In order to determine whether or not an Agri-Tourism related Single Event is permitted on your property, the Marion County Planning Division requires certain information. Generally speaking, if your proposal is in a rural area and can meet the criteria listed in Chapter 17.125.130 (and listed below) of the Marion County Code, an “Agri-Tourism Single Event Agreement” must be submitted and approved before the one-time event will be allowed.

17.125.130 SINGLE AGRITOURISM OR OTHER COMMERCIAL ACTIVITY EVENT. *A farming operation may obtain a permit for a single agri-tourism or other commercial activity in a calendar year, subject to the following requirements:*

- C. *The event or activity may not involve more than 100 attendees or 50 vehicles;*
- D. *Sound amplification may not be used before 8 a.m. or after 8 p.m.;*
- E. *The event or activity may not involve the construction or use of new permanent structure;*
- F. *The event or activity must be located on a tract of at least 10 acres unless the owner or residents of adjoining properties consent in writing to the location;*
- G. *The event or activity must comply with all health and fire and life safety requirements; and,*
- H. *Any event or activity is personal to the applicant and is not transferrable;*
- I. *The applicant and property owner shall sign an agreement that acknowledges the requirements of this section.*
