PREAMBLE

This agreement is entered into by Marion County, hereinafter referred to as the “Employer,” and the Federation of Oregon Parole and Probation Officers, hereinafter referred to as the “Federation.”

The purpose of this agreement is to set forth those agreed to matters pertaining to rates of pay, hours of work, fringe benefits, and other conditions of employment and the establishment of an equitable and peaceful procedure for the resolution of differences concerning administration of the agreement.

ARTICLE 1 – RECOGNITION

The county recognizes the Federation as the exclusive bargaining representative for employees of the Marion County Sheriff’s Office in the classifications of Parole and Probation Deputy and Parole and Probation Deputy Trainee who perform adult parole and probation duties. Parole and probation duties are defined as supervising a parole and probation caseload and/or preparing pre-sentence investigations. The term “employee” means any person employed one-half (1/2) or more of the regular full-time work schedule in a regular position and does not include persons holding temporary appointments of six (6) months or less duration, supervisory employees, and confidential employees as defined by the Collective Bargaining Act.

ARTICLE 2 – MANAGEMENT’S RIGHTS

Except as may be specifically modified by the terms of this agreement, the Employer retains all rights of management in the direction of its work force. It is recognized that the responsibilities and authority of management are exclusively functions to be exercised by the Employer.

These rights of management shall include, but not be limited to, the following:

- A. The determination of the governmental services to be rendered to the citizens of Marion County.
- B. The determination of the Employer’s financial, budgetary, accounting, and organization policies and procedures.
- C. The right to establish and administer separate personnel and employment benefit rules and policies for non-bargaining unit personnel. The continuous overseeing of personnel policies, procedures, and programs promulgated under any other term of this agreement.

- D. The management and direction of the work force including the right to determine the methods, processes, and manner of performing work; the establishment of new positions and the determination of the duties and qualifications to be assigned or required; and right to hire, promote, demote, transfer, reassign, and retain employees; the right to lay off for lack of work or funds; the right to abolish positions or reorganize the department; the right to determine shifts, assignments, and schedules of work; the right to purchase, dispose and assign equipment or supplies; the right to formulate, change or modify department rules, regulations, and procedures; the right to take all necessary action to carry out its mission.

ARTICLE 3 – HOURS OF WORK

Section 1. It is recognized by both parties that employees in the bargaining unit work irregular hours in the performance of their duties. The official workweek shall consist of a seven (7)-day period commencing at 12:01 a.m. each Sunday. The normal workweek is forty (40) hours, falling within the seven (7)-day period. Employees will normally be assigned to work a four (4)-day workweek or a five (5)-day workweek at a schedule approved by management. Employees will remain on the department premises during normal business hours on their assigned coverage day. It is, therefore, incumbent on the employees and the supervisors to work together in scheduling these hours in the best interest of providing adequate and effective service. To this end, employees are permitted to flex work hours and times with supervisor approval.

Section 2. Except in the case of an emergency, the Employer shall give the employees two (2) weeks' notice of a change in the employee's work schedule.

Section 3. Employees will be on a continuous duty schedule. Meal periods for such employees will be on paid time. Employees on continuous duty are expected to perform work through their paid meal period. Employees may request a non-continuous duty schedule and thereby take an unpaid meal period of up to one (1) hour. Any such request shall be in writing to the employee's supervisor. Any subsequent approval shall be in writing back to the employee.

The Federation and its members agree to hold the county harmless for any wage and hour claims based upon a continuous duty schedule. Nothing in this section supersedes management's rights as per Article 2, Management's Rights.

ARTICLE 4 – ON CALL – CALL-IN

Section 1. Employees shall be "on call" and subject to call out during their off-duty periods in response to job emergencies. Employees shall maintain their current telephone numbers with the Employer.

Section 2. In instances covered by this article, an employee, when called out with their supervisor's approval, shall receive car mileage, both ways, between home and assigned office location at the IRS mileage reimbursement rate, if a county car is unavailable and the employee must use their personal automobile.

Section 3. The county agrees that when employees are contacted at home as authorized by the supervisor by phone to conduct work or required as an assignment to log on the county computer network from home, they shall be paid a minimum of one-half (1/2) hour and paid in one-quarter (1/4) hour increments for all time after the initial one-half (1/2) hour.

Section 4. Employees, who are assigned to be on-call as duty officers, shall be compensated at the rate of four hundred fifty dollars (\$450) for each regularly scheduled workweek of on-call assignment. Assignments as duty officer will be by seniority with the most senior officer being given their choice of which week to be duty officer. Sign-up will be on a regular basis per current practice. An officer may also agree to take over another officer's duty officer assignment with notice to management. Time worked by the duty officer, while on duty, will be considered hours worked and compensated at the employee's overtime rate of pay.

