## Criminal Investigations Unit – Crime Data

### Analysis ALPR Monthly Report – August 2026

**Type of Report:** Monthly

**Month or Quarter:** August 2026

**Name of System:** Rekor

**Number of Cameras:** 11

**Agencies with access to our data:**

KEIZER PD  
MONMOUTH PD  
NEWBERG-DUNDEE PD  
SALEM PD

**Number of authorized users:** 87

**Total plates captured:** 3,067,076

**Total alerts generated:** 4,998

**Total number of searches:** 1,099

**Disclaimer:**

Oregon Law requires the Marion County Sheriff's Office to provide the following information related to Automated License Plate Reader Systems (ALPR).

**Monthly ALPR Audit Report:**

- \* Number of ALPR cameras installed
- \* Location of cameras
- \* Number of searches of captured ALPR data
- \* List of LE agencies who have access to our data
- \* Number of authorized users for the ALPR system
- \* Number of unique vehicles captured by the system
- \* Number of alerts generated by the ALPR system
- \* For searches conducted by LE, include who the search was conducted by, date and time of the search, law enforcement purpose for the search.

**Quarterly ALPR Audit Report:**

- \* Authorized user who conducted the search
- \* Agency who employs the authorized user
- \* Government agency of entity on whose behalf the search was conducted by LE agency
- \* Date and time of the search
- \* LE purpose of the search
- \* Number of cameras or devices accessed as part of the search
