Notice of Virtual Open House and Public Meeting Hollywood Drive: Silverton Road to Greenfield Lane Roadway, Bike and Pedestrian Improvements

(503) 588-5036

BOARD OF COMMISSIONERS

Kevin Cameron, Chair
Danielle Bethell
Colm Willis

Date: Virtual Open House through July 21, 2021
Public Meeting July 1, 2021 5 PM – 7 PM

Location: Virtual Open House and survey, please visit: <https://tinyurl.com/3mmb4j2>
Public Meeting: The WILLAMETTE ROOM in the Marion County Public Works Building at 5155 Silverton Rd. NE

DIRECTOR

Brian Nicholas, P.E.

Subject: Hollywood Drive NE Urban Improvements Project

ADMINISTRATION

Marion County has received a Federal Transportation Improvement Program (TIP) grant to make improvements on Hollywood Drive NE, from Silverton Road NE to 700 feet south of Greenfield Lane NE. The existing roadway is generally narrow with no bike lanes and only isolated segments of existing sidewalk. Within the project limits, Hollywood Drive has a high traffic volume along with a high volume of bicyclists and pedestrians. It serves an area that is densely developed with both single-family and multi-family housing.

BUILDING INSPECTION

Work will include widening both shoulders and constructing sidewalks on both sides of the road to accommodate bike lanes and pedestrian traffic. Approximately 800 linear feet of the project area is located within the City of Salem, which allows the project to connect to existing pedestrian and bicycle facilities. The project also includes a new signalized intersection at Silverton Road and Hollywood Drive, including a left-turn refuge from Hollywood Drive northbound to Silverton Road westbound.

EMERGENCY MANAGEMENT

ENGINEERING

Construction is expected to begin in the summer of 2022 and be completed in the spring of 2023.

ENVIRONMENTAL SERVICES

OPERATIONS

PARKS

Marion County Public Works is hosting a Virtual Open House to share information updated since our first open house as well as a Public Meeting, to provide project information and collect comments and questions regarding the upcoming project. Topics will include: Project Schedule, Advanced Design Plans and Right of way impacts

PLANNING

SURVEY

We look forward to hearing from each of you. If you are unable to attend one of the meeting options, but have questions about the project, please contact Mark Foster, at 503-373-4307 or email mafoster@co.marion.or.us.

If you require special accommodations, please contact Desiree Tokyo at 503-588-5036.

Usted puede solicitar esta nota en otro idioma, solicitar un traductor, u otras acomodaciones contactando a Maggie Vazquez, o Alan Pennington, al 503-588-5036 lo mínimo de dos días de trabajo antes de la reunión.