ARTICLE 5 – CALL-IN TIME

Any employee called to work outside of their regular work schedule to participate in an MCSO sponsored specialty teams operation (including but not limited to SWAT/TNT, Search and Rescue) shall be paid a minimum of four (4) hours at the rate of time-and-one-half (1 ½). This section shall not apply to early call-out or an extension of a regular shift.

ARTICLE 6 – HOLIDAYS

Section 1. Legal Holidays.

The following days are legal holidays to be paid at the regular straight time rate of pay:

New Year's Day	Labor Day
Martin Luther King's Birthday	Veterans' Day
Presidents' Day	Thanksgiving Day
Memorial Day	Day After Thanksgiving
Juneteenth	Christmas Day
Independence Day	

Any other day designated as a legal holiday by either the Governor of the State of Oregon or President of the United States. A one-time observance or memorial must be declared and/or approved by the board of commissioners to qualify under this provision as a legal holiday. Holiday compensation shall equal the number of hours regularly scheduled for the day the holiday falls on (“day for day”).

Section 2. Weekend Holidays.

Whenever a holiday falls on Saturday, the preceding Friday shall be considered to be the holiday. Whenever a holiday falls on Sunday, the following Monday shall be considered to be the holiday.

Employees working on an irregular workweek shall receive the same number of holidays as employees working the regular Monday through Friday workweek. Holidays which occur during paid vacation or sick leave with pay shall not be charged against such leave.

Section 3. Holiday Pay.

Work performed on holidays, which fall within the employee’s workweek, shall be considered as overtime work and shall be compensated at the rate of time-and-one-half (1 ½) in addition to the normal rate of pay. Compensation for holidays will be provided to regular, part-time employees of the Employer whose regular work schedule is equal to one-half or more of the regular full-time work schedule for county personnel, and such compensation will be based on the same proportion as the hours worked are to the total actual work hours in the month in which the holiday occurs. Employees shall not receive payment for work performed on holidays unless such work is authorized by the employee’s supervisor.

Notwithstanding the above, employees who are required to work on a regularly scheduled holiday may, at their option, elect, in lieu of holiday pay provided for in this section, to choose to take another day off within the same workweek with supervisor’s approval.

ARTICLE 7 – VACATION LEAVE

Section 1. Vacation Accumulation.

After having served in the county service for six (6) consecutive full calendar months, full-time employees shall have access to accrued vacation leave. Vacation leave shall be credited as follows:

	Hours per Pay Period
Day one through 3 rd year of continuous service	4.000
After 3 rd year of continuous service through 5 th year	4.308
After 5 th year of continuous service through 10 th year	4.924
After 10 th year of continuous service through 15 th year	5.770

	Hours per Pay Period
After 15 th year of continuous service through 20 th year	6.637
After 20 th year	7.50

The county will credit regular or trial service employees assigned 0.5 FTE or more with vacation leave after the employees have completed six (6) continuous months of county service. If employees are scheduled on a four-day workweek, vacation accumulation and charges against such accumulation shall be made on an hourly basis.

For the purpose of this article and Articles 8 and 11, a continuous month means service in the employ of the county unbroken by an absence (leave without pay) in excess of ten (10) working days within a calendar month.

Section 2. Continuous Service.

Continuous service (for the purpose of determining eligibility for accelerated vacation accumulation rates) shall be service unbroken by separation from the county service, except that time spent by an employee on military leave, parental leave, on an authorized leave of absence with pay, or on a leave without pay resulting from a job-incurred injury shall be included as continuous service. Time spent on other types of authorized leave will not count as part of continuous service except employees returning from such leave or employees who were laid off shall be entitled to credit for service prior to the leave. Non-continuous months, as defined above, shall not be credited as part of continuous service.

Section 3. Part-time Employees.

Regular part-time employees shall accrue vacation leave in an amount proportionate to that which would be accrued under regular full-time employment. To be eligible for vacation accrual, a part-time employee must work one-half or more of the regularly scheduled working hours per week for full-time employees.

Section 4. Scheduling Vacations.

Subject to the operating requirements of the Employer, employees shall have their choice of vacation time off. If two (2) or more employees request the same period of time and the matter cannot be resolved by agreement of the parties concerned, the employee having the greatest length of service with the Employer shall be granted the time. Such schedules may be amended by the Employer to meet work emergencies, grant requests of individual employees, or for other good reason.

Section 5. Accumulation of Vacation Credits.

Employees shall not accumulate vacation leave in excess of two hundred and fifty (250) hours. Any employee who is about to lose vacation credit because of accrual limitations may, by notifying their supervisor five (5) days in advance, absent themselves to prevent loss of this time or the sheriff may

instead choose to pay the employee for up to forty (40) hours of accrued vacation. Such action taken by the employee shall not constitute a basis for disciplinary action or loss of pay. Any employee who is granted a leave of absence without pay in excess of sixty (60) calendar days shall first be scheduled for any vacation leave and/or exchange time that has accrued to their credit before the employee commences leave without pay.

