# MARION COUNTY STRATEGIC PLAN

#### MARION COUNTY MISSION STATEMENT

We serve the public to protect, promote, and enhance a positive quality of life in Marion County.

#### MARION COUNTY VISION STATEMENT

Marion County is a healthy, safe and vibrant place to live and work.

#### GOALS AND KEY INDICATORS

County departments continue to align their individual department goals with overall county goals. This will assist Marion County in managing public resources carefully and in working effectively in a focused way to address identified issues.

All departments have included key indicators in their budget document and have identified a specific primary county goal that each key indicator supports. Key indicators will be used to help forecast trends and determine both budget and program needs. In order to remain relevant, key indicators that consist of statistics and fact-based data will be updated on a regular basis. The use of key indicators is designed to link program needs with available resources and identify potential issues and concerns for use in budget projections and policy decisions. Each of Marion County's goals is listed below, with a summary of associated key indicators by department. The detail information for each key indicator is found in each department's budget.

## **GOVERNMENT SERVICES**

Programs and services delivered or managed by Marion County touch the lives of virtually all residents of the county, fulfilling many roles. Marion County is a general law county, acting as an agent of the state. The county performs functions on behalf of the state as well as county services.

#### Assessor

The Assessor's Office assesses the value of all commercial, industrial and residential property subject to tax; collects all property taxes levied by local school districts, cities, special districts and the county; and distributes these revenues to the taxing districts to support their operations.

#### **Board of Commissioners**

The Board of Commissioners' Office consists of three county commissioners, elected at large, who constitute the county governing body. The board appoints a chief administrative officer who is responsible for carrying out directives, policies, and ordinances of the board. This office directly manages projects funded from the state lottery and some federal grant programs, allowing the county to award funds for various programs and activities within the county and to outside entities.

#### **Business Services**

The Business Services Department provides services that support departments in delivering their services to customers and clients. This involves functions such as human resources (processing job applications, training, etc.), employee benefits, wellness, labor relations, risk management, and building maintenance.

#### **Community Services**

The Community Services Department promotes safe and thriving communities for people to live, learn, work and play. The department has six program areas: Children and Families, County Fair, Dog Services, Economic Development, Lottery Distribution, OSU Extension Services, and Administration. Collectively, the department facilitates partnerships between families; community members; public safety, health, education, and social service agencies; applies research in support of agriculture, forestry, enterprises, natural resources and related workforce development; provides care and shelter to lost dogs; and provides the administration for the Marion County Fair. The Community Services Department promotes strategic alliances between all programs and among external partners in order to achieve a robust and economically thriving county.

#### County Clerk

The Clerk's Office is responsible for recording, maintaining, and archiving all county records. This office also conducts all elections within Marion County, whether for federal, state or local government.

#### District Attorney

The District Attorney's Office prosecutes people accused of committing crimes in the county. This office also collects child support payments ordered by the courts and provides assistance to crime victims.

#### Finance

The Finance Department provides financial services that support departments in delivering their services to customers and clients. This involves functions such as processing and maintaining the county's payroll and accounting records, accounts payable and receivable, purchasing, contract management, surplus property management, and budget preparation. In addition, tax-foreclosed property is processed in the Finance Department.

#### Health

The Health Department inspects and licenses all restaurants, school cafeterias and other food vendors. It provides immunizations for children and tracks and works to control infectious diseases. It records birth and death certificates. It provides case management for those with developmental disabilities; maintains programs for those with chronic and acute mental illness; and provides treatment for those with substance and gambling addictions.

#### Information Technology

The Information Technology Department provides supporting services to county departments by operating and maintaining the county's information technology and telecommunications systems.

#### Justice Court

The Justice Court hears minor traffic offenses, some misdemeanors and small civil claims (\$10,000 or less). In addition, the Justice Court can hear cases related to violations of county ordinances, such as charges of excessive noise or dogs running at large.

#### Juvenile

The Juvenile Department operates a juvenile detention center, restitution and education programs, and probation services for juvenile offenders. The department keeps juveniles who are under court order in schools, educational and vocational programs, and under supervision.

#### Legal

The Legal staff is the civil lawyers and counselors for Marion County. The county law library serves attorneys, judges, litigants and the public. The law library is authorized and mandated by the state, and operates solely on revenue derived from filing fees in the circuit court.

#### Public Works

The Public Works Department is responsible for road and bridge maintenance, construction, management of the regional emergency operations center, county parks, the Buena Vista and Wheatland ferries, and disposal of solid waste, while protecting the environment and promoting recycling. Land use planning, surveying, and building inspection are also managed by public works.

# **Sheriff**

The Sheriff's Office is responsible for patrol duties, traffic enforcement, criminal investigations, search and rescue, marine patrol and law enforcement contracts throughout the entire county. In addition, the Sheriff's Office manages the county jail. The Sheriff's Office also manages parole and probation offenders in Marion County.

#### Treasurer

The Treasurer's Office is the cash custodian for the county and maintains records for the receipt and payment of county funds. The treasurer is also the investment manager for the county, investing funds in accordance with Oregon law and the county's investment policy, and ensuring adequate cash is available to meet county obligations.
