Utility Work in Right-of-Way Permit Applicant Guide

- 1) The application for Utility Work in Right-of-Way Permit(s) can be accessed at this link: [**General Application](#)
- 2) Complete the following sections of the application:
 - a. Section 1
 - i. The parcel number is required. You can access the parcel number from our GIS portal found here: [GIS Portal](#)
 1. Our GIS maps functions best using the most recent version of Google Chrome. It is recommended you use the **Property Viewer** (link available under Popular Applications). Navigate to your property and click it. This will bring up a window with information about your property. The Parcel number is the Taxlot Number provided in the pop-up menu. It will appear similar to: 072W08D000300. Note this is not the Tax Account starting with an "R".
 - ii. The parcel number and worksite address must correlate to the same property.
 - b. Section 2 – This is the homeowner's address.
 - c. Section 3 – This is the information for the company on whose behalf you are completing the application (Project Manager).
 - d. Section 4 (if applicable) – Your company's information, if applicable.
 - i. If this information is the same as section 3, you do not need to complete.
 - e. Section 5 – Provide the information for the contractor performing the work in the right-of-way, including CCB#
 - i. If your project will include more than one contractor, please complete this form and submit with your application: [Licensed Professional Information for Projects with Multiple Contractors.pdf](#)
 - f. Section 6: Check the first box.
 - i. Public Utilities Companies (PUC), check the sixth box down.
 - g. Section 7: If you are required to obtain an OUNC #, please add here.
 - i. Additional documentation regarding OUNC # can be found on our website at this link: [OUNC](#)
 - h. Section 12: To be completed by PUC's only.
 - i. If you need to add more structures than are allowed on the application, please complete this form and submit with your application: [Structure Data for Projects Affecting More Than 5 Structures](#)

- i. Sign and date your application – the application can be signed digitally (we will also accept a scanned hard-copy signature)
- 3) Required documentation to accompany your application:
 - a. Site Plan
 - b. Licensed Professional Information for Projects with Multiple Contractors (if applicable)
 - c. Structure Data for Projects Affecting More Than 5 Structures (if applicable)
 - d. Traffic Control Plan (TCP)
 - e. Insurance Certificate with Additional Insured Endorsement. You can access Marion County's Insurance Requirements at the following link: [Marion County Insurance Requirements](#)
 - 4) Email the application with required documentation to MCLDEP@co.marion.or.us
 - a. Hardcopy applications can be mailed or hand delivered to us at:
Marion County Public Works
Attn: LDEP
5155 Silverton Road NE
Salem, OR 97305
 - 5) You will receive an email with the Permit Number (555-xx-xxxxxx-PW) and instructions for paying online.
 - a. You can access the instructions for paying for a permit online on our website at: [Paying for a Permit Online](#)