In addition, in the last year of employment prior to retirement, the employee will be able to cash in up to fifty (50) hours of vacation. The employee will be responsible to notify the Employer of intent to retire to exercise this provision. This is a one-time option.

Section 6. Credits and Terminal Vacation Pay.

- A. When an employee is transferred to, or appointed to another department of the county, the employee's accumulated vacation credits shall be transferred with the employee to the gaining department.
- B. An employee who terminates during the initial six (6) months of their employment shall not be entitled to cash compensation in lieu of vacation leave. If the employee has served six (6) (full calendar) months and is separated from the county service, the employee shall be entitled to cash compensation at the hourly rate the employee is receiving at the time of the separation. In case of death, compensation for accrued vacation leave shall be paid in the same manner that salary due to the decedent is paid.

Section 7. Utilization of Vacation Leave.

- A. The parties agree that an employee's vacation accrual is an earned benefit to which the employee is entitled. Therefore, at no time shall accrued vacation time be utilized without specific authorization of the employee unless at the time of death or termination.
- B. In the event of absence for legitimate reasons of illness, an employee may authorize the alternative use of equivalent accumulated vacation upon expiration of sick leave credits accumulated.

Section 8. Compensation Credits.

Employees shall receive two (2) normal workweeks of leave, to be taken as leave with pay or, at the employee's option, the employee shall receive compensation for up to two (2) normal workweeks, accrued at the employee's regular rate of pay. The employee must exercise this option with each fiscal year (computations will be based on the employee's salary at the time of request). The benefit cannot

be carried forward into the next fiscal year. An employee will not be eligible for this benefit if the employee has not completed their probationary period prior to the end of the fiscal year.

An eligible employee may schedule the vacation portion of the benefit one (1) day at a time or as a unit, subject to the approval of the department head. If an eligible employee elects to receive the “pay” benefit, the employee may request such pay in one-week increments.

Section 9. Sunset of Compensation Credits.

Effective July 1, 2010, newly-hired employees will not receive compensation credits. In lieu of receiving compensation credits, new employees will receive a higher rate of pay generated by rolling the value of the compensation credits (3.84%) into the base rate of pay.

Section 10. Opting-Out of Compensation Credits.

Effective July 1, 2010, employees hired before ratification of the contract may make a one-time, permanent election to opt-out of compensation credits provided in Section 8 of this article, in return for the higher salary provided in Section 9 of this article. Once enrolled in this program, an employee may not return to receiving compensation credits and pay at the lower salary schedule.

ARTICLE 8 – SICK LEAVE

Section 1. Accumulation.

Sick leave shall be earned by each full-time employee at the rate of three-point-six-nine-three (3.693) hours per pay period. Sick leave shall be earned by each part-time employee whose regular work schedule is equal to one-half or more of the regular full-time work schedule for county personnel, and such sick leave will be based on the same proportion as the hours worked are to the total actual work hours in the pay period and may be accumulated without limit.

When an employee is transferred or appointed to another department of the county the employee’s accumulated sick leave credit shall be transferred with the employee to the gaining department. If an employee works a four (4) day workweek, charges shall be made on an hourly basis. Sick leave shall not accrue during a non-continuous month as defined in Article 7, Section 1.

Section 2. Utilization.

Employees may utilize their earned sick leave credits when unable to perform their work duties by reason of illness, injury, or pregnancy, necessity for medical or dental care, or by illness in their immediate families. Absence to attend an ill family member shall be limited to the time the employee’s presence is actually required. Employees have the obligation to make other arrangements within a reasonable period of time for the attendance upon immediate family members. Sick leave time

exceeding five (5) consecutive work days may require evidence that the employee was under a doctor's care. The Employer may require certification of the attending physician or practitioner to substantiate that an illness or injury prevents the employee from working.

Section 3. Required Physical Examination.

Should an employee be required by the Employer to undergo a physical examination, the employee shall do so without a loss of pay or benefit(s) and the Employer shall bear the expense of such examination. The Employer may request from the employee a physician's release of information that relates only to the employee's ability to perform the job.

Section 4. Bereavement Leave.

The amount of authorized bereavement leave shall be the amount required under state and/or federal protected leave laws. The county shall provide for three (3) work days paid bereavement leave for each immediate family member which shall count towards the statutorily mandated leave if the employee qualifies. The remaining bereavement leave approved shall be charged to accumulated leave in accordance with the Marion County Personnel Rules.

Section 5. Immediate Family.

For the purpose of this article, immediate family has the meaning established by protected leave laws and county personnel rules. The sheriff may grant leave under the terms of this article for relationships other than those set forth where exceptional circumstances exist.

Section 6. Sick Leave Without Pay.

The sheriff or designee may authorize sick leave without pay not to exceed twelve (12) months' duration or until the employee's physician releases such employee, whichever comes first. Sick leave without pay shall not be granted until all earned sick leave has been exhausted.

