A Message from the Clerk . . .

Dear Marion County Voter,

We look forward to receiving your voted ballot.

As of this writing we are all dealing with the COVID-19 pandemic and the effects of horrific wildfires. This may affect ballot drop sites. Please check our website, www.co.marion.or.us/CO/elections for up-to-date information. We practice mask wearing, physical spacing, and sanitizing in our office.

If you have not received your ballot by October 21, please call us at 503-588-5041.

If you wait until after October 27 to return your ballot, please use an official ballot drop site instead of the mail to assure we receive your ballot in time to count. See the list of drop sites on pages 5 and 6.

Please be sure we have both your current residential and mailing address. The residential address determines which contests you get to vote on. You can check, and, if necessary, update your information online at www.oregonvotes.gov by clicking "My Vote." If you wish to register to vote and have a DMV number, you can register online at www.oregonvotes.gov by October 13 for this November 3 Election. With or without a DMV number, you can use the registration forms on pages 56-59 to register or update.

Please sign up today at www.co.marion.or.us/co to track your ballot with text, email or voice alerts. This allows you to know where your ballot is in the process and allows us to contact you quickly if there is a signature issue.

We check every signature. If there is an issue, we will mail you a correction form to help resolve the missing or non-matching signature. Please make sure it gets back to the Clerk's office by November 17 so we can count your ballot.

Know of someone who, because of reading impairment or disability, needs voting assistance? Please contact us. We offer several options to help people vote privately and independently. Some are listed on page 7. We also offer large print and tactile ballots. This voter pamphlet is available in voice and text on our website. Independent Living Resources, 503-232-7411, will mail this voter pamphlet on CD or tape on request.

Thank you for helping make democracy work by being informed and voting.

- October 13 • Last day to register to vote.
- October 14 • Ballots mailed to voters.
- October 27 • Recommended last day to mail ballot for USPS delivery by Election Day.
- November 3 • Last day to return ballot by drop box (before 8 PM).
- November 17 • Last day to resolve a missing or non-matching signature.

Sincerely

Marion County Clerk

Possible service changes due to the ongoing COVID-19 Pandemic and Oregon Wildfires

Please note that due to measures to keep people safe during this COVID-19 Pandemic, access to offices, buildings, and services may change from the time we finalized this voter pamphlet for print on September 21st and before ballot mailing and election day.

It may well be that some ballot drop sites in public buildings and banks may not be open. Some may be open different days or times than presently stated. If possible, we will have outdoor 24/7 ballot boxes at the Stayton Library, Jefferson City Hall, Turner City Hall, and Hubbard City Hall in place of the indoor boxes. Our website, www.co.marion.or.us/co (Click on "Elections", then on "November 3rd General Election") will show any changes. Also, the Oregon Secretary of State's Oregon Drop Site Locator, www.sos.oregon.gov, will show ballot drop sites near any location in Oregon. Just type in your address or a nearby address.

Our office is open normal business hours, 8:30 AM - 5 PM, to serve you by phone and email.

You can vote without leaving your home, just place your voted ballot in the mail. Since postage is paid this election, you will not need to find a stamp. Please get your ballot in the mail by Tuesday, October 27th to better assure delivery to our office in time to count. The ballot must be in our office or an official Oregon ballot drop site by 8 PM on Election Day, November 3rd. **Post marks do not count for Oregon ballots.**

We plan to use the ground floor Senator Hearing Room in Courthouse Square starting on Monday, October 26th. We will be issuing ballots for last minute voters that may have lost their ballot and still need a replacement, or did not get a ballot due to moving. Please call ahead in order for us to serve you faster. We will be wearing masks and practicing physical distancing. Hand sanitizer will be available.

Please examine carefully the election voting information you rely on. The FBI, US Department of Homeland Security and the US Justice Department have warned that we will likely see an increase of false voting information, especially via social media throughout the 2020 elections. This threat may be further heightened due to our focus on the COVID-19 pandemic. Some want to discourage you from voting. Don't let them. Make your voice heard. If you question any voting information, please check our website, the Oregon Secretary of State website www.oregonvotes.gov, or call us at 503-588-5041.

Practicing physical distancing in our office, with fewer workers, will likely mean that counting the ballots will take longer than usual. We still plan to post preliminary results just after the close of Election Day based on ballots processed before Election Day. Updates may be delayed.

If you have a signature issue, mismatch or not signed, you can mail back the form we send you to allow your ballot to count. Please do so as soon as you receive it. We must have it by November 17th, so please mail by November 9th.

Thank you for your flexibility as we all adjust to the pandemic and the fires while successfully and safely conducting this Election.

Official Marion County Ballot Drop Sites

The Marion County drop sites listed below will be open beginning October 16th. On Election Day, November 3rd, drop sites will remain open until 8:00 PM.

Voters with Disabilities Information

Alternate Format Ballot

The Alternate Format Ballot (**AFB**) is a voting tool that is available to voters with disabilities to vote privately and independently if they have access to a computer with a web browser and a printer.

Call 503.588.5041 or 1.800.655.5388 or TTY/TDD 1.800.735.2900 for more information.

Accessible Computer Stations

- ★ To accommodate voters with disabilities that do not have access to the required technology to vote the AFB, we have an Accessible Computer Station (ACS).
Please bring the ballot packet you received through the mail with you when using the ACS at the county site.

The ACS is available at:

Marion County Clerk's Office, 555 Court St NE, Suite 2130, Salem.
Conveniently accessible to bus service as we are located on the same block as the Downtown Transit Center (Courthouse Square) in Salem.
To avoid delays, please call in advance: 503.588.5041.

Large-Print Ballots

Any voter can request a ballot with larger print if needed. Call 503.588.5041, 1.800.655.5388 or TTY/TDD 1.800.735.2900 to get your request put in place for this and future ballots.

Voting Assistance

Any voter can request assistance from the County Clerk's Office for help with marking a ballot. Call 503.588.5041, 1.800.655.5388 or TTY/TDD 1.800.735.2900 to request assistance.

Marion County Voter Pamphlet

This voter pamphlet is available in a downloadable audio format. Go to our website, www.co.marion.or.us/co/elections to download the files. You may also contact Independent Living Resources to obtain the Audio voter pamphlet on CD or tape. Call 1.503.232.7411 to request the voter pamphlet in this media version.

If you have questions about registration or voting, contact the Clerk's Office:
555 Court St NE, Suite 2130, Salem
Phone 503.588.5041 or 1.800.655.5388 (TTY/TDD line at 1.800.735.2900)

Voting Instructions

Review the Ballot Packet

It should contain at least the following items:

- Printed ballot
- A pre-addressed return envelope
- Secrecy sleeve
- Insert for Ballot Drop Sites
- Insert for Measures

If any items are missing, contact Marion County Clerk - Elections.

Important Ballot Information:

If a ballot has been delivered to your address and it is addressed to someone who does not live at your address:

1. Mark through the address like this:

2. Return to your mailbox, post office or letter carrier.

Notify Marion County Clerk's Office Before Voting The Ballot Delivered To You If:

- Your name is different than that on the label; or
- Your residence address has changed; or
- You have added, deleted or changed a mailing address.

To make sure your vote counts:

- Use a **black or blue ink pen**.
- Completely fill in the box to the left of your choice.
- To vote on a measure, complete the box next to either the "Yes" or "No",

LIKE THIS:

NOT THIS:

NOT THIS:

To Vote:

Use a black or blue ink pen to completely fill in the box to the left of your choice.

To Correct a Mistake:

Draw a line through the entire measure response or candidate's name. You then have the option of making another choice.

To Vote a Write-In:

To vote for a candidate not printed on the ballot, fill in the box provided to the left of "Write-In:", and print the first and last name of your choice on the line.

Important to Remember: Your Return Envelope must be Received by 8 PM Election Night or your Ballot will not be Counted.

SAMPLE BALLOT • November 3, 2020 • General Election

This sample ballot is a composite of all contests and measures appearing on ballots in Marion County.

Not all voters will vote on every office or measure.

If you have more than one candidate filed for an office on your ballot, you may notice that the names do not appear in alphabetical order as might be expected. A “random alphabet” is drawn by the Secretary of State for every election which determines the order in which the names of candidates will appear on the ballot.

The alphabet for the November 3, 2020, General Election is as follows:

P M W T F Z A B I R J H U Q C G N K L X V Y D E O S

Remember: All ballots will be mailed starting October 14th.

State Measures

Proposed by Legislative Assembly

Measure 107

Amends Constitution: Allows laws limiting political campaign contributions and expenditures, requiring disclosure of political campaign contributions and expenditures, and requiring political campaign advertisements to identify who paid for them

Result of "Yes" Vote: "Yes" vote allows laws, created by the Legislative Assembly, local governments or voters that limit contributions and expenditures made to influence an election. Allows laws that require disclosure of contributions and expenditures made to influence an election. Allows laws that require campaign or election advertisements to identify who paid for them. Campaign contribution limits cannot prevent effective advocacy. Applies to laws enacted or approved on or after January 1, 2016.

Result of "No" Vote: "No" vote retains current law. Courts currently find the Oregon Constitution does not allow laws limiting campaign expenditures. Laws limiting contributions are allowed if the text of the law does not target expression.

Measure 108

Increases cigarette and cigar taxes. Establishes tax on e-cigarettes and nicotine vaping devices. Funds health programs.

Result of "Yes" Vote: "Yes" vote increases cigarette tax by \$2 per pack. Increases cap on cigar taxes to \$1 per cigar. Establishes tax on nicotine inhalant delivery systems, such as e-cigarettes and vaping products. Funds health programs. Approves other provisions.

