What do they provide?

This guide offers information about the process, the expectations and benefits of participating in Wraparound programs.

What is Wraparound?

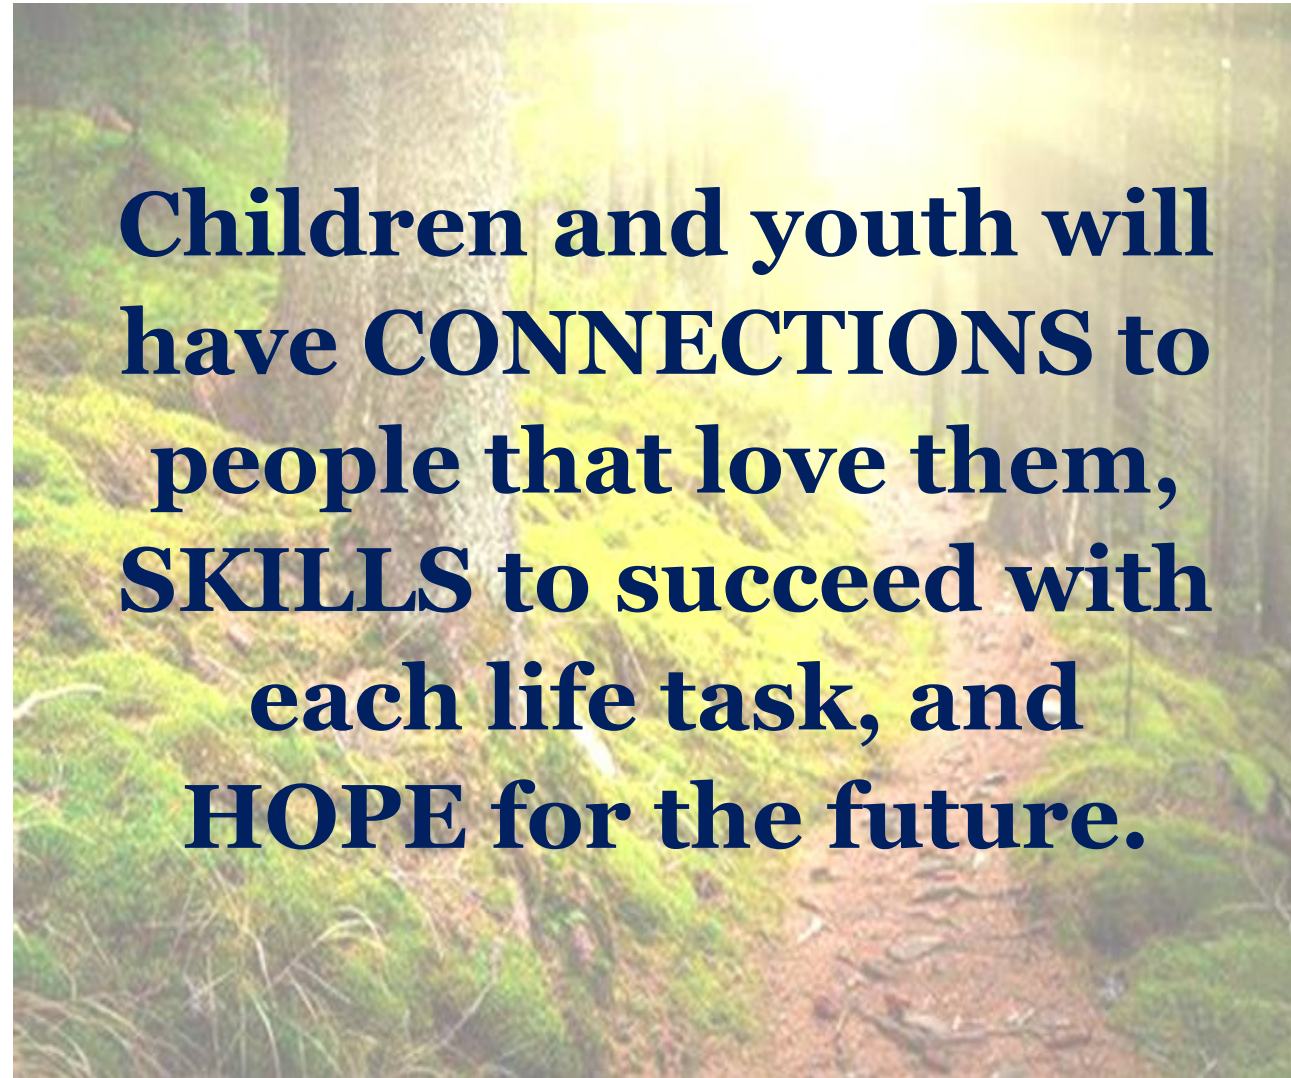

Wraparound is a unique program focused on establishing a TEAM that is family driven and youth guided, to develop a plan with goals to meet the needs of youth with emotional, physical, and behavioral challenges. The plan is based on the strengths and culture of the youth and their family. We believe that youth are best served in their own homes and in their own communities, with their families at the center. The team meets regularly to ensure ongoing support.