Section 7. Leave Credit Following Reemployment or Reinstatement.

An employee who held a regular position and who is reinstated following a hearing, layoff, or an expiration of leave without pay shall have sick leave credits accrued during the previous employment restored. An employee who is reappointed within twelve (12) months after voluntary separation shall have previously accumulated sick leave credits restored.

Section 8. Notification.

Any employee who is ill and unable to report to work shall notify their immediate supervisor prior to their scheduled reporting time. This notification must be made by phone, email or text and be direct communication between the employee and the supervisor. In case of a continuing illness, the employee shall keep the immediate supervisor advised of the employee's inability to report to work.

Section 9. Separation.

Paid sick leave is provided as a form of insurance against loss of income due to off-the-job illness or injury and no compensation for accrued sick leave, with the exception provided in Article 10, Section 5, shall be allowed for any employee separating from the county service.

Section 10. Protected Leave.

Protected leave is available for qualifying employees in the form of family, medical, domestic violence, and military leave in conformance with the Family Medical Leave Act (FMLA), Oregon Family Medical Leave Act (OFLA), Oregon Victims of Certain Crimes Leave Act (OVCCLA), and Oregon Military Family Leave Act (OMFLA).

The administration and implementation of these acts will be in accordance with the County policy and procedures.

Any conflicts in the administration or interpretation of the provisions under either law shall first be resolved by the application of the appropriate federal and/or state statute.

Section 11. Immunization and Testing.

If, in the conduct of official duties, an employee is exposed to serious communicable diseases which would require immunization or testing, the employee shall be provided immunization against or testing for such communicable disease without cost to the employee where immunization may prevent such disease from occurring. The employee shall be granted accrued sick leave with pay for immunization or testing.

Section 12. Abuse of Sick Leave.

Proven abuse of sick leave shall be cause for disciplinary action.

ARTICLE 9 – OTHER LEAVES

Section 1. Other Leaves of Absence With Pay.

- A. An employee holding a position in the county shall be granted a leave of absence with pay for:
 - 1. Service with jury; or
 - 2. Appearance before a court, legislative committee, or judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority in connection with

the employee's official assigned duties, other authorized duties in connection with county business, or as a result of the employee's job-related client contact(s).

3. The employee shall tender to the county any jury duty or witness pay. Employees who are excused from jury or court appearance before the end of their workday shall immediately report their availability for assignment to their supervisor.

- B. Non-job related appearance before a court, legislative committee or judicial or quasi-judicial body, as a witness in response to a subpoena or other direction by proper authority not to exceed a full workday. In such instance, the employee may use their paid leave time, excluding the use of sick leave, or they may take leave without pay.

Section 2. Other Leave of Absence Without Pay.

Prior to the expiration of all accrued leave, except sick leave, the employee may request, in writing, a non-paid absence (leave without pay, LWOP). In instances where the work will not be seriously impeded by the temporary absence of an employee the department head may authorize such leave up to a maximum of twelve (12) months.

An employee on such authorized leave of absence shall not be considered to be on the payroll of the county during the period of the leave. Such leave will not be approved for an employee who is accepting employment outside the county service. Any employee who is granted a leave of absence without pay shall first be scheduled for any type of vacation leave that has accrued to their credit before the employee is placed on leave without pay.

Section 3. Workers' Compensation.

The employee is covered by workers' compensation, either insured or self-insured, under the county workers' compensation program. The employee may utilize accrued leave in accordance with the Injured Worker Policy to augment any benefits paid under the workers' compensation program, not to exceed the gross pay at the time of injury. Upon returning to work, the employee will be paid at the rate, which includes all merit increases and cost-of-living adjustments, which would have been granted during the time off work as a result of the on-the-job injury.

Section 4. Military and Peace Corps Leave.

The county will grant military and Peace Corps leave in accordance with Oregon Revised Statutes and federal law such as the Uniformed Services Employment and Reemployment Rights Act (USERRA).

Section 5. Failure to Return From Leave.

Any employee who has been granted a leave of absence and who, for any reason, fails to return to work at the expiration of said leave of absence, shall be considered as having resigned their position with the

Employer and their position shall thereupon be declared vacated except and unless the employee, prior to the expiration of their leave of absence, has furnished evidence that they are unable to return to work by reason of sickness, physical disability, or other legitimate reasons beyond their control. Such leave shall not exceed a total duration authorized.

Section 6. Personal Days.

Regular employees are entitled to two (2) personal days each calendar year. Such days are to be taken during the calendar year in which the days are earned and may not be carried forward into the following year. The personal days shall be scheduled in accordance with Article 7, Section 4, Scheduling Vacations.

Section 7. Commissioners' Day.

Current regular employees are granted a special Commissioners' Day. This day shall be one (1) regular work shift and is to be taken between November 15 of each year and January 31 of the following year. The Commissioners' Day shall be scheduled with supervisor approval and in a manner that will provide adequate staff to maintain service.