Result of "No" Vote: "No" vote retains current law. Cigarettes are taxed at current rate of \$1.33 per pack. Tax on cigars is capped at 50 cents per cigar. Nicotine inhalant delivery systems, such as e-cigarettes and vaping products, remain untaxed.

State Measures

Proposed by Initiative Petition

Measure 109

Allows manufacture, delivery, administration of psilocybin at supervised, licensed facilities; imposes two-year development period

Result of “Yes” Vote: Allows manufacture, delivery, administration of psilocybin (psychoactive mushroom) at supervised, licensed facilities; imposes two-year development period. Creates enforcement/taxation system, advisory board, administration fund.

Result of “No” Vote: “No” vote retains current law, which prohibits manufacture, delivery, and possession of psilocybin and imposes misdemeanor or felony criminal penalties.

Measure 110

Provides statewide addiction/recovery services; marijuana taxes partially finance; reclassifies possession/penalties for specified drugs

Be Cautious

Be careful of the election voting information you rely on. The FBI, US Department of Homeland Security and the US Justice Department have warned that we will likely see an increase of false voting information, especially via social media throughout the 2020 elections. This threat may be further heightened due to our focus on the COVID-19 pandemic. Some want to discourage you from voting. Don't let them. Make your voice heard. If you question any voting information, please check our website, the Oregon Secretary of State website www.oregonvotes.gov, or call us at 503-588-5041.

"I have worked hard to improve the places around me, as a mom and advocate. This energy drives me to help solve the most pressing issues our county faces."

Solutions to Homelessness

I experienced homelessness as a kid, and I am committed to implementing real solutions to help our neighbors get back on their feet.

Keeping Marion County Affordable

I will work hard every day to ensure the county stays within its means. By prioritizing budgets and limiting excess spending, Marion County can be more affordable for everyone. I have spent years as a champion for small businesses, and I will bring that voice and passion to recruit and retain well-paying jobs throughout the county.

Standing with Our Agricultural Community

Our family farms, vineyards, and timber industry are vital to our community. With intentional leadership, we can remain leaders in Oregon's agriculture, protect jobs, and protect our environment all at the same time.

Marion County Solutions

Governor Brown has failed us. I will stand against her extreme overreach.

Recovering from COVID-19 as a Community

COVID-19 has impacted almost every aspect of our lives. Some have lost their loved ones or are struggling with medical expenses. Others have closed their businesses, lost jobs, or are unable to return to work. More are struggling to educate their children from home, pay bills and feed their families.

To weather this devastating storm, we must take action to:

- Ensure Economic Recovery and Job Restoration
- Provide Stable and Affordable Housing
- End Homelessness
- Acknowledge and Address Racism and Discrimination
- Expand Affordable Healthcare, Including Mental Health Services
- Strengthen Public Health Infrastructure
- Protect Natural Resources for Future Generations
- Support Farmers, Foresters and Farmworkers

Dedicated Accurate Customer Service

Dear voter,

I ask for your continued support in my service as your County Clerk. Changing complexities require an experienced official with a keen desire to continuously evaluate and embrace new technology and procedures.

I implemented electronic recording of land documents, a secure and efficient alternative to paper recording. This is a safe way to record during a pandemic.

We administer elections and voter registration. Voters' pamphlets remain crucial for informed voters. During my tenure, we've installed 24/7 ballot drop sites for voter convenience and safety. We safely conducted the May Primary Election during this COVID-19 pandemic. We refine technology and processes to assure your vote is securely and accurately counted, while reducing operating costs.

We issue marriage licenses, receive passports and preserve historic records.

A hallmark of my tenure in the Marion County Clerk's Office is going the extra mile to provide excellent customer service. I look forward to serving you.

Thank you,

The Integrity of Our Elections is My Greatest Priority

Dear Voter,

During these trying times it is clear how important **competent, clear-eyed, and forward focused leadership** is to the health of our democracy.

Being a "nice guy" is no longer enough to meet the **complex challenges ahead**. The next leader in the Marion County Clerk's office must be a **leader** who can **anticipate future challenges**, create a plan, and **gather necessary resources** to fulfill the commitments of the office. I am running for Marion County Clerk because I am a seasoned, **well-prepared community leader** ready to take on the **next generation** of electoral **challenges**. This is why **I'm asking for your vote**.

As your County Clerk I will:

- **Conduct your local elections in a fair and impartial manner.**
- Value and **advocate** for **voter access, equity, and election integrity - for all voters, no matter their party affiliation.**
- **Convene a nonpartisan citizen review** to improve our systems and be a national leader for best practices.

In this **non-partisan** race, I am asking for support from voters across political lines because I believe **public leadership is a loyalty to the people, not a party**. Vision and leadership matter. **Vote Danielle Gonzalez for Marion County Clerk.**

With gratitude,

Danielle

Prior Governmental Experience: Aumsville City Councilor (Police Department Liaison); Aumsville Budget Committee; Precinct Committee Person

It is an honor to have served you as a City Councilor over the last two years.

I was born in Salem, and raised on a small family farm just outside of Woodburn. I have been married to my beautiful wife for 29 years, and we have a daughter who is just starting her college career at Willamette University. We made our home in Aumsville 12 years ago and plan on remaining here for many years to come. With that in mind, I desire to continue serving our community as your next Mayor.

Aumsville is a great place to live, but as a community, we are facing some major obstacles to our future growth and prosperity. If granted the privilege of serving as your Mayor, I promise to work closely with our Council Members, City Administrator, and community members, to set an agenda that addresses our most pressing needs. Those needs include obtaining funding for the following priorities: Overdue maintenance and expansion of our potable water system; Development of a new waste-water treatment facility; Road maintenance and sidewalk installations; Development of our industrial zone and expansion of the commercial business sector.

I humbly ask for your vote for Mayor, so together, we can enhance the family-friendly environment of Aumsville and continue to make it "A Great Place to Live"!

Occupation: Defense Contactor - Vighter Medical; 41 IBCT Senior Medical NCO - Oregon Army National Guard

Occupational Background: Business Relationship Manager - Oregon Health Authority; Defense Contractor - Aegis Defense LLC

Educational Background: Masters of Business Administration; Bachelors of Science in Health Care Education

Prior Governmental Experience: US Army - 16 years; City of Aumsville Mayor - 2 years

I have had the honor of serving as the City of Aumsville Mayor for the past two years. I am excited about the opportunity to continue the hard work and change we have all been striving for.

Aumsville is changing and growing and we need a local government that will work for our community and put Aumsville first. I have done that and plan to continue to do that. Our community members deserve to have their voices heard through their representation and through the ballot box. I plan to continue representing our community and being an advocate for all of our community members.

Since 2018 our city has been managing robust infrastructure repair while also bringing in multiple new businesses, revitalizing the corn festival, created a more inclusive City Government by offering city literature in two languages, issued over \$30,000 in COVID relief to our small businesses, purchased 23 acres of new park property, finalized a complete developmental code rewrite, started video recording and publishing City Council meetings online, and improved upon our City events.

I have made a commitment to continue to level of transparency this community has become accustomed to and look forward to continuing to improve the relationship between the City Government and the community we serve. As Mayor I will continue to push towards modernization within our City and will always seek to be the voice of community members that went unheard for far too long. I look forward to collaborating with a new City Council and ensuring that we always remember our role is to represent the people of Aumsville.

Educational Background: Chemeketa Community College – No Degree

Prior Governmental Experience: Aumsville City Council August 2020

Recently I was appointed to City Council. I feel proud and excited to be serving a great community that is making strides to prepare for change and embrace for an evolving world around us.

We have some challenges in the community that we are facing. Now more than ever it is important for us to communicate and work together. We have to listen to what our community has to say and make sure that members of the community do not feel left out. Unity and understanding of what we are doing and why, is going to be one of our best assets.

In my professional career, it is essential for me to listen and understand people’s needs. I believe it is important to be able to address proper resolution for those needs and make decisions to create a successful outcome. This is an area that I believe I can help bring people together, and help get tasks accomplished that need to be done for our City.

With the growth of Aumsville I see that it is important to be managing current events and issues, as well as working towards addressing issues that are arising. We must maintain our resources, seek improvements and continue making them better. I look forward to being a part of making Aumsville the best we can for your family and mine.

Working Hard for You

Through the hard work and dedication by your elected city councilors and volunteers, we have made the Detroit City Park project a reality creating a treasured community asset for all to enjoy. We have also worked with the U.S. Forest Service to keep the Detroit Flats Day Use Area free and open to Detroit residents. Most recently, a grant was awarded for broadband internet throughout the city by the end of 2020 and in the coming years, the North Santiam Sewer Project will provide opportunities throughout the city.

Progress is happening in Detroit, with your help, we can do more.

It takes hard work and strategic partnerships at the local, state, and federal levels to get things done. I am proud to have played a leadership role, building a foundation for success. I remain hopeful you will continue to put your trust in me as your representative on city council.

I look forward to continuing our work together to make Detroit a city we all enjoy.

City of Detroit City Council

Michele Tesdal

Occupation: I am a 20-year employee of the US Department of Agriculture (USDA). I work as a conservation planner on privately owned farms, dairies, and forestlands. I write contracts that enable the government to cost share on improvements that benefit soil, water, air, plants, animals and humans. It is a non-regulatory position where farmers come to the agency to request assistance with issues such as: soil erosion, wildlife/stream planting plans, water savings, forest production, dairy, and nutrient management.

I coordinate conservation work with other agencies such as the US Department of Forestry, US Fish and Wildlife Service, Oregon Department of Fish and Wildlife, Oregon Department of Forestry, Oregon Department of Ag, Marion County Soil and Water Conservation District and numerous watershed districts.

