

MINERAL AND AGGREGATE INVENTORY
Comprehensive Plan Addendum A

DOGAMI MINING OPERATION SITE CATEGORIES

PREEXISTING:	Operation in place at location prior to any land use regulations.
SIGNIFICANT:	Site determined to meet any one of the criteria listed in OAR 660-023-0180(3) regarding quantity, quality, and location of the resource.
POTENTIAL:	Special category to delay Goal 5 process under 660-016-0000(5)(b) because current information is inadequate to identify site for resource location, quantity, or quality.
NON-SIGNIFICANT:	Operation under conditional use application but not meeting Goal 5 criteria and without Goal 5 protection.
OTHER:	Non-significant site but located within the EFU or SA zone.
