Portion of Jefferson-Marion Road SE to Close for Bridge Replacement

JEFFERSON, OR – Beginning Monday, June 18, 2018, Jefferson-Marion Road SE will be closed immediately south of Pletzer Road SE to replace the existing bridge spanning Marion Creek. The road closure is located between Parrish Gap Road and the City of Marion and will last approximately 10 weeks. Access to Pletzer Road will remain open at all times from Jefferson-Marion Road. Jefferson-Marion Road is scheduled to reopen by August 24, 2018.

During this time a signed detour utilizing Parrish Gap Road SE, Hunsacker Road SE and Marion Road will be in place. Expect increased traffic on signed and unsigned detour routes in the area. Please obey posted road closure and detour signs and be considerate of farm equipment and bicyclist in the area.

For more information, contact Jill Ogden, Senior Engineering Technician, or Bob Pankratz, Project Engineer, at 503-588-5036 or constructionprojects@co.marion.or.us.