Occupational Background: Before I obtained my BS degree at OSU, I worked seasonal positions with the City of Salem in the Parks & Rec and Public Works departments.

Educational Background: Oregon State University, Bachelor of Science. Course of study: Natural Resources; McNary High School, Diploma.

Prior Governmental Experience: I have been on the Detroit Planning Commission for 1 year. I recognize that some of the City Codes need to be revised to allow landowners and the city to work better together for the benefit of both. I believe the city council should involve the planning commission more on land use decisions when there is divergence with the code. When disagreements occur, we can keep decisions local and true to the uniqueness of this city without going directly to the Land Use Board of Appeals.

My goal is to bring back family livability to this city and increase jobs and amenities for those living and vacationing here. Detroit is an amazing city with much potential. I believe with my experience I can actively pursue new ideas to ensure a brighter future for us all.

Please vote **Michele Tesdal** as your advocate on Detroit City Council.

Occupation: Retired, 2015.

Occupational Background: Veterans Service Representative, Portland Regional Office; U.S. Department of Veterans Affairs; Manufacturing Manager, Xerox Corp., Wilsonville, OR; Manufacturing Manager, Tektronix, Inc., Beaverton, OR; U.S. Air Force, 24 years; Oregon Air National Guard, 4 years.

Educational Background: M.S., International Relations, Troy University, Troy, AL; B.S., Management Studies, University of Maryland, College Park, MD; Roosevelt High School, Portland, OR.

Prior Governmental Experience: Mayor, Donald, OR, Jan 2017 – Dec 2018. President, City Council, Donald, OR, Jun 2016 – Dec 2016. City Councilor, Donald, OR, Jan 2013 – Dec 2016.

Oregon Native, who's lived in Donald for 14 ½ years.

I would greatly appreciate your vote to be your Mayor.

Pledging community driven solutions to make Donald a safe and enjoyable place to live.

I will lead the City Council and City Staff towards finding funding sources, enabling Donald to expand policing to 20/40 hours per week.

We contract with the Gervais Police for approximately 40 hours of 'policing' per month. I would like to see the times the Officers are in Donald to be morning, afternoon, and evening, with no pattern. I believe that varying the times would be more of a deterrent to crime.

Pledging common sense decisions to carefully spend your hard-earned tax dollars.

We continue to be very successful in obtaining grants. I will continue to aggressively pursue outside funding to assist Donald to repair and improve our infrastructure.

Pledging to listen to everyone's concerns and feedback with an open mind, without pre-judging.

I pledge to respectfully receive citizen concerns during City Council Meetings. The City Council will receive and consider citizen's concerns via letter, email, in person, on-line, or through social media.

Pledging to work with City Councilors and City Manager and Staff to make the right choices for Donald.

Issues will be discussed during City Council Meetings allowing Councilor's to frankly exchange ideas, opinions, and come to decisions.

Elected Budget Committee Chair for 2015, 2016, and 2018.

Occupational Background: Jack of all trades is the best way to describe my work history. But mostly, I have been self-employed as a General Contractor and Automotive Repair Tech.

Educational Background: Masters of Arts in Organizational Management and Leadership: 2012 – *Warner Pacific College*; Bachelor of Science in Business Management and Marketing: 2007 – *Portland State University*; Associate of General Studies: 2004 – *Portland Community College*; High School Diploma: 2003 – *Portland Community College*

Prior Governmental Experience: Over the past 30 years, I have been an active member of an International non-profit organization that helps 100's of thousands of people with problems of addiction. As a member I have served on many boards, represented the organization at local and regional gatherings, served as a chairperson and organizer, and have volunteered hundreds of hours leading and organizing huge successful community events.

Who is Ron Carmickle, first and foremost I am an Oregonian. Born in Eugene, I have lived in Oregon my entire life. I Love Oregon.

Why do I want to be Mayor of Gates, simple, to make things better. When I moved to Gates, I thought I was leaving behind my role as a community organizer and leader. Then I made the mistake of attending a city council meeting. I was appalled by the way the Mayor was conducting the meeting and their attitude toward the citizens. Citizens have the right to be heard. I decided it was time to do something about it. In 2018, we worked to elect a new council and Mayor. Unfortunately, Gates problems didn't stop.

In October, I was appointed to the council. I have since tried to represent the City and its citizens. However, there has been much opposition on the council. Two councilors quit, due to badgering and stress from leadership. I believe, this is a failure of the Gates Leadership to run our city efficiently. I have the leadership skills necessary to unify our city.

Neighbors,

Thank you for the opportunity to serve on the Hubbard City Council. I was unanimously appointed to fill a vacant seat in May of 2019. Since that time the Council has made significant improvements in the following ways:

- 1) Infrastructure Upgrades** - roads, sidewalks and water master plan.
- 2) Public Safety** - fully staffed police department with upgraded equipment, including 4 new cars on order.
- 3) UGB Expansion** - working to add affordable housing and revenue that the city needs to operate efficiently, while keeping a small town feel.
- 4) Goal Setting** - the Council has set a standard for public improvement with short and long range goal setting through 2040, including core business revitalization.

I look forward to continuing to serve the community in the capacity of City Councilor. I would enjoy seeing these goals come to fruition over the next 2-4 years with the cohesive Council that is currently in place. Thank you for your consideration.

Respectfully,

Tyler Thomas

I am currently serving the citizens of Hubbard as your voice on the City Council. I was appointed to the City Council in 2018 to a three (3) year term. I have proudly served the citizens of Hubbard and I continue to strive to work together as a team with my fellow council members to support the mission and Charter of the City of Hubbard. I pride myself as listening to the citizens and having an open mind by way of serving the community as a "voice" and not as a "rubber stamp." I have lived in the community for over 30 years, raising my family in this community and serving in multiple volunteer capacities. The success of our community is important to me. Hubbard is not immune to challenges that many small communities in Oregon face to include the expectations of doing more with less. As your current council, we are progressively moving forward with government requirements and remaining on budget. I hold myself, the staff and the citizens of our community accountable for their voice and actions. My commitment to the citizens of Hubbard is to continue serving you by listening, asking questions and maintaining an open mind prior to making a decision.

I am honored to have been able to serve on the council for the past three years. It has been interesting with many highs and some frustrations.

Among the highs have been the establishment of the Technology Committee, the start of the Fresh Water Plant, watching the new schools grow, the completion of the library and start of the restoration of the Conser House. There are few frustrations, but the delay acquiring the land on the old gas station, waiting for ODOT to fix 2nd street thru town are just a couple.

The Technology Committee has been a major success, initially one vendor, now we have at least 5, speeds have increased together with reliability. The success has been recognized by Marion County and we are twinned with Silverton in a program to pilot further improvements. We also set up our own Emergency Notification system, Nixle.

During the next sessions I want to continue the work with Technology, assist with the Chamber of Commerce in recruiting more businesses to town, support the work of the Conser House restoration, work to find a suitable location for a playground for our children and continue supporting improvements to 2nd street including pedestrian crossings and resurfacing.

I have had the privilege of meeting many of you at Home Depot where I work part time. I enjoy hearing your views and hope I have been able to represent them, your vote would be appreciated

In the State of the City address this year, I said that when it comes to the future of this city, Keizer is up to the challenge. Like you, I had no idea that the challenge would be COVID-19 with impacts on families, schools, businesses and government that we had to come together to support each other while we learned more and found innovative, collaborative solutions. And Keizer has been up to the challenge every step of the way. A city like Keizer is a community that takes meaningful action to address issues and solve them. Keizer is a community that takes seriously the goal of reaching out, building relationship, and including everyone – ALL people. We have a strong team of leaders in our City Council and city staff, led by City Manager Chris Eppley. We have strong community leaders including the Chamber, schools, and faith and civic organizations. Housing supply, space for more local businesses and jobs, updating the Parks Master Plan, and completing the plans for Verda and Wheatland improvements are on the “to do” list over the next two years. And it would be my privilege to continue serving you as the Mayor of the city of Keizer, a city that lives out Pride, Spirit and Volunteerism every day.

Laura Reid Knows Keizer: PRIDE

I have been a Keizer resident for the past 19 years. In that time, I have experienced the community from the inside. As a teacher at McNary, I have interacted with thousands of Keizer residents, and I have a clear sense of the kind of community Keizer is and what it stands for. My three children went through the school system in Keizer, and their experience here provided an excellent foundation for the rest of their lives. I am proud represent a community that I love.

Laura Reid Loves Keizer: SPIRIT

Keizer is a unique community, being a small town connected to a bigger town, close to a metropolitan center. As such, we have all the benefits of suburban life. As a councilor, I listen carefully to all perspectives of how Keizerites want to manage their town, and I work as a team with the other councilors to make Keizer the best it can be. We show community spirit in how we support each other.

Laura Reid Serves Keizer: VOLUNTEERISM

I have devoted my life to volunteering in Keizer. My service opportunities have primarily come through City Council, school, church, Keizer Homegrown Theater, and Keizer Heritage board. There are always volunteer opportunities, and that’s how we do it in Keizer. I will make sure I know and fully understand what citizens want and make decisions based on what is good for all of us.

**MEETING THE DEMANDS OF OUR FUTURE,
WHILE HONORING OUR PAST**

As we continue to attract new residents, preserving Keizer as a great place to live, work, and raise a family will take effort and attention. We can preserve our heritage and meet the demands of the future. But only with the right leadership.

As city councilor, I will work to ensure that we have a city government that is responsive to all its citizens. I will not leave any neighborhood behind because we must find ways to work together.

