FUTURE TOPICS/EMERGING ISSUES/OTHER BUSINESS (Information/Discussion):

Announcements:

- Garten Services upgrades will all happen in October and will hopefully be done and operational in November.
- City of Salem is putting in an ice skating rink at the River Front Park

Other Business:

Query – With Amazon coming to town, has anyone reached out to them as they build their plant
for Earthwise certification? Republic Services would be the garbage hauler for that area. We will
have a combined effort with EarthWISE and with Republic Services reaching out to Amazon
about becoming EarthWISE Certified.

Staff Updates:

- Master Recycler class is scheduled to start Thursday September 21st. The deadline to sign up is Monday, September 11th. The cost is \$25.00 per person. Art Calendar deadline is Friday, October 6th. DEQ released draft numbers for the Waste Comp Study. The final numbers anytime. Our plan for the next meeting is to have a presentation from DEQ of the final study results. Also, by then the statewide numbers should be released.
- Senate Bill 263 timeline: In the upcoming month Marion County Staff will put together the program proposals for the cities. By November, the cities will formalize what their strategies will be and submit them to DEQ. Ideally, November is the best time to get this information to DEQ because the program starts January 1.
- Eclipse Glasses are being collected throughout all the county offices including Public Works. They will be sending the donated glasses to South America since they will be the next ones to have an eclipse.

Upcoming Events:

 City of Salem Public Works is holding an Urban Stream Symposium on Wednesday, September 13th at 7 PM. This will be held at the Loucks Auditorium.

Future Agenda Topics:

- September DEQ Waste Comp Study
- October Gersham, Brickner, & Bratton update on our Solid Waste System
- November Garten Services Contamination Finding having a discussion leading us up to our tour of the new processing equipment
- Senate Bill 263 update
- Tour of Covanta and the MRRF

Membership/Attendance:

• We had really good attendance

Meeting Review:

• Enjoyed the presentation and it really completed the tour.

Motion to close the meeting:

• Chris Ream motioned and Bob Anderson seconded.

Meeting Adjourned at 7:10 p.m.