- D. Employees shall be eligible for coverage under the Marion County Benefit Plan, subject to plan provisions.

Section 2. Optional Insurance Benefits.

Employees on a non-paid leave status must make their own arrangements with the county's Employee Benefits staff to continue insurance benefits at their own expense, subject to the contract terms and conditions between the county and the insurance carriers.

Section 3. County Health Insurance Contributions.

For the health, vision and dental benefit package:

- A. The Employer agrees to contribute up to two thousand one hundred fifty dollars (\$2,150) per employee, per month, for health, dental, and vision benefits for the benefit plan year January 1, 2024, to December 31, 2024.
- B. Effective the benefit plan years January 1, 2025, through December 31, 2026, the Employer's contribution for medical and dental coverage will equal 95% of each employee's monthly premium. Each employee shall be responsible for the remaining 5% of their monthly premium through payroll deduction.

Section 4. Employee Participation.

 3. To explore a variety of options and plan designs available at rates within the county contribution level as closely as possible;
 4. To develop recommendations for incentives for employees and families to participate in wellness activities and maintain healthy lifestyles; and
 5. To develop recommendations to provide health, dental, vision, and wellness communications to county employees and their families to encourage them to be effective consumers.
 6. The committee will try to reach a consensus on recommendations for medical, vision and dental plan designs. If unable to reach a consensus, the committee will, by three-fourths vote, reach agreement on recommendations. If unable to reach agreement by consensus or vote, the Chief Human Resources Officer or designee will provide recommendations to the board of commissioners for adoption by October 1st of the calendar year preceding the benefit plan year.
- B. **Committee:** The committee shall be composed of equal numbers of representatives of labor and management. The Federation President shall designate a representative to serve on the committee.
- C. **Meetings:** Meetings shall be held at least quarterly. Employees shall be allowed work release time to attend such meetings, but no overtime shall be paid for attending such meetings.

ARTICLE 11 – WAGE ADMINISTRATION

Section 1. Compensation Plan.

The Employer has hereto adopted a compensation plan under which employees covered by this

agreement have and shall continue to be compensated. A copy of that plan is available on the Marion County intranet.

Section 2. Administration of Compensation Plan.

- A. Rates of Pay. Each employee shall be paid at one of the rates in the salary range for the class in which they are employed.
- B. Entrance Salary. An employee shall be appointed (or reinstated) at the entrance rate for the class unless otherwise provided in the agreement or by statute.

Employees shall be eligible for in-range merit salary increases on their established anniversary dates until such time as the top step of the salary range is attained. The eligibility date for the purpose of this section shall be the date upon which the employee is granted their first in-range merit increase to the second step of their salary range. This eligibility date may be changed as a result of the timing of future in-range merit increases, promotions, or reclassifications.
- D. Eligibility for Salary Increase. A new employee shall be advanced to the second step of the salary range for their classification after six (6) full continuous months of satisfactory service in their class. In those cases where a new employee is appointed above the minimum step of the salary range for their classification, their eligibility for advancement to the next step shall be the same as though they were appointed at the minimum step, unless otherwise ordered by the board. Thereafter, eligibility for advancement to each succeeding step of the salary range shall be after each additional year of satisfactory continuous service at the preceding step.
- E. Demotion. If an employee is demoted or reclassified to a position in a classification with a lower salary range for reasons which do not reflect discredit on their employment record, their salary rate shall remain the same if the salary rate is within the salary range of the lower classification. If the employee’s salary rate is higher than the maximum salary provided in the demoted or reclassified salary range, then the employee shall receive the highest rate provided for the lower classification salary range. Demotion for cause should ordinarily result in a corresponding reduction in salary.
- F. Transfers. When the county transfers an employee to another position in the same classification with the same salary range, the rate of pay remains the same. Such employee shall retain the established eligibility date for salary increases.

The sheriff or designee must approve all out-of-state travel in advance. Only travel for which funds are available may be approved. Written requests for authorization of out-of-state travel must be submitted fifteen (15) days prior to the proposed travel. Requests submitted less than fifteen (15) days in advance must be accompanied by an explanation of the emergency.

Section 2. Cost of Lodging, Meals and Other Travel Allowances.

The county shall reimburse the actual cost of lodging, meals, and other related transportation expenses on an actual cost basis. Except in the case of an emergency, the employee shall receive prior approval for all anticipated expenses. Receipts shall be submitted with claims for reimbursement for air, train or bus travel, and reimbursement for private automobile transportation. Travel arrangements will be made by the county and paid directly. Where employees elect to drive private automobiles in lieu of plane or train transportation, reimbursement will not exceed the best available daytime airfare on the day air travel would normally be booked. The Employer reserves the right to deny expense claims for such things as personal gifts, alcohol, entertainment, or excessive expenses.