MAKING CITY COUNCIL WORK FOR US

COVID-19 Recovery: Our top priority is looking out for the health and jobs of our residents as we seek to recover from this crisis.

Inclusive Community: Our diversity is our strength. We must make sure that all are welcome and can make the most of their future.

Housing Affordability Crisis: We need housing for all incomes and abilities, ensuring development is respectful to our neighborhoods.

Development that works for Keizer: I will not support projects that makes developers richer while making our city poorer.

Farmland and Green spaces: We must use land effectively, protecting valuable farmland and our great quality of life.

Local Businesses: New developments must also support the creation of new, local businesses.

Workforce Training: Support schools expanding vocational and technological education to prepare students to find good jobs.

Safe Streets: Make our streets safer for people of all ages and abilities, reduce congestion by expanding transportation options.

REPRESENTING THE FUTURE OF KEIZER

Having grown up in Keizer, I feel a special connection to this place we call home. The people of this community helped instill in me the values of Pride, Spirit, and Volunteerism and they represent the core of what I will bring to City Council. In the years ahead we must work to preserve what makes this place special, while also embracing our future. I am committed to offering that fresh perspective and representing the voice of the people.

PREPARING THE NEXT GENERATION TO LEAD

Our continued prosperity and vitality depend on the young people of this community being ready for the responsibility. I currently work for a nonprofit that supports educators with better ways to track student's growth. I've founded a youth-focused non-profit that provides a positive place in our schools to create connections through video games. I will use that experience to ensure the work of the city is supporting our next generation, so they are prepared to lead.

PRESERVING OUR QUALITY OF LIFE

As a member of the Parks Advisory board for the last 5 years, I've worked hard to help make our parks safer and well maintained for the enjoyment of my fellow citizens and those who visit our beautiful city. We must protect and sustain what makes Keizer an ideal place to raise a family.

I am passionate about our community and committed to ensuring we have a great future. I will represent you by running a transparent, efficient local government, supporting local businesses, making smart decisions about transportation and housing, and promoting balanced development.

Support our small businesses and local economy. We need to support our small businesses like those along River Road. Businesses cannot not be saddled with over-regulation and unnecessary costs.

Balanced, smart development. We need to protect and enhance Keizer's land supply by responsibly growing Keizer's urban growth boundary and investing in our public spaces.

More affordable housing. Keizer lacks the residential inventory and housing options thriving communities rely upon. With smarter land-use policies, our City can welcome citizens to come here, live, work and stay.

Transparent, efficient leadership. I will work to meet your priorities and address our City's challenges by working with you.

Solving congestion. As more people move to Keizer, but work in Salem, the existing north/south corridor is congested and unsafe. We need to develop a better option to solve this issue.

Hardworking. Open-minded. Excited for growth and prosperity!
Prioritizing Mt Angel**

We all know and love how great of a town Mt Angel is. We care about our community are concerned about our futures. My family has been apart of this amazing place for generations, and I hope that our traditions carry on for generations to come. With that being said, I understand how Mt Angel works, the hard work and dedication that goes into the town to make it the best place possible, and the challenges that we currently face. My objective is to bring fresh ideas to make the changes that we need to thrive as a community, and establish goals to continue to grow and find prosperity.

Making Our Economy a Priority

- Finding opportunities to attract visitors and grow businesses
- Expanding/investing in established events
- Champion new economies

Beautifying Our Neighborhoods

- Exploring sustainable approaches to minimize waste/ expand recycling programs
- Keeping streets clean/enriching public spaces
- Expanding/embracing Bavarian themed downtown spaces

Encouraging Our Community

- Creating programs encouraging neighborhood involvement
- Exploring opportunities encouraging youth to grow as individuals, respect one another and discover personal strengths.
- Exemplifying Mt Angel as to why we are such a strong, hardworking, and inclusive town that embraces diversity and quality of life

Our town is sacred, our roots run deep, and our community is great. What we have here needs to be embraced. It is my goal and passion to continue our traditions and grow our community. It is our responsibility to see that our quality of life is left in a better place for generations to come so they understand and prioritize our vision. I am excited to represent our town, and hope that you trust me to do so.

Serving as Mayor of the City of Salem is one of the most challenging volunteer jobs in our community. I'm asking for your support, again.

Daily, being Mayor involves issues as complicated as housing the homeless and keeping our local economy one of the most successful in Oregon. No issue escapes your attention.

Here are some examples of the work underway during my service as your Mayor:

- Responding to the terrible health, social and economic impact of the COVID 19 pandemic and working with the state and national governments on a recovery program.
- Housing over 8,000 low income and homeless residents daily including over 260 of our hardest to house (long term homeless folks with health, mental health, addiction, and often felony and credit issues) in the Housing Rental Assistance Program. HRAP works with local landlords to find real housing and includes wrap around services to deal with underlying problems they face.
- Managing record growth in our housing, commercial and industrial sectors at the same time we are rewriting our city's long term planning strategy for an anticipated addition of 60,000 new residents coming here in the next 20 years.
- Preparing our community to deal with any emergency we might face with water quality, earthquakes or health issues.
- Addressing a range of environmental issues including water, air, climate and transportation.
- Maintaining a close working relationship with our public schools, non-profit organizations, county and state governments, neighborhood associations and the transit district.
- Expanding our parks and cultural programs that add so much to our city's livability and enjoyment.

It has been my honor and privilege to serve you as Mayor of this amazing community that is home to so many incredible, giving people.

I'm proud of serving with a Council that is extremely diverse in opinions, yet has never wavered from the idea that respectful discussion and compromise are the foundation of good governing.

We've accomplished a great deal in gradually reducing the backlog of infrastructure projects, and I have the experience and leadership to help us continue that process.

I will continue to fight to improve our parks, connect with our youth, and ensure that Silverton is a community that respects all citizens.

Communication with citizens has been a priority for me, using social media, the City Newsletter, and Town Hall meetings to reach you. I will continue to listen to every voice in Silverton and do my best to help us arrive at decisions that are in all of our best interests - I represent every citizen and work hard to practice respectful dialogue to interact with every person who wishes to. Occupational Background: 15 years in healthcare. Former medical director and battalion flight doctor for soldiers and their families.

Educational Background: Texas A&M University - BS, Chemistry and Biology; Bush School of Government - International Affairs; University of Texas - MD.

Prior Governmental Experience: Active military service for 7 years including 2 deployments to combat zones. Former cofounder of a nonprofit public-arts organization.

Personal Statement: I am running for City Council to ensure that Silverton maximizes its immediate opportunities in a way that cultivates growth while maintaining its historical appeal for generations ahead. Currently, the downtown civic center is in planning phases and will have a long-lasting legacy on all local residents. I believe it is crucial for this project to prioritize parks, public event areas, and greenspace over parking-lot expansion. As your City Council representative, I will work to maintain the identity of Silverton and fight for local small business opportunities, performing arts venues, and greenspace. Furthermore, I am a resolute advocate for bicycle and pedestrian safety. As a cyclist who rides to work daily, I know both the personal and community-level value of deliberate infrastructure designs that promote active transportation.

I believe that fiscal responsibility is a fundamental responsibility of all government entities. I will research and analyze all new projects to ensure that they have a validated plan for investment return. I vow to acknowledge all public comments and to incorporate community surveys into my decisions. I will always place the voice of the citizens above the demands of special-interest groups. I will fight for bicycle and pedestrian safety. I will fight to keep the aesthetics of Silverton unique. Most importantly, I will listen to you. I am approachable, experienced, and committed to the long-term vision of a vibrant community in Silverton.

I am running for Silverton City Council because of my love and passion for this community. Silverton has a vibrant arts community, a rich cultural heritage, and a strong small town vibe. While Silverton has grown, that small town heritage is alive and well in Silverton.

By working closely together with open minds and compassion as a community we will turn obsticals into strengths. We need to make sure Silverton is a place where our children can afford to live; and when we retire and downsize we have a place to retire too. We can be an affordable community; while continuing to be the unique wonderful community we already are. We can grow in our celebration of diversity; while maintaing our cultural heritage. We can be a community where all voices are heard; and still come together to find and implement the best decisions. We can lower our carbon footprint and preserve our historic downtown core.

I have led the effort to improve our annexation and zoning ordinances so that we as community can manage the direction of Silverton's growth. I have led the effort to improve zoning ordinances so that a new Broadband provider can bring much needed competition to high speed internet service. I chair the Urban Renewel Advisory Committee and serve on the Affordable Housing task force to make sure we balance economic growth with the greater good of the community.

I ask for your vote so that I can continue my passion of serving you on Silverton City Council.

I was not lucky enough to be born in Silverton, but I have spent the last 20 years doing work in town with our family business. So, when it came time to move, we chose Silverton to raise our family of 4 girls.

I'm in Rotary, currently serving as Club President, held a seat on the Silverton Urban Renewal Advisory Committee. I spent eight years on the Board for North Willamette Valley Habitat for Humanity, serving as Treasurer, and President. I was on the Silverton Small Business Relief Fund Committee. And I am currently the President of the Homer Davenport Community Festival.

These groups and organizations have put me in touch with many different people and businesses in Silverton. The more people I meet around town, the more I know, this is home. As great as Silverton is already, this year has taught us all, that things can change quickly. We need people with leadership experience and diverse career and volunteer backgrounds, and in managing people and projects. As well as people who can read and understand city code and ordinances.

My career and volunteer positions, both government and non-profit, have given me the skills and experience in government operations, budgeting, project management, teamwork, working with volunteers, managing employees, and relating with customers and the public.

I am running for Silverton City Council to work for the citizens of Silverton, my friends and neighbors. I humbly ask for you vote. Thank you.

