IV. New Contract Year

- For indigent services in Marion County there has been about \$444,000 worth of services that have been contracted out to the panel. That's not all of the state general fund money that is awarded to Marion County. There is some internal activities done with the rest of the money. After some internal reviews there was more dollars attached to adolescents that have OHP. Within the Marion County system there is about \$85,000 dollars of redistributed funds.
- IDPF for Marion County is \$211,000 new dollars from January 2012 legislation from the higher fines. This money needs to be tracked separately.
