**NOTICE OF MILL CREEK ROAD AT 70TH AVE
BRIDGE REPLACEMENT PROJECT**

The Mill Creek Rd bridge will be replaced this year. Mill Creek Rd and 70th Ave will both be closed in April. 70th Ave is scheduled to open by August 1st and Mill Creek Road is scheduled to open before the end of November.

The closure on Mill Creek Rd will be from west of 70th Ave to east of the bridge, and 70th Ave will be closed from Mill Creek Rd to approximately 600' south of that intersection to allow for a minor realignment. No traffic will be allowed through either work site.

Please always obey posted construction signs and note that the contractor, Bent, LLC, is responsible for establishing the construction schedule and will install and maintain the designated detour route throughout the closure.

Marion County will have inspectors on site during most construction activities. Do not hesitate to report any questions or concerns to the inspector who will be happy to answer your questions and provide assistance.
