**Subject:** Lancaster Drive: Center St to Monroe Av Improvements Project

Marion County has received federal funding to improve Lancaster Drive between Center Street and Monroe Avenue. The street currently has very steep cross slopes between the travel lanes and many commercial driveways, making it difficult for vehicles to enter and exit Lancaster Drive. These grades force vehicles to enter at an angle and/or drive very slow to avoid scraping on the pavement with their vehicle, creating additional congestion. The project will correct the steep slopes and consolidate and rebuild accesses with acceptable grades to improve flow in and out of commercial properties and construct improved sidewalks and driveway sections, sidewalk ramps and pedestrian signal buttons that meet American Disabilities Act (ADA) standards, pavement repairs and an asphalt overlay.

Construction is expected to begin in the summer of 2022 and be completed in the spring of 2023.

Marion County Public Works will host a Virtual Open House to provide preliminary project information and collect comments and questions regarding the upcoming project.

Topics will include:

- Project Milestones and Schedule
- Preliminary Design Plans
- Right of way impacts

We look forward to hearing from each of you. If you are unable to use the web site, but have questions about the project, please contact Mark Foster, at 503-373-4307 or email [mafoster@co.marion.or.us](mailto:mafoster@co.marion.or.us).

If you require special accommodations, please contact Jill Ogden at 503-588-5036.

Usted puede solicitar esta nota en otro idioma, solicitar un traductor, u otras acomodaciones contactando a Maggie Vazquez, o Alan Pennington, al 503-588-5036 lo mínimo de dos días de trabajo antes de la reunión.
