

WILDFIRE RECOVERY RESIDENTIAL SEPTIC GRANTS

ABOUT THE PROGRAM

This program is a collaboration between Mid-Willamette Valley Council of Governments (MWVCOG) and Marion County Building Inspection. Grants are available to reimburse property owners for completed work repairing or replacing residential septic systems performed due to the 2020 Beachie Creek and Lionshead Fires. Grants will be available until total funding is allocated. Marion County is implementing the grant program with funds from the American Rescue Plan Act (ARPA) by way of Business Oregon. MWVCOG funding is provided through Oregon DEQ from ARPA.

WHO QUALIFIES?

Property owners with septic systems that have paid for system improvements, repairs, or replacement after the 2020 wildfires. All services that were associated with requirements outlined in a septic permit or by an authorization notice are eligible. All the work must be completed at the time of application with a Certificate of Satisfactory Completion or Authorization Approval for the system.

ARE YOU ELIGIBLE?

1

Was your septic system destroyed or damaged in the 2020 Beachie Creek or Lionshead Fires?

2

Have you pumped, located, repaired or replaced the septic system during the rebuild?

3

Do you have an Approved Authorization or a Certificate of Satisfactory Completion for the system?

IF YOU ANSWERED YES TO ALL OF THESE QUESTIONS, YOU MAY BE ELIGIBLE FOR A REIMBURSEMENT PROVIDED BY MWVCOG AND MARION COUNTY BUILDING INSPECTION.

TWO GRANTS ARE AVAILABLE. PROPERTY OWNERS WILL ONLY NEED TO SUBMIT ONE APPLICATION TO APPLY FOR BOTH GRANTS.

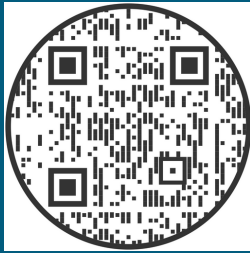

HOW TO APPLY

1

Get a bill of sale or itemized receipt from your installer for the installation of the septic system.
