening the 2<sup>nd</sup> house at His Place in July. It will give us additional 4 beds.  Hired an employment specialist for BHRN, Aiden, working with Josh and is located at the Bridgeway Front Street office.  Expanded Prime Plus out to Santiam Hospital.  15 women from Her Place have gone on to work for us our community.</p>
Overdose Awareness Day Event & National Recovery Month - <b>Teri</b>	<p>Teri: August 31<sup>st</sup> is Overdose Awareness Day. There will be an Outreach Event with BHRN partners to show off what they have done and provide information. Location is TBD. Flier to come soon!</p>
The future of LADPC (potential projects, future vision) - <b>Committee</b>	<p>Next meeting is September, which is National Recovery Month and Hands Across the Bridge.</p> <p>Teri is wondering if we can move the meeting to 8:30-10:00 ongoing. A motion was made, there was a second and all are in favor. Sara will make the change on the calendar invite.</p> <p>Have someone that wants to join? Connect them with Josh! Consumer of services? Chemeketa? Other schools? The canyon? Substance abuse prevention coalition? Family Building Blocks?</p>
Member Updates	<p>Diana: Carol, Jill, and her met with Patrick Sullivan from Community Medical Services. They run drop-in opioid clinics around the country, and plan to open one in Salem in August on 702 Church Street.  Substance Use Coalition is moving along and rebuilding. There's a consultant on board to help prepare for applying for Drug Free Community funding in 2024! Still looking for civic/volunteer representation. Reach out to Diana if you have anyone!</p> <p>Cleo: Very busy! Seeing more and more young girls "sharing" pills and then getting hooked fast.</p> <p>Carlos: Close to closing on property in Keizer for women's stabilization housing. Hopefully to open in September!</p> <p>Jill: Did anyone receive a meeting invite for the 3<sup>rd</sup> day of the month? It's a computer glitch, not from Jill!</p> <p>Dyan: Babies are having longer withdraw time after delivery than ever. Teri said this has been happening for the past 5 years. The symptoms take a while to appear. Teri will invite Dyan to the NOWS Committee meetings.  If anyone wants to meet with Josh in July and August, let him know!</p>
Adjourn	Adjourn at 9:10

**Next Meeting: September 7<sup>th</sup>, 2023, 8:30am-10:00am**