Hello fellow Silvertonians! I am a small business owner in Silverton and ready to take the next step in my community. I grew up on a farm and did equestrian competitions for most of my childhood. Silverton has been the most welcoming place I have ever lived and I want to give back to this amazing community as a City Councillor.

Since moving to Silverton, I have volunteered with SACA in the food pantry and by providing haircuts to SACA clients at no cost. I look forward to starting again once Covid-19 is no longer a concern. My biggest interests on Council are the lack of affordable housing in Silverton and pedestrian safety on the main streets. I am also working with a Reimagine Oregon group on how Silverton can become a more equitable place for residents of every cultural background.

I want to focus on utilizing the recent zoning law changes that allow for multi-family housing units in Oregon. Many home loan options allow for purchase of a single unit within a multi-unit home. This is beneficial for developers, because they maintain profit margins, and for families buying their first home, because the cost is lower than a single-family dwelling.

As a Millennial woman, mother, and business owner I understand the current struggles of adulthood all too well. It is time for the next generation to learn how to lead and progress our city while still maintaining the aura of the town we all know and love. It is time to make Silverton a place where every resident feels a sense of community in the same way my family felt when we moved here. I am ready to take on that challenge and more!

I look forward to the opportunity to serve Silverton as a City Councillor.

I'm a native Silvertonian and have served our community in many ways during my 30 years. At age 11, I was volunteering with Silverton Together and helped start the Apple Tree Program that collects school supplies for kids. I attended Girls State in high school and was chosen as a Student Advisor to the State Superintendent of Schools. During my senior year, I was named Silverton's Future First Citizen.

The support of my family has allowed me to pursue my lifelong dream of being on the people's side of politics. I'm confident I can bring something new to the City Council process, as a young Latina in our community.

I grew up with eight siblings who were proactive while also pushing me to better myself. I developed the skill to both listen and advocate for my opinion while also understanding that the art of compromise was vital. I want to use that experience to help better my community for our children, who ultimately inherit this amazing town.

In 2018, along with other driven peers, I co-founded the Silverton Rotaract Club, and have been engaging the voices of members age 18-31. I embrace the Rotary philosophy of Service Above Self and it's helped guide me as a career woman, wife and mother, and member of this community.

My hope as a City Councillor is to shine a light in areas that have been overlooked and to bring fresh ideas to the table.

I'm young, I have diverse ideas, I have a strong voice, and I'm committed to Silverton.

PLEASE TAKE A FEW MINUTES TO VOTE AND I HOPE YOU CONSIDER VOTING FOR ME. As your current city Mayor, I believe in supporting long-term goals to sustain the livability of Turner.

My wife Susan and I built our home in Turner in 2013 moving from Keizer where we had lived since 1986, raising our two daughters.

Volunteerism in our communities and civic organizations is something in which Susan and I truly believe. I want to share my experience and common-sense business knowledge with the City, the council and other organizations. Some of the current leadership roles in which I am involved include being the President Elect for the Salem Downtown Rotary Club and the Salem Rotary Board, Salem Chamber of Commerce member, Salem Chamber executive leadership committee, and SEDCOR member.

Our world took a turn with COVID issues that continue to change our daily lives. I am proud to say the City adapted well keeping staff and the public safety at the forefront. The City provided grants for our local businesses directly affected by State closures and we pitched in buying laptop computers for Turner Elementary to assist students that could not afford them.

Turner business is growing, adding Angel Share Tap House, Turn here Bar & Grill, Turnaround Bakery, Dollar General, Trinity Auto Repair, and the gas station opened. PLUS, we opened the Turner Lake park which is extremely popular and next year we hope to add playground, food carts and possibly a dog park.

Thank you for your consideration.

I am highly supportive of the beautiful Urban Renewal Projects that are drawing visitors from surrounding areas. Hello fellow residents of Turner, my name is Jason Haynes, and I am running for Turner City Council in order to ensure our beautiful small town is ready to face the upcoming challenges and opportunities of a growing community in ways that benefit all of our residents. The past year has been a period of rapid growth for Turner, with new businesses like the Angel's Share Barrel House and Pratum Co-op Gas Station, new residential communities like Crawford Crossing, and new city initiatives like the Turner Lake and Park. As our town expands and grows, we must make sure the services that the people of Turner rely on are being provided fully and safely, while making certain the financial burden on our taxpayers is not unfairly expanded.

Balancing these two objectives is a difficult task, and one that will require innovative solutions. I believe this is where I can be an asset on the Turner City Council. I graduated Western Oregon University as the Valedictorian of my class with a degree in Economics and a Minor in Public Policy and Administration, and I have experience both as the Director of Business and Finance for ASWOU and in my current position with the Department of Consumer and Business Services managing budgets and working with local government.

More than my education and experience though, my perspective as a young member of this community, putting down roots and starting a family here, is one that many new residents of Turner share, and I can be a unique voice on the council representing both our old and new citizens. I hope I can count on your vote in this election, and together we can ensure Turner's future is as bright as its present.

Prior Governmental Experience: Mayor of Woodburn, 2018-present, Woodburn Parks Board, 2015-18. Woodburn Budget Committee, 2008-15.

Serving as your mayor these past two years has been a privilege as well as challenge. I have been inspired by the resilience and perseverance you all have demonstrated in these trying times. I'm proud of our city staff that has worked very hard to address the needs of businesses and individuals during this time.

For my small part, after signing a declaration of an emergency in March, I gathered over 30 medical professionals, social service providers and government officials to address the pandemic and our community's needs at its inception. I met regularly with faith leaders across the religious spectrum around the (zoom) table, worked closely with the Russian Old Believer community, and as president of Rotary able to direct over \$5,000 to local non-profits and \$20,000 to small businesses in need in partnership with the City.

As part of Woodburn Proud I was able to honor our community heroes with t-shirts, first responder parades through our medical clinics and assisted living residences and put up Woodburn Proud banners all over town.

I have experienced being appreciated and criticized – as you likely read in the column next to this one with a rather different angle – and unfortunately through a vote my opponent engineered without any public input. I am all for being tried as your mayor, but I am decidedly for open public processes.

Times are particularly hard and this political season is particularly rough. Through it all my message has been the same:

In trying times we may be for and against many things, but as a community, let's be for each other – and together let's all be for Woodburn.

Being appointed to serve on the Woodburn City Council for the past year has been a privilege. I have been able to come to the table and make our local voices be heard during this time of need. I believe that my background in serving our community is what our local City Council needs.

Serving on the Woodburn Proud Board has helped build my capacity in acknowledging the deep needs and challenges that our community faces - and the pride we should all have in such a great place to live.

During these challenging times, our community must always come first. Being able to listen, understand and comprehend what our community wants, and needs is one of my top priorities.

It's been an honor to serve on the City Council with Mayor Swenson, whom I have known for over 15 years. During this past year I have seen him work relentlessly in his volunteer position to bring people together and to keep our city upbeat during these difficult times. He is confident in our city and he has my full confidence as well.

Woodburn is a great place to live. I truly believe that. As a member of City Council, I want to make sure that is the message we send and the reality we present to the community. I have served three terms representing Ward II and that has been my driving belief. In setting direction for the city I pushed policies that focused on economic growth, bringing good jobs and housing to Woodburn, improving efforts to reach out and involve our citizens in city policy, ensuring fiscal responsibility and revitalizing our community.

In addition to serving as a City Councilor, I have been involved in a wide range of initiatives to improve our city. I was appointed to the Mayor's Livability Task Force and Planning Commission. I served as a member of the Woodburn Downtown Association. I was a driving force for the Ford Foundation project at Centennial Park. I have chaired the Woodburn Relay for Life. As a Kiwanian and member of BPW, I raised money to provide scholarships to local graduates. I am an active participant in community events. I care about Woodburn as a community and strive to represent all voices.

With the current climate of unrest and uncertainty, I believe my experience, education and perspective will be an asset to the City Council and the citizens of Woodburn in the times ahead. Thank you.

I love living and serving in the City of Woodburn. My heart is for people and the issues that concern them. I am very active in finding ways to serve everyone from the small business owner to those most in need.

As a Chamber of Commerce Ambassador I'm very aware of the importance of economic growth and how that can make our city stronger. As a volunteer at the food bank and community dinners I am equally aware of our own residents who are struggling to make it.

Woodburn is a wonderful place to live and we are on the brink of being even better. With a beautifully renovated downtown, we are primed to make it a regional destination and our neighborhoods and parks better than before.

I have been inspired by Mayor Swenson for being so incredibly involved in every aspect of our community and for bringing together people in our city from different business, cultural and religious backgrounds – and want to lend my own involvement to that kind of community togetherness.

My main goal on the City Council would be to reach out and listen to anyone with concerns about our city and find ways to take action to address those concerns and advocate for making our city better, from vibrant parks to well maintained roads.

I would welcome your vote for a chance to be a voice for you on the Woodburn City Council. It would be a privilege to serve you.

Am I qualified to register to vote in Oregon?

You are qualified to register to vote in Oregon if you can answer yes to the following questions:

- Are you a resident of Oregon?
- Are you a US citizen?
- Are you at least 16 years of age?

If you are not yet 18 years of age, you will not receive a ballot until an election occurs on or after your 18th birthday.

How do I register to vote in Oregon?

To register to vote you can complete a registration card or use the online registration process to provide your county elections official your full legal name, home address, any separate mailing address, date of birth, signature, and valid identification.

The online voter registration process is available at www.oregonvotes.gov.

Registration cards are available in the back of this voter pamphlet, as well as any county elections office, the Secretary of State's Office, and some state agencies such as the DMV.

What identification do I provide?

