Specify start & stop points (use space on reverse to draw road): \_\_\_\_\_

Marion County will grade the section of road needing dust abatement applied prior to application at no cost prior to June 26<sup>th</sup> 2026, and Marion County will continue to grade and / or perform maintenance activities on any county-maintained roads as needed even after the dust abatement product has been applied. **Marion County makes no guarantee whatsoever as to the contractor's performance or the product's continued effectiveness after application is on the road.** All disputed work regarding the performance of the contractor / product upon application and thereafter shall be between the property owner and the contractor. Citizens are responsible for all financial arrangements and payment of the product application to the contractor they select.

I hereby agree that I have read and understand the above facts concerning the use of dust abatement products.
