Dear Enrolled COVID-19 Vaccine Providers:

Today, Marion County attested to our ability to expand vaccine eligibility in our community to include individuals in Phase 1b, group 7. Our request to move forward was approved by the Oregon Health Authority.

Beginning today, March 31, individuals from the following groups are eligible for COVID-19 vaccination:

- Frontline workers as defined by CDC;
- Multigenerational household members;
- Adults 16-44 with one or more underlying health conditions with increased risk.