Section 3. Mileage Reimbursement.

Upon prior approval by the supervisor, mileage reimbursement for the use of private vehicles shall be at the current standard IRS mileage rate for business use of an automobile. Mileage shall be computed from the vehicle odometer reading. Business use of a personal automobile does not include miles an employee may incur commuting.

Section 4. Meal Requirements for Reimbursement.

Reimbursement for meals shall only be provided for meals outside Marion County while on county business and shall be the actual cost of each meal, according to Section 2 of this article.

Section 5. Expense Reimbursement.

Reimbursement for expenses will be paid upon reimbursement request, which must be submitted within ninety (90) days of the expense.

ARTICLE 13 – HEALTH AND SAFETY REGULATIONS

Section 1. The Employer agrees to abide by and maintain in its facilities and work operations standards of safety and health in accordance with the Oregon Safe Employment Act (ORS 654.001 to 654.295 and 654.991).

Section 2. Employees may refuse to operate any equipment or ride in or on any vehicle they believe is unsafe until the equipment has been mutually inspected and/or corrected by the employee and their immediate supervisor and/or qualified person. If after such inspection the equipment is determined by the supervisor and/or other qualified person to be safe, the employee may not refuse to operate the equipment. Employees shall report to their supervisor all other unsafe conditions when the employee knows of such conditions.

Section 3. Employees shall not be disciplined for refusal to operate believed unsafe equipment nor shall refusal to operate such equipment be construed as insubordination until Section 2 has been complied with unless an emergency situation exists.

Section 4. The Employer shall provide or shall pay the cost of CPR training and first aid training for all bargaining unit employees.

ARTICLE 14 – TRIAL SERVICE PERIOD

Section 1. Employees, who are not Parole and Probation certified and are hired into Parole and Probation certified positions, shall serve an initial trial service period of eighteen (18) continuous months. Employees who are certified and are hired into Parole and Probation certified positions shall serve an initial trial service period of twelve (12) continuous months.

Section 2. Removal During Trial Service Period. At any time during an employee's trial service period, the appointing authority may remove an employee if, in the opinion of the appointing authority, the employee is unable or unwilling to perform the duties satisfactorily or that the employee's work habits, conduct and dependability do not merit continuance in the service.

Section 3. No less than ten (10) days prior to the end of the employee's trial service period, the

appointing authority will report to human resources whether the employee's performance was satisfactory or unsatisfactory and provide the performance evaluation and any additional documentation as appropriate. If the performance evaluation is satisfactory, the employee shall be deemed to have satisfactorily completed the trial service period and thereby be accorded regular status in the classified service. A notification of unsatisfactory service ordinarily shall be accompanied with a notice of termination.

ARTICLE 15 – DISCIPLINE AND DISCHARGE

Section 1. Discipline.

It is the policy of the Employer that disciplinary measures shall be for the purpose of achieving “corrective employee conduct.” Disciplinary action may be imposed only for just cause using the principles of progressive discipline, and as provided by county policy (where not inconsistent with this article).

Section 2. Disciplinary actions or measures (oral reprimand, written reprimand, demotion, reduction in pay, suspension, or termination) shall be processed through the normal grievance procedure as set forth in this article.

Section 3. Kinds of Disciplinary Actions:

- A. **Oral Reprimand.** An oral reprimand is verbal notification of discipline resulting from specified activities or conduct inappropriate for the workplace.
- B. **Written Reprimand.** A written reprimand is a written notification of discipline used to place an employee on official notice that failure to take corrective action will result in a more severe form of action.
- C. **Suspension Without Pay.** Suspensions are a commonly used form of discipline when oral and written reprimands have not achieved the desired results; however, it can be used sooner if the employee’s misconduct is of such severity that an immediate suspension is required. The supervisor, with the approval of the appointing power, may suspend an employee for disciplinary reasons for a period not to exceed thirty (30) days at any one time by notifying the employee and stating the reason(s) for the suspension in writing. Service credits may not be acquired by an employee during the period of suspension regardless of the length of suspension.
- D. **Demotions.** Demotions, both in pay and to a lower classification, may be used as a form of discipline when other disciplinary steps have been used (i.e., oral reprimand, written reprimand)

but discharge is not warranted, or when the appointing power believes that the employee has the potential for corrective conduct. Such action shall not cause the displacement of another employee.

- E. Dismissal. An appointing power may dismiss, for just cause, any regular employee under the appointing power's jurisdiction. The Employer may omit steps of progressive discipline only if the employee's misconduct is of such severity that an immediate dismissal action is required. In carrying out such actions, the appointing power should consult human resources.

Section 4. Work Plan.

If there is evidence to show that the performance was unsatisfactory, the sheriff or designee agrees to verbally discuss the problems with the employee, thus affording the employee an opportunity to correct the situation. The Employer shall discuss the performance issue with an employee in a setting, which is devoid of harassment. Any work improvement plan, which may be utilized, will be consistent with the performance issues, as objective as possible, with behavioral measurements identified and may be a precursor to discipline when appropriate. The employee shall continue to be held accountable for all job expectations while the work improvement plan is in effect.

