

Marion County Dog Services

Marion County Dog Services rescues lost dogs, reunites lost dogs with their families, operates the Marion County Dog Shelter, provides a lost and found pet database, enforces laws related to dogs, finds forever homes for adoptable dogs, and provides community education.

Marion County relies on dog licensing revenue to help support the work of the shelter.

What are the benefits of a pet license?

1. Your dog gets a longer care period. When found, your licensed pet will be safely cared for at the Dog Shelter for a longer time.
2. Found dogs are reunited quickly with their owner. The shelter phone number is on the license. If someone finds your dog, they can call the shelter's phone number and/or bring the dog to the shelter.
3. License fees support the return of hundreds of lost dogs to their homes and help adopt hundreds of homeless dogs to new families every year.
4. Marion County relies on dog licensing revenue to help support the work of the dog control program, which rescues lost and injured dogs, handles dog complaints, and helps ensure the safety of the community through enforcement, education, and mediation.

Who Must License

Under state law ORS 609.100 and Marion County code 6.05.060, it is a requirement that a dog residing in Marion County be licensed when it reaches six months of age or has permanent canine teeth, whichever comes first.

New county residents or dog owners have 30 days from the time they become residents or become the dog's keeper to license their dog.

Failure to license may result in the keeper being fined up to \$360.

Puppy License

Marion County Dog Services offers a free puppy license to those too young for their first rabies vaccine. The puppy license also comes with a permanent collar tag. Contact the Dog Shelter for more information and to see if your new puppy qualifies for a free puppy license.

We appreciate any donation you can make to help us provide essential services needed by our dogs. You may include a donation as part of your licensing to help them.

What to Provide

Please review the fee schedule and make the appropriate payment for your dog. Remember your rabies certificate must extend for the full length of the term that you are licensing your dog.

You can complete the license application here and return to Marion County along with:

1. Valid rabies vaccination certificate.
(Unless the current rabies certificate is valid for the 12-month licensing period, the license will be valid only until the rabies expiration date and the license fee will not be reduced.)
2. Certificate of sterilization to receive the neuter discount.
3. Proof of owner's age to receive the senior discount on neutered dogs (i.e., a photo copy of your driver's license).
4. Payment per schedule of fees.
