The students were encouraged to think critically about waste reduction, repair, and why it is important to reuse.

Fourteen students in several grade categories received awards of gift cards valued from \$50 to \$100. Students with winning entries were also awarded certificates that were presented to them by the Marion County Board of Commissioners, Mid-Valley Garbage and Recycling Association (MVGRA), and Marion County Public Works-Environmental Services (MCPWES) at a televised ceremony in December.

MCPWES and the eight garbage and recycling companies of MVGRA provide ongoing recycling awareness and education by offering presentations, classes, recycling demonstrations, and free learning materials to the community. If you are interested in learning more about recycling and the conservation of our natural resources, contact Mid-Valley Garbage & Recycling Association at 503.390.4000 or Marion County Public Works-Environmental Services at 503.588.5169. Protect our air and water – REDUCE, REUSE, RECYCLE!

This art calendar was coordinated and developed by Griselda Puga, MCPWES Waste Reduction Coordinator and David Lear, General Manager of MVGRA. All K-12 students that live in Marion County are welcome to participate in the upcoming contest. For more contest details, please call 503.566.4159 or email EnvironmentalServices@co.marion.or.us
