ELEVATION/FLOODPROOFING CERTIFICATE

The structure proposed for construction at 7749 Sunnybrook Lane SE, Aumsville, Oregon should be set at an Elevation of 328.5 feet, which is 2.0 feet above the 100 year flood elevation at this location as interpolated from Panel 275 of 700 of the Flood Insurance Rate Map for the unincorporated areas of Marion County, Oregon, dated Sept. 30, 1993.

To facilitate this construction, temporary bench marks have been established on the Southeast corner of an existing power transformer pad, the elevation of which is 326.95 feet and on a nail driven into a large arborvitae, the elevation of which is 327.29. This elevation is based upon the Oregon State Highway Department Bench Mark "K-474" which has a reported elevation of 318.946.
