Approval of Meeting Minutes:

Ray made a motion to approve March minutes. Cari – 1st, Mat – 2nd. March minutes approved as written.

Presentation: Medication Assisted Treatment/Patient Data (handout)

Power Point presentation by Willamette Valley Treatment Center

- Mission, vision and data regarding MAT and treatment centers
- 727 patients (at time of reporting). All patients are required to attend counseling sessions.
- Some patients are able to manage with behavioral changes, some need MAT. All should have access to the same supports.
- Relocating facility to SE Salem location April 23rd.
- Q & A

Talking Points (folder; handout)

Kerryann and Riley passed out folders with resource information and talking points regarding drug take back day and locations, safe storage and disposal of meds, talking to kids about drugs and information geared specifically toward seniors. More copies available if needed.

Committee can start sharing information with others now that talking points have been distributed

Cari will attend next Lyons club meeting in Stayton and also Community Leaders meeting in Stayton. Stayton police department does not take drugs back any more, as their lobby is not always attended. Public can now return drugs at Stayton Pharmacy.

FDA stated they are pulling Kratom as there is Salmonella in Kratom. Kratom is an organic leaf; herbal supplement which is a Stimulant.

It is being sold at tobacco retail outlets and convenience stores.

- National drug take back day is April 28th

Screenagers (handout)

- Screenings “Growing up in the Digital Age”
- Joint collaboration with Salem Keizer schools and Salem and Keizer Police Department.
- Parents can learn about sexting, bullying, phone addiction and support. •
Kerryann would like to take information to rural areas as well

Discussion: Collaboration for the Mid-Valley Opioid Safety Group Grant

50K grant – It was approved that grant could be divided within three counties. Counties can work together to decide how best to use grant funds.

Marion County has interest in drug take back and community education efforts.

Questions around whether LADPC’s would be the oversight committees for grant funds.
