**Question** 20 words which plainly phrases the chief purpose of the measure.

Shall Mill City allow medical and recreational marijuana dispensaries; producers, processors, wholesalers and retailers?

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

In 2016 the voters in Mill City prohibited the sale and processing of both medical and recreational marijuana. If this initiative is approved it would allow the sale and processing of medical and recreational marijuana.

Approval of this initiative would allow the sale of both medical and recreational marijuana subject to restrictions that are currently set forth in state statutes and Mill City Ordinance No. 384 which is codified in Title 17 of the Mill City code. Approval of this initiative would also allow the processing of medical and recreational marijuana; again subject to restrictions currently in place.

If this measure is approved the city of Mill City would become eligible for tax revenues generated by the sale of medical and recreational marijuana including state marijuana tax revenues and local tax revenues.

**Explanatory Statement** 500 words that impartially explains the measure and its effect.

If the county is producing a voters' pamphlet an explanatory statement must be drafted and attached to this form for:

- any measure referred by the city governing body; or
- any initiative or referendum, if required by local ordinance.