Section 5. Complaint Investigation. The County will follow the Professional Standards Manual.

- A. The sheriff or designee may investigate a complaint against an employee when the complaint is not of a criminal nature but concerns a violation of rules, policy or procedure. Not all complaints will be investigated and the sheriff or designee may make inquiries before investigating the complaint. The sheriff or designee shall notify the employee of the allegations and information sufficient to understand the nature of the allegations within fifteen (15) days of the decision to investigate the complaint. The employee shall receive a copy of the complaint or allegations with citation to policies that may be implicated to the extent practical. The employee shall be given an opportunity to provide information they deem relevant.
- B. If the employee has reason to believe that such a discussion might adversely affect their employment, they shall have the right to have a representative of their choice present.
- C. If the sheriff chooses to remove the accused employee from their work assignment during the investigation, the employee may be assigned duties not related to their normal work or be stationed at home.
- D. A good faith effort shall be made to complete an investigation within seventy-five (75) calendar days. In the event that an investigation is not completed within seventy-five (75) calendar days of the employee being notified that an investigation is under way, the Federation shall be

notified in writing that the investigation is not yet complete, the reasons why it has not been completed, and the County will provide an estimated date of completion which shall comply with the timelines set forth in ORS 236.360(6). In the event that an employee's conduct becomes the subject of a criminal investigation, the investigation may be suspended until the criminal investigation is complete.

- E. If the charges are substantiated and disciplinary action is necessary, copies of all written reports, statements, and the results of the investigation shall be provided to the employee and their representative. The specific policy or policies applicable to the conduct will be substantiated.
- F. If the charges are unfounded, not sustained or exonerated, notice shall be given to the employee within seven (7) days of the decision. Documents related to such charges shall not be placed in the employee's personnel file(s).
- G. Prior to being interviewed regarding an internal affairs investigation or allegations of a complaint for any reason, which could lead to disciplinary action:
 - 1. An employee shall be informed of the nature of the investigation or allegations of the complaint whether they is a witness or a subject, if and when known; and, if a subject, be informed and be given copies of any other information necessary to reasonably apprise him/her of the nature of the allegations of the complaint, unless to do so would jeopardize the credibility of the investigation.
 - 2. An employee shall be afforded an opportunity and facilities to contact and consult privately with a representative of the Federation.
 - 3. Whenever delay in conducting the interview will not jeopardize the successful accomplishment of the investigation or when criminal culpability is not at issue, advance notice shall be given the employee not less than twenty-four (24) hours before the initial interview commences.
 - 4. An employee shall be provided copies of any prior interviews the employee may have given during the current internal affairs investigation.
- H. During any non-criminal investigation, which is an internal affairs interview, the representative of the employee shall be allowed to counsel the employee during the course of the interview. However, the representative shall not be disruptive of the interview. Also, the employee shall be allowed to take reasonable breaks during the course of the interview.

- I. Administrative Leave. At the discretion of the sheriff, an employee may be placed on administrative leave with pay pending the investigation of possible discipline or complaint.

Section 6. Pre-Disciplinary Notice.

When the sheriff determines there is just cause to discipline an employee, the division commander or designee shall give the employee an opportunity to review and respond to the charges before the effective date of the disciplinary action.

For discipline involving an oral or written reprimand, the supervisor will meet with the employee and their representative to review the charges and the discipline to be imposed.

For discipline involving economic impacts (suspension, demotion) the office will provide written notice containing:

- A. A statement of alleged improper conduct, inadequate performance, or other cause for discipline engaged in by the employee;
- B. A statement of the disciplinary sanction being considered.

The notice shall be delivered a minimum of two (2) scheduled work days which can be increased to five (5) scheduled work days upon request by the employee or the Federation.

If no disciplinary action is taken, all documents pertaining to the allegation(s) shall be removed from the employee's personnel file. This section shall not apply to oral reprimands.

Section 7. Pre-Dismissal Notice.

When the office believes just cause for dismissal exists, the sheriff shall give the employee, whose dismissal is under consideration, written notice containing:

- A. A statement of alleged improper conduct, inadequate performance, or other cause for discipline engaged in by the employee;
- B. A statement that dismissal is being considered as a possible sanction to the stated alleged improper conduct, inadequate performance, or other cause; and
- C. A statement of the time (a minimum of two [2] scheduled work days which can be increased to five [5] scheduled work days upon request for extension by the employee or the Federation) within which the employee may choose to respond to the statement of cause and the statement of discipline under consideration.

Section 8. Economic Impacting Discipline Hearing.