You must provide your valid Oregon Driver's License Permit or ID number. A suspended Driver's License is valid, a revoked Driver's License is not valid.

If you do not have a valid Oregon ID or Social Security number you can find a list of acceptable alternative identification online at www.oregonvotes.gov.

What is the deadline to register to vote for this election?

To vote in the November 3, 2020, General Election, your completed voter registration card must be:

- postmarked by Tuesday, **October 13th**; or
- delivered to a county elections office or voter registration agency (e.g. DMV) by Tuesday, **October 13th**.

If you register to vote online, your registration must be submitted by 11:59 PM on Tuesday, **October 13th**.

As you can see, my picture is absent. I believe that the voters should not select their elected officials based on whether candidates are bearded or bald, or by their race or sex. I believe that the critical concerns are the qualities candidates bring to the office and their governing philosophy. I believe we should solve real and important problems with solutions that are impactful and cost effective.

I am very involved in my community. My many volunteer activities include helping future citizens pass their naturalization test. I am also a member of Silverton Lions Club and Salem Audubon Society. I was on a committee of Marion County Planning Office about solar arrays on agricultural land and supported the position taken by Marion County Farm Bureau.

I am grateful to live in a place that has been so blessed by nature. It is our obligation to future generations to preserve, protect, and improve that which has been given to us. Because my neighborhood has had many failing wells, water is a major concern for me. I have worked with my city, community organizations, my local watershed council, and the University of Oregon to improve water quality and availability.

During the past four years I have provided leadership on the Board in reducing the administrative costs incurred by the District. Because of these efforts the District will be able to provide an additional **\$200,000** in financial assistance for educational events and conservation projects in each of the coming years. I hope to continue finding administrative savings that can be used in future conservation activities.

I ask for your vote.

Hello Voters, I believe that the wise and responsible use of our soil and water resources helps to ensure that future generations will have access to clean water and productive soils. Conservation protects water quality, conserves water, generates healthy soils, promotes resilient landscapes, and provides vital habitat for fish and wildlife. As well as all the other natural resource benefits that each of us enjoy or use on a daily basis.

From a farm field with a cover crop in Brooks to manage soil erosion to a hedgerow planted for pollinators in Salem I can see plenty of conservation practices in action by the good people of my community. I can see daily that we care for our lands and our soil and water resources. This is why I love what I do.

My years of experience and knowledge of natural resources and the practices needed to conserve them makes me a perfect fit as your At-Large 1 Director. I have proven leadership in bringing people together in both rural and urban communities to solve local soil and water quality concerns as well as a business knowhow for leveraging funding and resources to optimize conservation work. When elected I will work diligently to support the mission of Marion SWCD as a leader and prominent resource in soil and water conservation.

What is Informed Delivery?

Informed Delivery is a new consumer-facing feature offered by USPS® that provides users with digital previews of their household mail arriving soon.

Informed Delivery is free and makes mail more convenient by allowing users to view what is coming to their mailbox whenever and wherever - even while traveling, on a computer, tablet or mobile device.

To automate the sortation and delivery of mail, the United States Postal Service® (USPS) digitally images the front of letter-size mailpieces that run through automation equipment. USPS is now using those images to provide digital notifications to users in advance of the delivery of physical mail.

How does Informed Delivery® work? What will I see?

Informed Delivery allows users to interact with their incoming mail and packages in one convenient, online location. Users receive emails containing images of the exterior, address side of incoming letter-size mailpieces. These images are also accessible on the Informed Delivery dashboard at informedelivery.usps.com. Some mailpieces (e.g., catalogues or magazines) may not be imaged by the automation equipment.

Users can also provide delivery instructions to USPS, manage their notifications, and schedule re-delivery from the dashboard. Users can also receive USPS Tracking updates for incoming packages via separate email or text notifications. The dashboard displays mailpiece images for a seven-day period.

What does Informed Delivery® cost consumers?

The feature is provided at no additional cost for all Informed Delivery users.

Where is Informed Delivery® currently offered?

Informed Delivery is now available to eligible residential consumers in the majority of ZIP Codes™ across the country. You can use the ZIP Code lookup tool on informedelivery.usps.com to see if Informed Delivery is offered in your area.

Who is able to use Informed Delivery® and are there limitations on participation?

The United States Postal Service® currently provides the feature for delivery points in eligible ZIP Code™ locations for which mail can be sorted on automated equipment; and where there is a unique delivery ZIP Code, down to the apartment level. Interested consumers must also complete identity verification to confirm they live at the address. As an additional security measure, a mail-based verification letter is also sent to the account address to give the customer the opportunity to remove the account if desired.

Is Informed Delivery® available to businesses?

No. The feature is available to residential customers and eligible personal P.O. Box™ addresses, but Informed Delivery is not currently available to business customers.

Signing Up

Go to informedelivery.usps.com and follow the step by step directions. You may also download or print a step-by-step **Informed Delivery Sign Up Guide**.

How soon after requesting the feature will I begin receiving notifications?

Activation time for the feature may vary, but typically you will begin to receive notifications within three business days. Notifications containing mailpiece images will be sent on days when letter-size mail is being processed and delivered to the home. Notifications are not sent on days when there is no mail to be delivered, or on Sundays or federal holidays.

Privacy/Security Concerns

How can I be sure that notification emails are from USPS® and not spam?

All emails from the Postal Service® originate from their mail system and the contents are strictly images of the mailpieces associated with the customer's delivery address. Email messages will be sent from USPSInformedDelivery@usps.gov to the email associated with an Informed Delivery user's usps.com® account.

How secure is Informed Delivery®? Should I be concerned about my privacy?

The Postal Service® takes the privacy of customers' mail very seriously and takes measures to ensure that all personal information is protected. USPS® follows industry best practices to verify your identity, including the use of a mail-based verification letter.

- The scanned mail images are of the external markings, showing only the exterior, address side of letter-size mailpieces.
- Your mail is protected by the U.S. Postal Inspection Service®, whose sole mandate is to safeguard the entire Postal Service® system, including the employees who deliver and process the mail and millions of customers who use it.
- The Postal Service adheres to the privacy requirements of the Privacy Act established by the federal government which controls when and how the USPS shares personal information and limits the conditions in which that information can be disclosed externally to outside parties.

Measure No. 24-450
City of Stayton

Five Year Local Option Tax for Library, Pool, Parks Support

Question: Should City of Stayton impose \$0.65 per \$1,000 of assessed value for operations for five years beginning in 2021-2022? This measure may cause property taxes to increase more than three percent.

Summary: The City of Stayton is seeking a five-year local option tax of \$0.65 per \$1,000 of assessed value, beginning Fiscal Year 2021-2022, to continue funding of parks, library, and swimming pool programs.

The proposed tax will take the place of the existing four-year local option tax passed in 2016, which ends Fiscal Year 2020-21.

The levy is necessary to maintain current levels of service, operations, and assist with capital improvements for the Stayton Public Library, Stayton Family Memorial Pool, and local parks and trails.

The proposed rate will raise approximately \$395,429 in 2021-22, \$407,292 in 2022-23, \$419,511 in 2023-24, \$432,096 in 2024-25, and \$445,059 in 2025-26 for a total of \$2,099,388.

Measure No. 24-450
City of Stayton

Explanatory Statement:

The City of Stayton is seeking a five year local option tax of \$0.65 per \$1,000 of assessed value for continued operating support of the City's library, parks, and pool programs beginning in Fiscal Year 2021-22. The proposed tax will take the place of the existing four year local option tax passed in 2016, which ends Fiscal Year 2020-21. The levy is necessary to maintain current levels of service, operations and assist with capital improvements for the Stayton Public Library, Stayton Family Memorial Pool, and local parks and trails.

Due to the property tax limitations imposed by statewide Measures 47 and 50 in the mid-90s, the City cannot increase its established permanent tax rate, even if supported by a majority of citizens. Accordingly, the City must rely on voted local option tax levies to augment its operating budget.

Stayton's first local option tax for the support of the library, pool, and parks was passed by voters in November 1998. Subsequent local option tax measures were passed in May 2002, May 2004, May 2008, May 2012, and May 2016.

Over the five year life of the proposed levy, approximately 45% would go toward maintaining the current level of operating support for the Stayton Public Library. Approximately 45% would go toward maintaining the current level of operating support for the Stayton Family Memorial Pool. Approximately 10% would go to maintenance and upkeep of City Parks and Trails.

According to the Marion County Assessor, the median Assessed Value for a home in Stayton is \$178,395. At a tax rate tax of \$0.65 per \$1,000 of assessed value, the average homeowner would see an estimated monthly fee of \$9.50. The proposed rate will raise approximately \$2,099,388 over the five years; an allowance has been made for uncollected taxes.

Measure No. 24-450
City of Stayton

Argument in Support:

Please Vote Yes on Measure 24-450 to support the Stayton Public Library, Pool and Parks. A Yes vote replaces the local option tax that expires next year. A Yes vote will continue the Pool programs and Library services provided to the community and will provide upgrades to Stayton's Public Parks.

Without the levy, the library would experience substantial reductions in hours and services and the pool would face possible closure. There would also be fewer projects in our wonderful public parks.

This measure will continue library services and pool hours now in effect and support them when they can return to pre-pandemic levels. It also helps cover capital improvements and repairs that need to be made to keep the facilities in good condition. The levy will also provide funds to help improve Stayton's parks.

The Library, Pool and Parks are important services the city provides that make Stayton a more livable community and they provide a wide range of activities for all ages: from children and adult reading programs and activities at the Library to swimming lessons and adult rehabilitation programs at the Pool and trails, picnic and play equipment in our many parks.

