Subject: Open House to discuss Silverton Road westbound left turn lane at Desart Road.

Marion County has received Federal All Roads Transportation Safety (ARTS) Program funds to add a westbound left turn lane on Silverton Road at Desart Road. The addition of the turn lane will reduce accidents by providing a safe refuge for motorists waiting to make their turn. The project includes an asphalt overlay within the project limits.

Construction will include widening Silverton Road equally on both sides, stormwater treatment swales, and an asphalt pavement overlay within the project limits.

Marion County will host an Open House to share updated information and collect comments and questions regarding the upcoming project. Topics include Project Schedule, Advanced Plans, and Right-of-Way impacts. Construction is expected to begin in the spring of 2025.

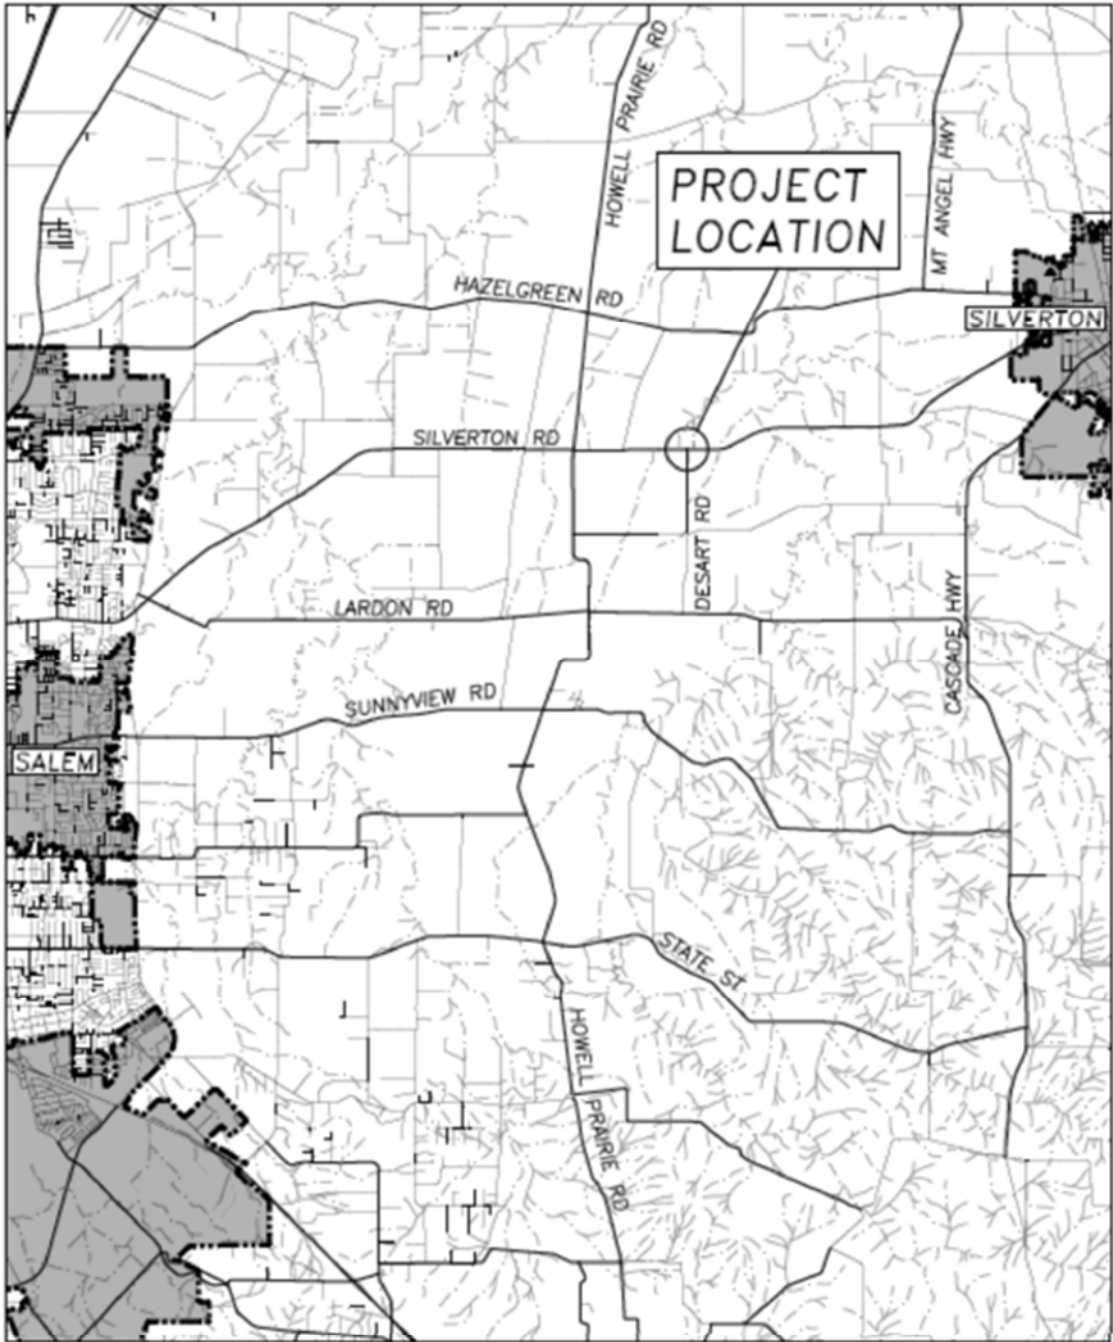

We look forward to meeting and hearing comments from each of you. If you are unable to attend, you may view the project information at:
