TO: **SYSTEMS MANAGEMENT GROUP-CLINICAL SUPERVISORS**

FROM: COMMUNITY AND PROVIDER SERVICES

SUBJECT: SMG AGENDA FEBRUARY 14, 2011-1:30 TO 3:00

D	I		**AGENDA**
	I	5 min	I. Introductions and Announcements-Cary • Anything for the good of the order?
	I	5 min	V. Integrated Services and Supports Rules • How is everyone doing with updating policy and procedures? • In what ways is the ISSR improving practice? • CAPS is available for support as needed.
D		20 min	III. EBP's-Everyone • Who is using what practice and to what degree is fidelity expected and measured? • Fidelity based on individual need versus funding for EBP package? The difference? • Who is building up an EBP practice and moving toward fidelity?
D		40 min.	IV. ASAM-Cary, Scott, Everyone • How often are levels of care re-evaluated? What does "based on the needs of the individual" mean? • What is the difference between program driven and person driven treatment approaches? • How do we avoid automatic pilot when assigning levels of care? Does a one time relapse mean an increase in level of care? • UA's-dilute versus valid and positive?
D		20 min	II. Finding Meaning in SMG Clinical Supervisor Meetings-Everyone • What would this group like to get out of meeting with community partners? • How do we make the best use of the clinical expertise that attends this meeting?
			VI. Agenda items for next meeting • Medical homes for clients engaged in CD services • Developing ambulatory detoxification capacity for benzodiazepines
