

MARION COUNTY SHERIFF'S OFFICE

Criminal Investigations Unit – Crime Data Analysis

ALPR Monthly Report – July 2026

Type of Report: Monthly

Month or Quarter: July 2026

Name of System: Rekor

Number of Cameras: 11

Agencies with access to our data:

KEIZER PD
MONMOUTH PD
NEWBERG-DUNDEE PD
SALEM PD

Number of authorized users: 87

Total plates captured: 2,939,765

Total alerts generated: 4,684

Total number of searches: 1,201

Disclaimer:

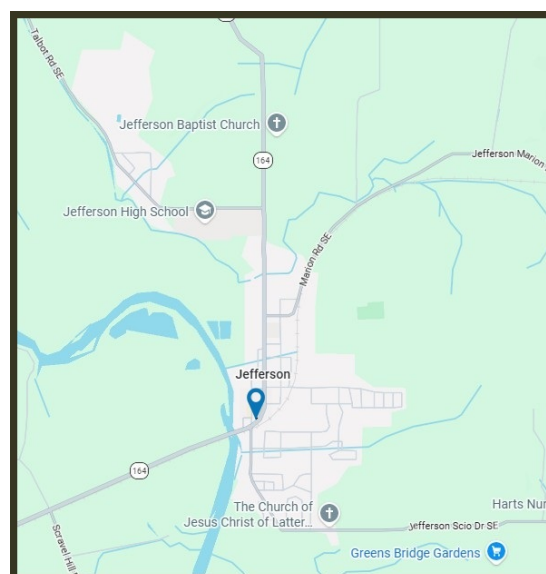

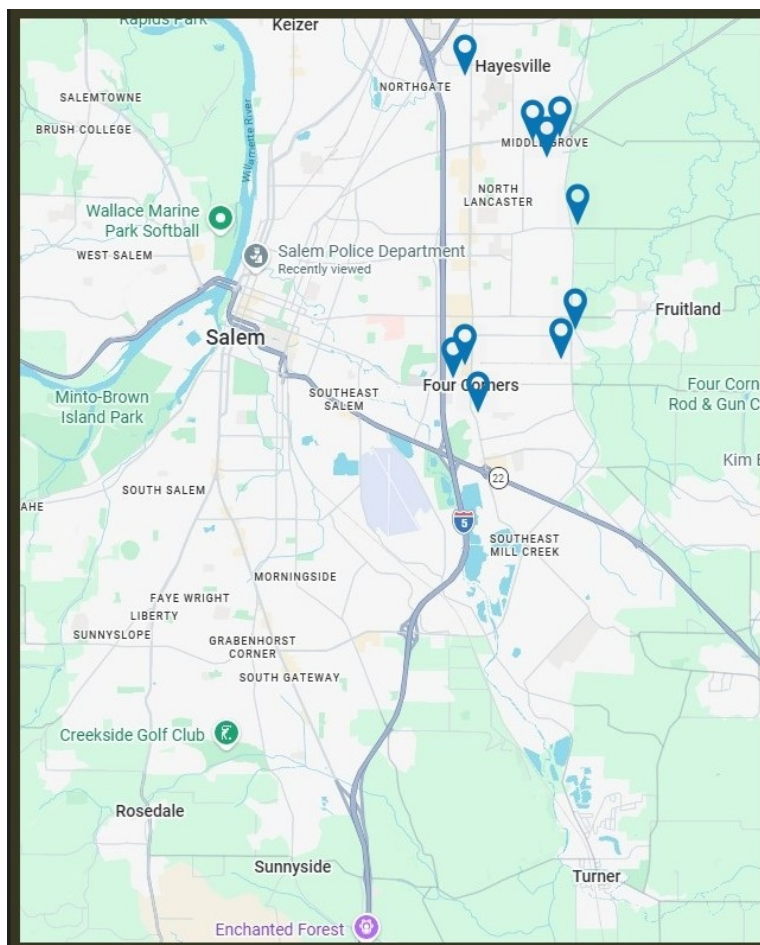

Oregon Law requires the Marion County Sheriff's Office to provide the following information related to Automated License Plate Reader Systems (ALPR).

Monthly ALPR Audit Report:

- * Number of ALPR cameras installed
- * Location of cameras
- * Number of searches of captured ALPR data
- * List of LE agencies who have access to our data
- * Number of authorized users for the ALPR system
- * Number of unique vehicles captured by the system
- * Number of alerts generated by the ALPR system
- * For searches conducted by LE, include who the search was conducted by, date and time of the search, law enforcement purpose for the search.

Quarterly ALPR Audit Report:

- * Authorized user who conducted the search
- * Agency who employs the authorized user
- * Government agency of entity on whose behalf the search was conducted by LE agency
- * Date and time of the search
- * LE purpose of the search
- * Number of cameras or devices accessed as part of the search