- A. The employee (or a FOPPO representative acting for the employee) may request and shall be granted a pre-disciplinary hearing at which they (or a FOPPO representative acting for the employee) shall be afforded the opportunity to refute such charges or present mitigating circumstances to the sheriff or their designee. The hearing shall take place within twenty (20) working days of the receipt of the pre-disciplinary notice and the employee shall be permitted to have an official representative present. This time frame may be waived by written mutual agreement of both parties.
- B. The office may place an employee on paid or unpaid investigative leave during the time given an employee to respond to a notice that dismissal is under consideration if the office believes the good of the service requires that the employee should be temporarily separated from their assignment.
- C. After the pre-disciplinary hearing or after the allotted time period in Section 5C above, if the affected employee chooses not to participate in a pre-disciplinary hearing, the office shall make a final determination of what discipline, if any, is appropriate. The effective date of the disciplinary action(s), for the purpose of appeal, shall be the date upon which the final determination is made.

If the employee is not disciplined, all documents pertaining to the allegation(s) shall be removed from the employee's personnel file.

If the employee is disciplined, all documents pertaining to unproven or mitigated allegations shall be removed from the employee's personnel file. If there is a disagreement between the sheriff and the employee regarding unproven or mitigated charges, the matter shall be referred to human resources for resolution pursuant to Article 24 – Personnel File, Section 4.

Section 9. Administration of Discipline.

Discipline shall be administered in a manner which will not unduly embarrass the employee, consistent with the circumstances involved.

ARTICLE 16 – GENERAL PROVISIONS

Employees will be given the reasonable opportunity to consult with their labor representative or attorney prior to any blood test. Use of such sample is still subject to consent or other lawful means.

The Employer may lay off an employee when the Employer determines it necessary to abolish a position, to make material change in duties or to change an organizational unit, or when a shortage of funds or work exists. No temporary or permanent separation of an employee from the service of the county, as a penalty or disciplinary action shall be considered a layoff. - A. The employee is on trial service to the supervisory position; or
- B. A vacancy exists in the bargaining unit and there is no qualified employee on the layoff list for that position.

Section 5. The parties shall be provided all of the rights and benefits extended by the personnel rules in all matters, which are not addressed in this agreement.

Section 6. If the county proposes to change an existing practice that is or impacts a mandatory subject of bargaining, it shall give the Federation written notice. If permitted activities would interfere with either the shop steward's or the employee's duties, the direct supervisor(s) shall, within the next working day, arrange a mutually satisfactory time for requested activities.

Section 3. There shall be no reprisal, coercion, intimidation, or discrimination against any Federation Representative for the conduct or the function described herein.

Section 4. For the purpose of this section, such Federation Representatives shall be limited to two (2) in number. Section 1. Human resources shall maintain a personnel file of each employee in the county service. This file shall be the official file of the county and shall contain copies of all official reports, memos, letters, personnel actions, etc., relating to the employee's performance and employment status.

Section 2. An employee may inspect the contents of their personnel file in human resources upon the employee's oral request to do so. An employee's official representative, with the permission of the employee, may inspect the employee's personnel file.

Section 3. No information reflecting critically upon an employee shall be placed in the employee's personnel file that does not bear either the signature or initials of the employee indicating that they have been shown the material or notation by the employee's supervisor that the employee has been provided a copy of the material and refuses to sign. A copy of any such material shall be furnished to the employee when it is placed in the personnel file.

Section 4. If any employee believes that there is material in the employee's personnel file which is incorrect or derogatory, the employee shall be entitled to prepare, in writing, an explanation or opinion regarding the particular material and this shall be included as part of the personnel file.

If the employee believes that such specific information should be removed entirely from the files, the employee shall first submit a request to human resources that the material in question be removed. If the matter is still unresolved, the employee may file a grievance.

Section 5. Letters of caution, consultation, warning, admonishment, and reprimand shall not be used in any subsequent evaluation or disciplinary proceeding involving the employee three (3) years after they have been placed in the file unless there have been recurrences of a similar nature. After the three (3)-year period, and in absence of a recurrence of a similar infraction, such letters shall then be removed from the employee's personnel file at the request of the employee.

Employees will cooperate in pooling rides when such pooling is available.

Section 3. Request for tuition aid shall be submitted to the sheriff for approval or disapproval prior to enrollment by the petitioning employee. Courses shall be for the purpose of the employee's professional growth when such training will also be beneficial to the sheriff's office.

Section 4. If approved, tuition aid will be provided for one-half the cost of the course registration fee to employees who successfully complete classes.

For the limited purposes of the Internal Revenue Code Section 414(h)(2) and related tax statutes, the employee's contribution to PERS will be picked up by the county as a pre-tax contribution as the term "pick-ups" is used in the Internal Revenue Code.

Section 3. Employees shall receive an incentive pay increase of two and one-half percent (2 ½%) for an intermediate DPSST certificate and an additional four percent (4%), six and one-half percent (6 ½%) total, for an advanced DPSST certificate.
