Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Monitor Fire District #58 provides fire and emergency services to Monitor and Yoder and the surrounding areas. Operations are funded through a tax base and proposed local option levy.

If adopted, this levy would enable the District to maintain present service levels and support our Volunteers with Safety and operational equipment. Levy funds would:

- * Support the cost of new Turn Outs.
- * Support the cost of 10 new Air Packs.
- * Support the increased cost of Insurance and dispatch cost.
- * Support the increased cost of fuel.
- * Support the cost of replacement equipment.
- * Support Increased operating cost.

For a home with an assessed value of \$220,000 (not Market Value), the cost would be about \$110 per year.

The requested rate will raise approximately \$153,942 in 2023-2024, \$158,142 in 2024-2025, \$162,147 in 2025-2026, \$166,890 in 2026-2027 and \$171,443 in 2027-2028.

The estimated tax cost is an ESTIMATE ONLY based on the best information available from the county assessors (Clackamas/Marion).
