Create a poster with a message of hope and resources for problem gambling.

Use your own idea and/or you can choose one of the examples below:

- Gambling and gaming **can** be a risky activity. Go to OPGR.org to learn more.
- You can prevent problem gambling and gaming. Learn more by visiting OPGR.org.
- Anyone with a gambling problem can get free help! Contact OPGR.
- There is no shame in seeking help for a problem with gambling. Call 1-877-MY-LIMIT today.
- Adults who choose to gamble should set and stick to a time and money limit.
- Lying about gambling and/or betting more than intended are warning signs of problem gambling. Visit OPGR.org.
- The person struggling with a gambling problem is not the only one affected. Help is available!
- 1-877-MY-LIMIT for free confidential gambling help.

Details for your poster:

- Artwork needs to be on letter-size 8½-by-11 white paper landscape, (hot dog style.)
- It can not include a winning hand or a winning combination of symbols. That can cause problems for some people who struggle with problem gambling.
- No violence, drugs, alcohol, or illegal activity should be shown.
- If you use a computer to create art, you must draw by hand (no clip art, etc.)
