The Registry

Looking for work? Check the "Help Wanted" section for consumers looking for a worker. Select the county or counties where you want to work to find listings. Click the "Expand" button to make sure you meet the person's needs before calling. The Registry web address is: <https://or-hcc.org/>

To be referred on the Registry, HCWs and PSWs are required to have the following annual continuing education:

- Complete four (4) training classes a year – If you are new, you have one year from the date you receive your provider number to complete these classes.
- At least once every two years, you must complete one of the following OHCC Safety training classes – PASS, PDT, TRIPS, or COMPASS.
- The other seven (7) classes in those two years can be any class approved for your group (COMPASS counts as two classes).

For help with the Registry, read our Quick Guide found here: <https://go.usa.gov/xEUNZ>

Training Completion & Stipends for Attending Classes

HCWs and PSWs may be paid a stipend for attending classes if they meet these criteria:

- ◆ Have an active provider number.
- ◆ Have authorized and paid state provider hours within 3 calendar months prior to the month of the training or during the month the training is held. (Independent Choice Program workers must provide a pay stub or statement from their employer).
- ◆ Have not received a stipend for the same class in the previous 12 months.
- ◆ If you miss more than 15 minutes of the class, the pay is pro-rated for the time attended and you will not receive a certificate of completion for the class.

These payments are not considered work hours and will not have withholding. Training hours are not used to determine benefit eligibility. Stipends are paid at the base rate of \$14.65.

Please allow approximately 9-12 weeks to receive payment and for the classes to appear as completed in your Registry profile. If you have not received payment by then, please send an e-mail to Training.OHCC@dhsosha.state.or.us

Adult Foster Care (AFC) and private pay providers DO NOT receive stipend pay for attending classes. Please refer to the list of class descriptions for 'AFC CEU' approved classes.

Homecare Worker Driver's License and Insurance Requirement

Information for HCWs that receive mileage and or travel time.

The current Collective Bargaining Agreement (CBA) requires homecare workers (HCWs) to have a current, valid driver's license and motor vehicle insurance if they are using their own vehicle and are claiming one or both of the following:

- Authorized non-medical mileage reimbursement; or,
- Travel time between consumer-employers.

If this applies to you, and you haven't done so yet, please show your driver's license and insurance card to the local office where you turn in your voucher. The local office staff will document this review. You will need to provide your insurance information each time you renew your policy, or at a minimum, every six months.

- If you do not have insurance or a driver's license, you are not allowed to transport consumer-employers.
- If your name is not on the insurance, however it is your vehicle, that is acceptable at this time.
- If you only have liability insurance, please contact the insurance company and explain that you use your vehicle for transporting individuals for business needs.

Aging and People w/ Disabilities is determining which HCWs have provided the documentation to the local office. If you have not provided the documentation yet, you may receive a letter in the mail as a reminder to do so. If you do not provide your driver's license and insurance information to the local office, future mileage reimbursements and/or travel time may not be paid or issued until you provide the documents to the local office. If you have questions or concerns, call 844-369-4164.

Online Courses in iLearnOregon

The Oregon Home Care Commission now offers three online courses for homecare and personal support workers: “*Helping Caregivers Fight Fraud & Abuse*,” “*Keeping It Professional*,” and “*Working Together*.” All are now available on iLearnOregon. Providers are now able to complete the three Core Courses required for the Professional Development Certification entirely online.

The three core online courses provide another means for workers to receive training rather than just the traditional in-person classroom setting. Workers may choose which learning environment they feel works best for them!

Once the registration on iLearnOregon is complete (see the following page), a worker will be able to sign up to take a course. It is very important that providers use the online course links provided by OHCC. The links for each of the available courses can be found **below** and in the written instructions for registering. Each course has three parts to the course curriculum: the worker guide, the course itself and the online assessment. The worker guide can be downloaded and saved on the computer or it can be printed out. The online assessment is included and workers who are working towards their *Professional Development Certification*, will need to complete the assessment and score 80% to receive credit for the assessment. The iLearnOregon course assessment is online for those who have completed the course online and not for workers who have completed the course in the in-person classroom setting (there is another assessment option for those in the classroom).

If the course taken in iLearnOregon is the exact class offered in the in-person classroom, then the worker will qualify for a stipend for the online course on the 12th month of receiving a stipend for the in-person classroom. To request a stipend once the course is complete, the worker will take the assessment (if they want to earn PDC credit), and then fill out an online Training Participation Record (TPR) form. The TPR includes required information that the OHCC staff needs to give the worker credit for the course and process a stipend. Workers who fail to complete their TPR accurately will experience a delay in credit and stipend payment. Detailed instructions to request a stipend are given at the end of each course.

Important:

- ◆ The online courses do require access to a computer and are not recommended or designed for tablets or smart phones
- ◆ Although most workers do have access to a computer, some workers may not. Public computer access will vary, depending on the community; options may include libraries or WorkSource Oregon
- ◆ Courses in iLearnOregon should be accessed through either Firefox (recommended), Chrome, Edge, or Safari. Do NOT use Internet Explorer
- ◆ Workers can reset their own password in iLearnOregon from the login page

Your iLearnOregon Account

Providers must register for an iLearnOregon account before you can register yourself for a class. Once you have registered as a user with iLearnOregon, you won't have to complete that step again. iLearnOregon is password protected and if you forget your password you may easily request a reset from iLearnOregon login page. Of course, be sure to save your username and password once created!

How?

You may create your iLearnOregon account by following the detailed instructions found on the Oregon Home Care Commission website at <https://go.usa.gov/xU5HZ>. Workers should be aware that if they do not follow the written instructions exactly, they may find themselves unable to register or take the course.

