

NOTICE:

Effective January 1, 2023, we will be terminating almost all of the existing accounts for disposal at the sites. Franchise haulers, school districts and government agencies will maintain their accounts. We will no longer be offering the DT rate. This is part of an effort to get contractors to directly haul their waste to the Marion Resource Recovery Facility (MRRF) in Brooks. The MRRF will offer disposal accounts to those that meet the qualifications (have a CCB license and be a Marion County business) and will also offer the same DT disposal rate.