The present local option levy ends in June of 2021. It will be replaced by this new local option levy which will be assessed at 65 cents per thousand. In May, the city was asking for 70 cents per thousand, but in light of the loss of that levy, and the current economic situation, the city is now coming back with the lower amount.

Over the years we have passed a number of levies to support our Library, Parks and Pool. The city has shown that it uses levy money wisely. We ask that you continue to support these wonderful city assets and we thank you.

Please help keep Stayton Livable by supporting Measure 24-450

Measure No. 24-451
St. Paul Rural Fire Protection District

Local Option Levy to Maintain Fire & Medical Emergency Response

Question: Shall the Fire District levy \$0.85 per \$1,000 of assessed value for five years beginning in 2021-2022 for emergency operations? This measure may cause property taxes to increase more than three percent.

Summary: The St Paul Fire District provides fire, emergency medical, and rescue services to the residents of St Paul and the surrounding area. The fire district currently has 35 volunteers and 12 part-time paramedics.

If adopted, the levy funds would:

- Provide funding for 24/7 paramedic coverage.
- Provide funding to replace obsolete apparatus.
- Provide funding for the required maintenance of existing emergency response equipment and fire apparatus.
- Allow the purchase of firefighter personal protective equipment.
- Provide funding for the purchase of EMS and fire equipment.

Fire district emergency operations are funded through property taxes.

The requested rate will raise approximately \$156,269.35 in 2021-2022; \$162,057.16 in 2022-2023; \$168,059.33 in 2023-2024; \$174,283.80 in 2024-2025, and; \$180,738.31 in 2025-2026. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.

Explanatory Statement:

The St. Paul Fire District is seeking approval of a local option levy in the amount of \$0.85 per \$1,000 of assessed value.

What Services does the District provide?

St. Paul Fire District is the first responder for fire, medical, and rescue emergencies in its service area. The District also provides fire prevention, fire investigations, public education and non-emergency public assistance.

Who does the District serve?

St. Paul Fire District serves an approximate 48 square mile area that includes the City of St. Paul and the surrounding area.

How is the District Funded?

St. Paul Fire District is funded through a permanent property tax base rate of 1.0622 cents per thousand assessed value and ambulance transport fees.

How would levy funds be used?

If approved, the levy funds would:

- Provide 24/7 Paramedic Coverage - Currently the District is short 24 hours a week in providing part-time paid paramedic coverage and relies on local volunteer

Measure No. 24-451
St. Paul Rural Fire Protection District

Explanatory Statement continued...

paramedics and volunteer first responders to cover those hours. The levy would provide funds to cover all shifts with paid part-time paramedics.

- Replace Obsolete Apparatus - The district has aging apparatus with no current plan for replacement. Levy funds would allow the district to develop a replacement schedule for upgraded equipment with safety features and technological advancements promoting fire fighter and patron safety.
- Provide Required Fleet Maintenance - As the District's fleet ages maintenance cost rise and finding available parts for the equipment becomes more challenging. Levy funds will cover the increased costs in the maintenance budget.
- Purchase Personal Protective Equipment - Personal Protective Equipment does have an expiration date. A set of turnout gear, that protects a first responder from fire injury, has a 10-year life expectancy. The District currently has several sets of turnouts outside this 10-year life expectancy.
- Purchase EMS and Fire Equipment - The District's EMS and fire equipment is also aging and will be in need of future replacement soon. As an example, the District has a Life Pack Defibrillator model 12 which has reached its end of life and is technologically obsolete with no repair option. When this piece of equipment breaks it will force the District, which experiences a high number of motor vehicle crashes resulting in multiple patients, down to one medic available for response. Multiple patients require multiple medic response units, dispatching a second medic unit from a neighboring agency could result in delayed patient care.

What is the cost to the taxpayers?

The median assessed value for residential property in the St. Paul Fire District is \$187,515, the cost for this value would be approximately \$159 per year or about \$13.25 per month.

What if the levy is not approved?

While maintaining emergency response services would remain the top priority for St. Paul Fire District, if the levy is not approved, the fire district will not be able to fully meet the increasing emergency response costs or fund the much-needed equipment updates.

Marion County Fire District No. 1

Five-Year Local Option Tax to Fund Emergency Service Operations

Question: Shall the District levy taxes of \$0.71 per \$1,000 of assessed value for five years beginning 2021-2022 for operations? This measure may cause property taxes to increase more than three percent.

Summary: In May 2016, voters approved a levy for \$0.71 per \$1,000 of assessed property value to maintain fire and emergency service operations for Marion County Fire District #1. That levy expired in June 2020 resulting in revenue loss of \$2.4 million dollars for fiscal year 2020-2021.

The Fire District is proposing a levy of \$0.71 per \$1,000 during the November General Election to replace the one that expired. The levy would fund emergency operations for five years, and cost \$142.00 per year for a property with an assessed value of \$200,000.

Levy proceeds will be used to finance fire and emergency service operations and would raise an estimated \$2,452,400.00 in 2021-2022; \$2,526,000.00 in 2022-2023; \$2,601,800.00 in 2023-2024; \$2,679,800.00 in 2024-2025; and \$2,760,200.00 in 2025-2026.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early prepayment discounts, compression and the collection rate.

The Fire District is not part of, nor does it receive funding from a city or county government. It is considered a separate taxing authority. More information on the replacement levy can be found at www.mcf1.com.

Measure No. 24-452
Marion County Fire District No. 1

Explanatory Statement:

The elected Board of Directors for Marion County Fire District #1 (the "Fire District") voted on July 16, 2020 to place a local option levy renewal on the November 3, 2020 ballot to fund fire and emergency medical operations for five years.

In May 2016, voters approved a levy for \$0.71 per \$1,000 of assessed property value to maintain fire and emergency service operations for their communities. That levy expired in June 2020 resulting in revenue loss of \$2.4 million dollars for fiscal year 2020-2021.

Voters are being asked to approve a replacement levy for the same amount of \$0.71 per \$1,000. The levy would fund emergency operations for five years, and cost \$142.00 per year for a property with an assessed value of \$200,000.

The Fire District is not part of, nor does it receive funding from a city or county government. It is considered a separate taxing authority and has been providing emergency services since 1939.

Today, Marion County Fire District #1 serves approximately 55,000 people over 80 square miles. It provides fire suppression, emergency medical service, rescue services, and fire prevention. The Fire District has 55 employees and 60 volunteers responding to over 8,000 emergency calls per year. Call volumes have increased 5.2 percent on average per year. Back-to-back emergencies are increasing as well and account for 55 percent of all calls

More information on the replacement levy can be found at www.mcf1.com. Fire Chief Kyle McMann also welcomes questions at (503) 588-6535 or kylem@mcf1.com.

Marion County Fire District No. 1

**Measure No. 24-452
Marion County Fire District No. 1**

Argument in Support:

The board of directors for Marion County Fire District #1 is asking the voters to renew the local option levy in the November 3rd general election. In May the Board of Directors asked voters to renew and increase its local option levy from \$0.71 to \$0.99 cents per \$1,000 of assessed property value. This increase would have allowed for additional emergency personnel and apparatus. This levy is critical to provide an adequate emergency response for residents in our district. Unfortunately, COVID-19 hit, bringing economic uncertainty with it. When the ballot measure failed so did the entire local option levy, which accounts for 30 percent (or \$2.4 million) of our operating budget. The district made cuts which included reductions in staffing, station hours, and apparatus to maintain a legally required balanced budget for the upcoming fiscal year, which started July 1, 2020. Employees and emergency personnel also accepted cuts to wages and health care benefits. These voluntary concessions have reduced the number of emergency personnel layoffs to keep as many "boots on the ground" as possible. The district was already struggling to respond to higher call volumes, and the levy failure has made it even more challenging. The failure of the local option levy is causing increased response times of up to five minutes for parts of the Fire District or longer when mutual aid is required from neighboring fire agencies. That's why the Board of Directors has put the local option levy back on the ballot for November, but this time at the original \$0.71/\$1,000 - so no increase. If approved by voters, funding would start being collected during the next fiscal year, which starts July 1, 2021. This levy will not increase EMS personnel but should allow for the continuation of services at the current levels. If this request at the November 3rd election is unsuccessful, the fire district will have to permanently close stations and lay off additional firefighters and paramedics.

**Measure No. 24-452
Marion County Fire District No. 1**

Argument in Support:

This is a unified letter from the Marion County Fire Volunteer Foundation. Marion County Fire District #1 has operated for more than 81 years and remains as one of the great cornerstones of our community. We do not take the responsibility of operating in this district lightly and for this reason, we are asking for community support to **VOTE YES** to replace the expiring operating levy that has maintained emergency service response since 2016.

Since the fire districts inception, much of the area that was once sparsely populated farmland is now divided into sprawling housing complexes and businesses. There are currently an estimated 50,000 citizens living within the Marion County Fire District #1's boundaries. The rapid increase in population has forced the district to experience many challenges. The challenges that it has faced include an increased call volume, the need for newer and larger equipment, unstable tax base, dwindling number of volunteer firefighters, and higher demands for training per state law. The district provides fire/rescue response from eight stations, handling over 7,200 calls each year. The district currently employs 53 personnel; however, like many departments, the backbone of the district is the 62 or so dedicated volunteers that selflessly donate their time to protect their community. While we as Volunteers are not paid to respond to emergencies, we do incur cost to the fire district for education/training, protective equipment, uniforms, and insurance. While our Volunteers want to respond to every call in the fire district, it is just not possible with the demands of our busy lives and other employment.

A YES VOTE on measure 24-452 will ensure Marion County Fire District #1 is able to continue answering the growing demands in emergency calls with Career and Volunteer Firefighters.