Notifications will be automatically generated to you based upon the email address you enter in iLearnOregon. If for some reason you fail to receive a confirmation email for a course you have registered for, go back in and verify your email address.

Stipends? Course Credit?

OHCC depends upon the Registry to help calculate the "No Show" rate as well as the 12-month stipends rule. Additionally, consumers can view which courses a worker has completed. To ensure these business practices are in place, OHCC staff will manually register any registration information from iLearnOregon into the Registry. Stipends are ONLY issued for the OHCC courses.

If you run into any problems using iLearnOregon, please email DHS.TRAINING@dhsola.state.or.us or call (503) 947-5457 between 8:00 AM – 4:30 PM, Monday - Friday (except holidays).

Certifications.ohcc@dhsoha.state.or.us. Please include the word 'Exceptional' in the subject line!

Professional Development Certification (PDC)

The Professional Development Certification (PDC) offers PSWs and HCWs a way to earn a higher wage of .50 cents above the base rate. Requirements:

1. Have an active Medicaid Provider Number
2. Complete the three (3) Core Courses:
 - Helping Caregivers Fight Fraud & Abuse
 - Keeping It Professional
 - Working Together
3. Complete five (5) hours of Safety Type Courses or the COMPASS series:
 - Medication Safety
 - Preventing Disease Transmission
 - Protect Against Sprains and Strains
 - Taking Responsibility in Personal Safety
4. Complete five (5) hours of Elective Courses:
 - Bathing & Grooming
 - Everyone Communicates (PSW ONLY)
 - Heart Healthy
 - Introduction to Cultural Competency
 - Nutrition Basics
 - Sensory Processing Disorder – Adults
 - Sensory Processing Disorder – Children (PSW ONLY)
 - Working with Challenging Behaviors (HCW ONLY)

7. OHCC course attendance No Show Rate of 20% or less
8. Once all requirements are met, complete a Professional Development Certification Application:

9. Submit the completed application, along with copies of your CPR/First Aid cards, to:

Mail

Oregon Home Care Commission
550 Capitol St NE
Salem, OR 97301

Email

Certifications.OHCC@dhsosha.state.or.us

Fax

(503) 378-5886

Applications must be in the OHCC office by the first day of the month to be eligible for certification approval. If all requirements have been met, then approval and certification will begin the first pay period of the following month. **Example:** an emailed application is sent to OHCC on January 12, 2019; it would qualify to have certification begin on the first pay period around March 1, 2019. The reason February 2019 was not the start date was because the application was received later than January 1, 2019.

Once approved, a confirmation email informing you of the two-year certification period with your attached Professional Development Certificate will be sent. **IMPORTANT:** PSWs need to provide a copy of their certificate and approval letter to the CDDP or brokerage each time they begin working for a new individual.

Renewal Process: Professional Development Certification (PDC)

The Oregon Home Care Commission, in collaboration with the Training Committee and approved by the Commissioners, has determined the renewal process homecare and personal support workers will need to complete so they may maintain their PDC. Below are the requirements a homecare or personal support worker will need to follow to renew their PDC for an additional 24-months:

1. Repeat the course requirements – Core Courses, five hours of Safety Courses, and five hours of Elective Courses
 2. Take the assessments for the courses you complete, with a score 80% or better
 3. Keep your CPR/First Aid certification current and make sure OHCC has a copy (see “Avoid Interruption” on previous page)
 4. Maintain a No-Show Rate of 20% or lower
- Providers are NOT required to submit a new application for renewal – OHCC will automatically check and renew the certification at the expiration date

IMPORTANT: *only courses and assessments taken after the first 12-months of certification will be counted towards PDC renewal.*

Example: If you received your PDC 01/01/2017 ending on 12/31/2018; you would have all of 2018 to take courses towards renewal. Let’s say you had taken Medication Safety (11/12/2017), Preventing Disease Transmission (1/15/2018), and Nutritional Basics (3/5/2018). Both PDT and NB will count towards renewal; so long as you complete and pass both assessments. MedS would not count because it was taken in the first 12-months of having PDC.

AVOID INTERRUPTIONS OF YOUR PAY DIFFERENTIAL

In order for your PDC wage to not be interrupted when your CPR/First Aid card expires, we ask you to do the following:

- Track the expiration date of your CPR/First Aid card on your personal calendar
- Send a copy of the CPR/First Aid cards directly to OHCC as soon as you get the renewal card
- Send to Certifications.OHCC@dhsosha.state.or.us

If you do not provide OHCC with a copy of your card, the .50 wage increase will drop off your hourly rate. The .50 wage will return on the next pay period after the card is provided to OHCC, not the effective date on the cards so don’t forget to send us your renewal cards!

Introduction to Cultural Competency

Introduction to Cultural Competency, an OHCC course which explores the delivery of person-centered care in a culturally aware way through engaging activities, has been approved by the Home Care Commissioners to now qualify for elective course hours towards a providers PDC.

Providers who have taken ICC since June 15th, 2019 may use the assessment link on the previous page to take the ICC assessment to meet the PDC requirement

COMPASS

Communities of Practice And Safety Support, or COMPASS, is a program meant to promote injury prevention and health for Homecare and Personal Support Workers. Over seven (7) meetings, each two (2) weeks apart, a small group of workers learn and share together about health, safety, and work practices. COMPASS members work as a team in collaboration with each other to share best practices and help with problem solving. Each member is expected to participate fully. This is not a class to sit back and listen!

When signing up for COMPASS, you are **committing to attend all seven meetings**. Attendance to the first session is required in order to attend any other meetings. If the first meeting is missed, the worker will be cancelled out of the rest of the series. To receive a Certificate of Completion, you must attend at least five of the meetings. You will receive the OHCC Training Stipend for each meeting, if you meet the criteria. Courses are limited in size, so if you choose to register, do so early.