A NO VOTE will reduce the number of Firefighters to respond to emergencies and an increase in respond time to YOUR emergency.

Vote YES on 24-452

Sincerely,
YOUR MCFD#1 Volunteer Firefighters

Measure No. 24-452
Marion County Fire District No. 1

Argument in Support:

I've been a resident of Marion County Fire District #1 (MCFD#1) for almost twenty years. I've watched as this fire department has worked, tirelessly, to meet the needs of our community. During that time, the district has added personnel and emergency apparatus to serve the sharply rising number of calls our firefighters and paramedics respond to. Whether it is a motor vehicle crash, a shooting, a house fire or the need for CPR; this community has grown accustomed to first responders arriving within minutes to help us during the worst moments of our lives.

Now, MCFD#1 needs its community to be their heroes. The expense of serving our community continues to grow. The costs of apparatus and equipment maintenance has increased as sharply as the call volume. Community members are no longer able to volunteer in the numbers they once could, because the amount of time required to maintain their skills is too great for them to do the work safely.

Last spring, just as the world was beginning to understand the magnitude of COVID-19, each resident of MCFD#1 received our ballots. MCFD#1 asked this community for the funds needed to continue their work. That levy failed and reduced the district's budget by 30%. As a result, the department was forced to reduce the services they provide. This means longer response times and fewer first responders. Employees accepted cuts in wages and benefits. According to the fire chief, if the current levy fails, then MCFD#1 will have to close fire stations and lay off firefighters. How long are we willing to watch our homes burn before help arrives? How long will you watch your loved ones suffer without medical intervention?

MCFD#1 needs our support as much as we need them in an emergency. Please vote 'yes' for measure 24-452. Ensure that our first responders have what they need to continue to be the heroes we can count on when our need is greatest.

Measure No. 24-452
Marion County Fire District No. 1

Argument in Support:

VOTE "YES" ON MEASURE # 24-452

Marion County Fire District #1 needs our YES vote this November to maintain Fire and Emergency Services to our community. In May of this year, our community voted down the fire district's operating levy increase. Because the levy increase failed, it also meant the entire levy failed and the fire district lost \$2.4 million. The fire district is now asking for the same amount they received from the voters in 2016, which was .71/1000. We need to support this levy and help the fire district get this funding back, so they can continue to provide service to our community and not have to lay off more firefighters and paramedics!

The May levy failure caused our fire district to make significant cuts to services. It has affected how quickly they can get to us when we have a medical emergency, a car accident, or a house fire. If we vote no again, we are further reducing the level of service to our community and will be taking away a large chunk of funding that the fire district needs to provide firefighters and paramedics 24/7. A no vote puts our community's safety in jeopardy.

Neighbors, I understand that taxes can put a strain on our families. But having a fully functional, highly trained, and response ready fire district is vitally important to our community and it's **overall safety**. I view the fire district like an insurance policy, I hope I never have to use it, but if I do I want it to be there as quickly as possible and be very well trained. My family, friends, and neighbors all deserve a fire district that is supported by its community. The .71/1000 is a small price to pay for **peace of mind** and a **sense of security** we all want to feel. Please vote YES on Measure # 24-452.

Measure No. 24-452
Marion County Fire District No. 1

Argument in Support:

Neighbors, we absolutely cannot let this levy fail again. There is so much at stake for everyone in our community, and I want to make sure everyone understands the importance of this levy. If this levy fails, our community will be at risk of not receiving essential services in a timely manner. This isn't a "what if" situation. If the levy fails, the fact is that our neighbors will suffer because of it. We can't afford to lose two firehouses along with more firefighters and paramedics. This is the awful reality. This has already started taking place due to the failed levy in May. We are a rapidly growing area and we need these very essential, life-saving services to grow with the population of our area. These services aren't free. If we don't help fund our first responders, we won't have them. Failure of this levy should be unacceptable to everyone! We need our first responders. When we call 911, we expect them to be on the way to help us, but if this levy fails, it will severely slow response times and someone's life will eventually suffer because of it. No one should ever have to worry if first responders will make it to them in time. And no one should ever have to worry if their 911 call will be prioritized due to a lack of first responders. Please do not let this levy fail! We need to take care of our first responders, so they can continue to take care of us! We need to show our support for each other by making sure our community has what it needs to grow and thrive safely! Please show your support for our community and Marion County Fire District #1 by voting YES!

Measure No. 24-452
Marion County Fire District No. 1

Argument in Support:

Citizens of Marion County Fire District 1,

VOTE YES ON MEASURE # 24-452

As part of the Professional Firefighters Local IAFF 2557 for 20 years I write this letter urging you to **VOTE YES** on measure 24-452.

The failure if the Fire District's Levy last May resulted in a significant loss of funding needed to maintain personnel that respond on emergency calls in and around your community. This reduction has resulted in the loss of personnel and services to the Clear Lake and Four Corners fire stations in particular, resulting in increased response times and large periods of time without available emergency units. Another failure of this Levy in November will result in even more crippling of the Fire District's ability to meet the level of Fire and EMS services you deserve. Other areas besides emergency calls that will be impacted due to the loss of Firefighters will be children's educational programs, life safety programs for our elderly and disabled community, community assistance during holidays, and other charitable events and entities we support here at MCFD1.

The Levy amount of .71/1000 is the same amount that was passed in 2016 and would help keep today's level of Firefighters that respond to the dozens of different types of emergencies in your community. We are simply asking that you say yes to a renewal of that same amount so that we can continue to provide you with the best Fire and Medical response as we can to keep your community safe.

Again, a **YES** vote is crucial to maintain adequate levels of Firefighters needed to protect your community. I would encourage all district residents to visit www.mcfid1.com under the "news" button and visit Marion County Professional Fire Firefighters Local 2557 on Facebook. This will have further information on what we do, our increasing demands as a fire department and the significant impacts of another levy failure.

Sincerely,

Measure No. 24-453
City of Keizer

CITY OF KEIZER NEW HOME RULE CHARTER

Question: Shall the City adopt a new home rule Charter replacing the current Charter?

Summary: The Oregon Constitution grants City voters the right to adopt home rule charters. Charters grant legal authority to cities, specify how ordinances are adopted, list qualifications for officers, and assign duties to city officials. This measure would adopt a new home rule Charter for the City of Keizer and replace the current Charter, which was enacted in 1983.

The City Council referred the new Charter to the voters on the recommendation of a Charter Review Committee.

The new Charter is based on the League of Oregon Cities Model Charter but keeps provisions unique and important to Keizer. The proposed Charter retains the current form of government with a Mayor and six councilors to govern and a city manager to run administrative affairs. The new Charter is updated to be more readable and modernized to more clearly define the legal authority of the City.

The proposed Charter removes current Charter language that is inconsistent with state law, and contains other minor changes.

Measure No. 24-453
City of Keizer

Explanatory Statement:

If approved, this measure would adopt a new home rule Charter for the City of Keizer and replace the current Charter, which was enacted in 1983. The Oregon Constitution grants city voters the right to adopt home rule charters. Charters are like a local Constitution. They grant legal authority to cities, specify how ordinances are adopted, list qualifications for officers, and assign duties to city officials.

The Keizer City Council referred the new Charter to the voters upon the recommendation of a Charter Review Committee.

The new Charter is based on the League of Oregon Cities Model Charter, but keeps provisions unique and important to Keizer. It retains the current form of government with the Mayor and six Councilors to govern and a city manager to run administrative affairs. The new Charter is updated to be more readable and modernized to more clearly define the legal authority of the City.

The Keizer City Council formed the Charter Review Committee and requested the Committee to review the current Charter and recommend changes. The Committee recommended the new Charter and the City Council has referred it to the voters. The major changes are:

- Passing an Ordinance with one reading currently requires a unanimous vote and the Ordinance needs to be available seven days before the meeting. The revision changes the last requirement to five days to match current Council Procedures.
- Changes the term “elector” to “registered voter” throughout the Charter as registered voter is a more familiar term.
- Retains provision requiring water department revenues to be used for water department expenses.
- Removes Section 44 of the current Charter (Prohibit Minority Status for Homosexuality). Enactment or enforcement of this provision is unlawful under state law.

The new Charter Revision contains other minor changes as well.

A “Yes” vote adopts a new home rule Charter for the City of Keizer and replaces the current Charter. A “No” vote keeps the current Keizer City Charter unchanged.

Measure No. 24-453
City of Keizer

Argument in Support:

The Keizer City Council, the Keizer Chamber of Commerce and 2020 Candidates for Keizer City Council ask you to vote YES for the new City of Keizer Home Rule Charter.

The Keizer City Council recognized that the Charter needed to be updated. The Council also unanimously agreed that we needed to remove a section that discriminated against members of the community based on their sexual orientation. The Council appointed the Charter Review Committee of nine city residents, including two City Councilors, to recommend changes to the Charter. With the expert guidance of the City Attorney and Legal Assistant, the Committee members worked hard to make the new Charter clear and transparent, to remove outdated or conflicting sections, and to remove language that discriminated against members of our community based on their sexual orientation.

Several public meetings and hearings were held to help the Charter Review Committee and Keizer City Council hear the views and ideas of our entire community. All Committee meetings were broadcast live so you could follow along and participate at every step of the way. All meeting materials were posted on the city website and linked on Facebook for you to read and comment.

The Charter Review Committee and the Keizer City Council both **unanimously** approved bringing this Charter to you, the voters, for your approval. The Keizer City Council, along with the Keizer Chamber of Commerce and the 2020 Candidates for Keizer City Council, ask you to **vote YES for our new City of Keizer Home Rule Charter.**

Keizer City Council:
